The Knowing the Bible series is a resource designed to help Bible readers better understand and apply God’s Word. These 12-week studies lead participants through books of the Bible and are made up of four basic components: (1) Reflection questions help readers engage the text at a deeper level; (2) “Gospel Glimpses” highlight the gospel of grace throughout each book; (3) “Whole-Bible Connections” show how any given passage connects to the Bible’s overarching story of redemption, culminating in Christ; and (4) “Theological Soundings” identify how historic orthodox doctrines are taught or reinforced throughout Scripture. With contributions from an array of influential pastors and church leaders, these gospel-centered studies will help Christians see and cherish the message of God’s grace on each and every page of the Bible. The Gospel of Luke is the most thorough historical account of the birth, life, death, and resurrection of Jesus Christ. But Luke’s book is more than just history; it’s also a rich source of life-giving theology, revealing Jesus’s identity as Israel’s long-awaited Messiah and the Savior of the world. In this study, New Testament scholar Jimmy Agan III walks readers through Luke’s Gospel, helping Christians see that Jesus is not simply a great teacher but the great Savior.

“Sanctify Christ as Lord in your hearts, always being ready to make a defense to everyone who asks you to give an account for the hope that is in you, yet with gentleness and reverence.” -1 Peter 3:15 Scripture is clear about the fact that we must be prepared to communicate the truth of the Gospel when given the opportunity—and do it with the right attitude. But even when your tone is gentle and respectful, what, specifically, should you say when asked or confronted about your faith? And what is your overall responsibility to unbelievers as a disciple of Christ? Pastor John MacArthur responds to these very questions and more—with solid, biblical answers focused in four particular areas: * your attitude * your preparedness * the content of your answers * your priority in witnessing Combining a biblical study of evangelism, a rational defense of Christian beliefs, and a practical approach to evangelism, this book offers a well-rounded perspective that can help you gently and confidently give an answer for the hope you have in Christ.

Unleashing God’s Truth, One Verse at a Time

Right now, truth is under attack, and much is at stake. Perhaps no one in America is more passionate than John MacArthur about exposing those who are mounting this attack?especially those bringing the assault right into the church. There is no middle ground/no safe zone for the uncommitted in this war. The battle for truth is raging, and this book reveals: The pitfalls of postmodern thinking Why the Emerging Church Movement is inherently flawed Past skirmishes in the Truth War and their effect on the Church The importance of truth and certainty in a postmodern society How to identify and address the errors and false teachings smuggled into churches “(The postmodern age) is the age of no truth, an age that has reached a point of deadly fatigue when it comes to facing the truth”a generation that no longer believes truth can be known. Dr. John MacArthur knows better, and he is armed with the courage to confront this age with a bold defense of truth. . . . His argument is compelling, his defense of truth is brilliant, and his concern for the church is evident on every page. The evangelical church desperately needs this book, and it arrives just in time.” -R. Albert Mohler Jr., President, The Southern Baptist Theological Seminary

We need to realize that we are at war and that the sides have changed radically: many of our former enemies (e.g. Muslims) are now our friends, and some of our former friends (e.g. so humanists) are now our enemies. Documenting the spiritual and moral decay that has taken hold of modern society, Kreeft issues a wake-up call to all God-fearing Christian, Jews and Muslims to unite together in a “religious war” against the common enemy of godless secular humanism, materialism and immorality. Aware of the deep theological differences of these monotheistic faiths, Kreeft calls for a moratorium on our polemics against each other so that we can form an alliance to fight together to save western civilization. He cites numerous examples of today’s Protestants, Jews, Catholics and Muslims working together to solve moral and spiritual problems. God is calling for this unity, Kreeft says, and if we respond, God will do something wonderful.

The book of Luke offers rich insight into the heart of Christ. This Wiersbe Bible Study on Luke 1-13 chronicles the birth, early life, and compassionate ministry of Jesus.
