

Luke Chuck Missler

The Book of Ruth is venerated in college literature classes as one of the most elegant love stories of all time. What most people don't know is that it is one of the most significant "New Testament" books located in the Old Testament—and it stands as a pivotal study in understanding the Book of Revelation! This tiny, 4-chapter book is one of the most inexhaustible sources of spiritual insight in the entire Bible. While it has been summarized in many of Chuck's broader studies, Chuck explores the many hidden gems in the text of this charming treasure (including some hidden secrets that will astonish most Biblical scholars!) Every page will evidence a skillful design beyond the skills of any human editor. Join Dr. Chuck Missler for another series of exciting teachings from his beautiful River Lodge, New Zealand as he explores this great little book.

Prophecy expert Chuck Missler equips readers with a clear vision of biblical prophecy in light of important trends on the present and technological horizons.

What Really Happened? Most reasonably informed Christians are well aware that many of the traditions that surround the Christian faith have pagan origins and very little correlation with the actual events as recorded in the Bible. However, most of us are surprised to discover that some of what we have been taught about Easter is not only in error, but deliberately so!

What really happened at the crucifixion? How can one who is immortal die? How can eternity be compressed into six hours? How did Jesus' body go to the cross? Chuck explores the hyper-dimensional aspects of a love letter written in blood on a wooden cross almost two thousand years ago. Dr. Mark Eastman highlights the medical and forensic aspects of the crucifixion.

Jerusalem in the time of Jesus: an investigation into economic and social conditions during the New Testament period

When did Satan fall? We know that the angels were created prior to the Earth. We find that Satan had already fallen in Genesis 3. The mystery is, when did he fall? It appears that there are substantial Scriptural references to his rebellion, his agenda, and the subsequent catastrophic judgment that ensued. This raises the whole issue of the origin of evil. And why hasn't God simply wiped him, and sin, out completely? It is also disturbing to recognize that Satan tempted Jesus by offering him the kingdom, power and the glory in the temptations recorded in Luke 5. How could Satan lay a legitimate claim to these?

Has God abandoned Israel? Has the Church "replaced" Israel? What does the Bible say? As we watch the world events, it is clear that Israel is following her prophetic scenario, and a new chapter is about to be written—and there may be a big surprise on our near horizon!

This book explores how Jesus taught us to pray when we need an answer from God right now.

There's a bold way to pray that receives today what God was intending to do tomorrow. All you need is a close friendship with God. When you have relational equity with God, you can pray with such audacity that others are like, "You shouldn't talk to God like that!" But it's precisely to this kind of illegal praying that Jesus surprisingly invites us.

You're a friend of God—so ditch propriety, forget the rules, throw caution to the wind, and pray illegal prayers.

From the beginning of time, thinkers have puzzled over the paradox of fate vs. Free will. In theological terms, this leads to the struggle between Calvinism and Arminianism. As we explore this paradox we find that examining the fruit of each position reveals that the River of Life seems to flow between these two extremes, and that again, truth involves a careful balance. We hear a lot about the "Sovereignty of God": and the prerogatives of our Creator are pretty obvious. As the children's riddle goes, "Where does the gorilla sleep in the forest?" "Anywhere he wants to." And, as most of you have discovered, He has also given us one of His greatest treasures - His Word. Jealous as He is of His Name, Psalm 138:2 highlights: "...for thou hast magnified thy word above thy name." And indeed, God has declared in detail the responsibilities He desires of His people. The Bible lays out just how He desires to be worshipped, etc. Beyond the mysteries associated with the "sovereignty of God" - and the libraries are full of studies on that subject - there emerges what is, to many of us, an even more troubling mystery: The Sovereignty of Man! Internationally recognized Biblical authority, Chuck Missler, explores the fundamental paradox underlying our ultimate destiny.

Beyond Time & Space

I have been asked about rapture. Some people are very strong in their views about rapture. I decided to write this book to

discuss questions like: 1. How can rapture occur since the word does not appear in my Bible? 2. Do you have to believe in a particular rapture to be saved? 3. What does the Bible tell me about different types of raptures? 4. Does the Bible support a No Rapture? 5. Do the scriptures support a pre-tribulation rapture? 6. Does the Bible support a mid-tribulation rapture? 7. Does the Bible support a post-tribulation rapture?

For many, the Gospel according to "the Beloved Physician" is the most readable and complete account of the life of Christ. Known for its historical detail and precision, Luke was chosen by the Holy Spirit to communicate the Gospel to an educated and technological culture. The evidences of the truly "human" nature of Jesus Christ are littered throughout this treatise. This is a Study Companion to the Luke Commentary.

Dr. Chuck Missler, a widely recognized Biblical authority, updates his classic study of Christmas for 2007. He explores the background, and myths, surrounding our favorite holiday. What really happened in Bethlehem two thousand years ago? Who were the "Magi"? Why a virgin birth? What does a Christmas Tree have to do with it? Each year at Christmas we celebrate the birth of Jesus Christ. After the New Year, we struggle to remember to add a year as we date our checks, which should remind us that the entire Western World reckons its calendar from the birth of the One who changed the world more than any other before or since. It is disturbing to discover that much of what we have been taught about the Christmas season seems to be more tradition than truth. Santa Claus isn't the only myth or legend that has arisen out of this season. On what "loophole" does the Messianic hope rest?

He was one of the most popular lay preachers and Christian apologists of his day: Sir Robert Anderson devoutly believed that the Bible was the inerrant word of God, and in this popular 1881 book—a companion to his Daniel in the Critics' Den—he mounts a defense of the prophetic Old Testament Book of Daniel, an early example of apocalyptic philosophy in Christianity. Students of the Bible will appreciate this historically valuable attempt to set straight the many controversies surrounding Daniel regarding its authorship and even the date of its writing. And anyone interested in the apocalyptic fervor of modern-day fundamentalist Christianity will find this an instructive and enlightening read. While at Scotland Yard, Irish police official and religious scholar SIR ROBERT ANDERSON (1841-1918) helped investigate the Jack the Ripper murders, but he is best remembered for his works of Bible study, including *Forgotten Truths* and *The Silence of God*.

The Romance of Redemption

Do you know the Most Amazing Passage in the entire Bible? In this study of Daniel's 70 Weeks, you will discover this amazing prophecy in the Old Testament predicted the very day that Jesus presented Himself as the Meschiach Nagid, the Messiah the King, to Jerusalem. The Seventy Week Prophecy of Daniel 9 includes the most incredible validation of Jesus Christ as the Messiah, which He held them accountable to have known. In a confidential briefing to His disciples, Jesus also highlights this passage as the key to understanding all other prophecies concerning His return. It is essential to understanding the Book of Revelation and other related passages.

For those who have tried and failed to follow through on a plan to study the entire Bible, Chuck Missler has the answer. Learn the Bible in 24 Hours is an ideal study aid to help you grasp the big picture of Scripture. Each chapter is designed for study in an hour or less. Features include: Sound, fresh teaching on Scripture Historical and cultural insight into biblical passages Sidebars that highlight the primary concepts of the chapter

Luke Commentary Workbook

Can we know what Jesus was truly like during His time on earth? A first-century physician set out to gather eyewitness testimony of the life, teaching, and ministry of Jesus Christ. The result is a close-up account of a compassionate Savior on His journey to redeem His people. In this volume, Dr. R.C. Sproul traces the record of Jesus' life as told by Luke, the man considered by some to be one of the greatest historians of the ancient world. Dr. Sproul shows that this gospel is for believers and skeptics alike, written so "that you may have certainty" (Luke 1:4) about the Son of Man who came to seek and save the lost.

The Marvelous Prophecy of Daniel's Seventy Weeks Concerning the Antichrist

The Bible gives us four biographers for Jesus' life: Matthew, Mark, Luke, and John. See Jesus from four different points of view and learn how their views unite to flesh out an awesome portrait of God. Consult this concise chart to find out where there are four Gospels instead of just one, why three Gospels are similar, but the fourth is very different, how the Gospels complement - not contradict - each other, why most of Christ's story focuses on his last week; and more.

What does the Bible say about "wars"? How can the classic literature of centuries ago impact today's (and tomorrow's) tactics and strategies? Which technologies are predicted in the Bible? Which ones have yet to be witnessed? In what ways have the economies of scale in violence been reversed? What is the threat assessment and risk analysis pending today? In what ways can a country be regarded as a "one-bomb target"? What are the likely implications of trans-humanism in the quests for the "Super-Soldier"? How could electromagnetic pulses emerge to become the "Great Equalizer"? Where is the safest place to be? Dr. Chuck Missler, an honor graduate of the U.S. Naval Academy at Annapolis, with an international background including three decade's experience in the board rooms of the defense industry, reviews the major Biblical references to warfare, the trends in modern weapons technology, and some of the current preparations for war among the major powers.

As a history book the Bible is unique, telling us about the future as well as the past. To become obsessed with either is to evade life's challenges. Both perspectives are needed to live 'over the circumstances' of the present. The book of Revelation focuses on the future and can produce two reactions among Christians - some cannot get into it and others cannot get out of it!! We need a more balanced view of its significance. After all, it is the only book in the whole Bible to which God has attached a special blessing and an awful curse. It was written for ordinary people under extraordinary pressure. Suffering is the key to its understanding. It is a manual for martyrdom. As history draws to a close, all Christians need its message of warning and encouragement.

Dr. Chuck Missler's Prophecy 20/20 is a comprehensive, easily digested book that will give you a basic understanding of how past events fulfilled biblical prophecy. It provides a strategic grasp of prophecy that equips you to clearly see the "prophetic moment" of current events. Chuck Missler, founder of Koinonia House, analyzes trends on the geopolitical and technological horizons as well as their implications for the coming years.

None of These Diseases

The Mystery of the Godhead

Jon Courson's Application Commentary

Daily Devotions to Treasure

An Expository Commentary

You see the full character of Christ through the four different portraits in Matthew, Mark, Luke and John. Each of them is painting a different picture - not a contradictory one, but filling it out with a new aspect. Matthew paints the King of the Jews. That is his object. We now suddenly realise why Matthew is the first in the New Testament, even if it was not the first to be written. The answer is that it is the nearest Gospel to the Old Testament, the most Jewish one that picks up the threads of all that has gone before....

Is there One God or Three? How does one reconcile the "One God" of the Sh'ma with the "Three Persons" of the Trinity?

The doctrine of the trinity has been at the heart of much theological controversy. The routine objection is that the doctrine sacrifices monotheism to "tritheism." But this objection thrives on a misconception of divine personality in the image of disparate, individual, human selves. This type of rationalistic apologetics, promotive of trinitarianism on speculative rather than revelational grounds, regrettably encourages this misunderstanding. One of the reasons we suffer such misunderstanding is due to our relying on "models." Chuck explores the ostensible tensions between the Old and New Testament revelations of the ultimate mystery of the Godhead. This is a foundational study for every Christian.

In the book we take you through our very personal journey surrounding our son Josiah's going to Heaven and the biblical truths that have brought a Heaven revolution to our hearts. This book is excellent stuff for those who are grieving; we specifically tell our story so we can gain credibility with the hurting. It is an excellent resource for those who are curious about Heaven, its inhabitants and their activity. All proceeds from the book go to Josiah's House, 4 orphan homes for young boys being built in the Dominican Republic.

The Kingdom, Power Glory challenges Christians to become "overcomers" by laying before them the magnificent future they can inherit in the Millennial Kingdom, if they are faithful and obedient here.

Are there more than four dimensions to physical reality? Is it possible to traverse time as well as space? Is there a reality beyond our traditional concepts of time and space? The startling discovery of modern science is that our physical universe is actually finite. Scientists now acknowledge that the universe had a beginning. They call the singularity from which it all began the "Big Bang." While the detail among the many variants of these theories remain quite controversial, the fact that there was a definite beginning has gained widespread agreement. This is, of course, what the Bible has maintained throughout its 66 books.

(This Comprehensive Workbook is designed to facilitate study and should be used in conjunction with the Hosea and Amos Commentary audio or multimedia materials.) Prophets to the Southern Kingdom is Chuck's commentary on the books of Joel, Micah, Zephaniah, and Habakkuk. The Prophets to the Southern Kingdom spoke many promises of Israel's return to the land, Christ's second coming and the overall time line from Babylon all the way through the Millennium. In a time of great turmoil, these men focused on the hope of the coming Messiah and His Kingdom. The book of Joel is a neglected book among Bible scholars. It's an important book because it records Israel's place in God's program: from Babylon all the way through the Millennium. Micah's message was heeded, repentance followed, and disaster was postponed for a century. Here was a prophet that changed history! One man can make a difference. Both Zephaniah and Jeremiah prophesied to a politically prospering people of coming judgment. Habakkuk means to embrace. Habakkuk's main theme is God's consistency with Himself in view of permitted evil. Why do bad things happen to good people? Habakkuk is among the last of the minor prophets to preach in Judah before the Babylonian captivity. 229 Pages

Few Bible commentators simultaneously articulate both insightful spiritual truths and memorable life applications for readers who want to be relevant witnesses for Jesus Christ. Gifted Bible preacher and inspiring teacher Jon Courson effortlessly combines both in this easy-to-read, verse-based devotional commentary on the New Testament. Pastor Jon's years of immersion in God's Word, as he regularly preached from the Bible, produced faithful, valuable teaching that is both a scholarly work and an encouragement for living the Christian life. His application commentaries combine the following elements in a unique blend of pertinent information and needed inspiration: Deep love for God's word Colorful cultural insights Insightful historical information Applicable topical studies Vivid illustrations and stories Humorous, practical, and inspiring life lessons Jon Courson's devotional commentaries offer thorough and comprehensive teaching along with practical, in-depth topical studies in a very readable and comfortable expositional style.

Faith's Checkbook, written by world-renowned British pastor Charles H. Spurgeon, provides daily deposits of God's promises into your personal bank of faith. Spurgeon urges you to view each Bible promise as a check written by God that can be cashed by personally endorsing it and receiving the gift it represents. Cash in on the bountiful store of blessings when you withdraw daily from the Bank of Faith. This captivating eBook devotional offers inspiration and delight in our Lord, and it encourages readers to take God's promises to heart in just a few minutes of reading each day. Each verse is followed by a brief thought or application, making this eBook ideal for personal or family devotions wherever you may go. The Table of Contents is linked so you can conveniently find your place where you left off. If you skip a day, no problem, you can easily begin on the next day's reading. "A promise from God may very instructively be compared to a check payable to order," wrote Spurgeon. "It is given to the believer with the view of bestowing upon him some good thing. It is not meant that he should read it over comfortably, and then have done with it. No, he is to treat the promise as a reality, as a man treats a check."

Profiling the Future Through the Lens of Scripture

Learn the Bible in 24 Hours

Scholars throughout the ages have devoted lifetimes to studying the Bible. But for most of us, this simply isn't practical or possible. For those who have tried and failed to initiate a program of personal Bible study, Learn the Bible in 24 Hours is ideal. Chuck Missler guides readers with the strategic grasp of the "big picture" of Scripture that enables them to ably navigate specific passages. Each of the 24 sessions, designed as a one-hour session, features: Sound, fresh teaching on the design of Scripture Historical and cultural insight into the passages Sidebar text that highlights the primary concepts of the chapter Information on how to receive college credit from Liberty Baptist University upon completion of the book is also included.

The Gospel of Luke tells the story of Jesus from a perspective unlike any other. As a physician, Luke presents a detailed account of Jesus' conception and birth. As a meticulous historian, he highlights Jesus' parables, teachings, healings, and compassion to the outcasts of Israel. He follows Christ on His journey to the cross, recounts His last days that led to His crucifixion and burial, and documents His victory over the grave. From the beginning of Jesus' public ministry to the Lord's final words, Luke stresses Jesus' willingness to die on the cross to complete His ultimate mission—to be the Savior of all the world. The MacArthur Bible Studies provide intriguing examples from the whole of Scripture. Each guide incorporates extensive commentary, detailed observations on overriding themes, and probing questions to help you study the Word of God with guidance from John MacArthur.

Where did our Bible come from? How good are the texts? Why do we believe its origin is supernatural? How do we know that it is the Word of God? How accurate are our translations? Which version is the best? Chuck Missler, an internationally recognized Biblical authority, reviews the origin of both the Old and New Testaments in light of recent discoveries and controversies.

Is our universe some kind of cosmic accident, or is it the result of careful and skillful design? What do scientists mean by "The Anthropic Principle"? When compiling the many physical and mathematical subtleties which make up our universe, scientists have discovered that a slight variation in any of them militates against the existence of life. Even at the atomic and sub-atomic level, the slightest variation of the primary constants of physics - some as sensitive as one part in over 1,000,000 - cause life to be impossible. Even secular scientists point to these appearances of apparent design as the "anthropic principle," since they yield the impression that the universe was designed specifically for man.

The Trinity

What Really Happened

Beyond Coincidence

The Agony of Love: Six Hours in Eternity

Preached at Enfield, Connecticut on July 8, 1741, this is perhaps the greatest sermon ever preached in America—and is certainly among the most well known. Owing to its forthright dealing with God's wrath and His intense hatred of sin and the sinner, it is also one of the most controversial. Indeed, for more than three-quarters of the sermon Edwards lays down a relentless stream of the most vivid and horrifying descriptions of the danger facing unregenerate men. While it is difficult to read such graphic language, there is abundant hope in the sermon's conclusion. Edwards puts it this way, "And now you have an extraordinary opportunity, a day wherein Christ has thrown the door of mercy wide open and stands calling and crying with a loud voice to poor sinners." While those who would rather ignore God's justice in favor of His mercy condemn Edwards and his sermon, those who were present and actually heard him preach that day reacted in a decidedly different manner. According to the diary of Reverend Stephen Williams who attended the sermon, "Before the sermon was done there was a great moaning and crying through the whole House, 'what shall I do to be saved; oh, I am going to hell, etc.'" The diary goes on to indicate that Edwards had to interrupt his sermon and come down to minister to those who were under such awful conviction. And so, in spite of what the scoffers might think or say, "the amazing and astonishing power of God" was manifested among the people that day—with many falling not into the hands of an angry God, but into the arms of a mighty Savior.

Which translation is best? Which Study Bible? What are the secrets of resolving difficult or controversial passages? From forty years of intensive Bible study and teaching, Missler shares his favorite helps, secrets and practical suggestions on how to take the Bible seriously. Most Christians, although they want to do in-depth Bible study, know little of the types, philosophies and tools of study available. Is the Bible to be taken literally or figuratively? What study aids would be most helpful in beginning my own home study library? Going through the Bible book by book. "Eat the elephant one bite at a time." These studies produce the most lasting results.

There is a balance in the "whole counsel of God." Emmaus Road in Luke 24:27. Where to Start? A good "first book" is the Gospel of John: "A child can wade in it and an elephant can bathe in it!" Other good starting points include Genesis, Acts, Matthew, Daniel, and Revelation (Which is the only book which unequivocally promises a blessing to the reader). You are unique: let the Spirit lead you. Footprints of the Messiah: Chuck Missler. What Old Testament Bible Study is mentioned twelve times in one book of the Bible, is given by seven different people and is almost never given today? That Jesus is the Messiah of Israel! How certain can we be that Jesus is the Messiah? Review some of the major passages in the Tanakh (the Old Testament) which predict and describe the Scriptural expectations to be fulfilled by the Messiah of Israel. This study will also take a mathematical analysis of a small sampling from the more than 300 predictions concerning the Jewish Messiah. This classic study was redone by Chuck at the end of 2011. This briefing pack contains 2

hours of teachings
