AKASHVANI

William Shakespeare's Macbeth Retold: A Novel

**King Leontes of Sicilia begs his childhood friend, King Polixenes of Bohemia, to extend his visit to Sicilia. Polixenes protests that he has been away from his kingdom for nine months, but after Leontes’s pregnant wife, Hermione, pleads with him he relents and agrees to stay a little longer.**

**An acclaimed author has rewritten twelve of Shakespeare's plays in narrative form, retaining much of the original language, and thus the flavor of the bard's dramas.**

**King Lear is a tragedy by Shakespeare, written about 1605 or 1606. Shakespeare based it on the legendary King Leir of the Britons, whose story is outlined in Geoffrey of Monmouth’s pseudohistorical History of the Kings of Britain (written in about 1136). The play tells the tale of the aged King Lear who is passing on the control of his kingdom to his three daughters.**

**He asks each of them to express their love for him, and the first two, Goneril and Regan do so effusively, saying they love him above all things. But his youngest daughter, Cordelia, is compelled to be truthful and says that she must reserve some love for her future husband. Lear, enraged, cuts her off without any inheritance. The secondary plot deals with the machinations of Edmund, the bastard son of the Earl of Gloucester, who manages to convince his father that his legitimate son Edgar is plotting against him. After Lear steps down from power, he finds that his elder daughters have no real respect or love for him, and treat him and his followers as a nuisance. They allow the raging Lear to wander out into a storm, hoping to be rid of him, and conspire with Edmund to overthrow the Earl of Gloucester. The play is a moving study of the perils of old age and the true meaning of filial love. It ends tragically with the deaths of both Cordelia and Lear—so tragically, in fact, that performances during the Restoration period sometimes substituted a happy ending. In modern times, though, King Lear is performed as written and generally regarded as one of Shakespeare’s best plays. This Standard Ebooks edition is based on William George Clark and William Aldis Wright’s 1887 Victoria edition, which is taken from the Globe edition. This book is part of the Standard Ebooks project, which produces free public domain ebooks.**

'And when I shall die, Take him and cut him out in little stars.' This collection of Shakespeare's soliloquies, including both old favourites and lesser-known pieces, shows him at his dazzling best. One of 46 new books in the bestselling Little Black Classics series, to celebrate the first ever Penguin Classic in 1946. Each book gives readers a taste of the Classics' huge range and diversity, with works from around the world and across the centuries - including fables, decadence, heartbreak, tall tales, satire, ghosts, battles and elephants.

Background information, detailed explanatory notes, scene-by-scene plot summaries, helpful essays, and annotated reading lists accompany the dramatization of the tragic fall of a disillusioned and misanthropic Athenian ruler. Reprint.

Classic light comedy, fully sustained in the spirit of the plays of this genre. As is characteristic of the dramaturgy of this epoch, the obviousness of the incipient intrigue does not spoil the general charm of the play at all, and the onslaught of free irony and elegant juggling with words and meanings delivers true enjoyment. The plot tells about the creation of a union of two pairs, very different from each other. The wedding of the first couple has already been discussed, and preparations are underway. The second couple still does not even realize that a sharp reversal of fate will happen soon.

shakespeare's stories.. In session 2010-11, it has been approved for ISE School for Class XI

Shakespeare, Our Contemporary is a provocative, original study of the major plays of Shakespeare. More than that, it is one of the few critical works to have strongly influenced theatrical productions. Peter Brook and Charles Marowitz are among the many directors who have acknowledged their debt to Jan Kott, finding in his analogies between Shakespearean situations and those in modern life and drama the seeds of vital new stage conceptions. Shakespeare, Our Contemporary has been translated into nineteen languages since it appeared in 1961, and readers all over the world have similarly found their responses to Shakespeare broadened and enriched.

The book is based on the uniform pattern of syllabus for M.A. in English for Indian Universities prescribed by the UGC. It is comprehensive and covers the entire history of British Literature. It also includes exhaustive material on American Literature, C

Shakespeare Stories

The Shakespearean Originals Series takes as its point of departure the question: "What is it that we read Shakespeare?" The answer may seem self-evident: we read the words that Shakespeare wrote. But do we? In the case of all the major editions of Shakespeare available in the market, the fact of the matter is that many of the words that we read in an edition of, say, Hamlet, never appeared in the text as it was printed during or shortly after Shakespeare's own lifetime. They are the interpetations and interpolations of a series of editors who have been systematically changing Shakespeare's text from the eighteenth century onwards. This volume offers the text of Measure for Measure, as printed in the 1623 First Folio.

Enter RODERIGO and IAGORODERIGOTush! never treat me; I take it much unkindly That thou, Iago, who hast had my purse As if the strings were thine, shouldst know of this.IAGO'Sblood, but you will not hear me: If ever I did dream of such a matter, Abhor me.RODERIGOThou told'st me thou didst hold him in thy hate.IAGODespise me, if I do not. Three great ones of the city, In personal suit to make me his lieutenant, Off-capp'd to him: and, by the faith of man, I know my price, I am worth no worse a place: But he; as loving his own pride and purposes, Evades them, with a bombast circumstance Horribly stuff'd with epithets of war; And, in conclusion, Nonsuits my mediators; for, 'Certes, ' says he, 'I have already chose my officer.' And what was he? Forsooth, a great arithmetician, One Michael Cassio, a Florentine, A fellow almost damn'd in a fair wife; That never set a squadron in the field, Nor the division of a battle knows More than a spinster; unless the bookish theoretic, Wherein the toged consuls can propose As masterly as he: mere prattle, without practise, Is all his soldiership. But he, sir, had the election: And I, of whom his eyes had seen the proof At Rhodes, at Cyprus and on other grounds Christian and heathen, must be be-lee'd and calm'd By debitor and creditor: this counter-caster, He, in good time, must his lieutenant be, And I-God bless the mark!-his Moorship's ancient

Foul is Fair

Vol. XXVII. No. 9 ( 4 MARCH, 1962 )

Representations and interpretations

Hannah Capin's Foul is Fair is a bloody, thrilling revenge fantasy for the girls who have had enough. Golden boys beware: something wicked this way comes. Jade and her friends Jenny, Mads, and Summer rule their glittering LA circle. Untouchable, they have the kind of power other girls only dream of. Every party is theirs and the world is at their feet. Until the night of Jade's sweet sixteen, when they crash a St. Andrew's Prep party. The night the golden boys choose Jade as their next target. They picked the wrong girl. Sworn to vengeance, Jade transfers to St. Andrew's Prep. She plots to destroy each boy, one by one. She'll take their power, their lives, and their control of the prep school's hierarchy. And she and her coven have the perfect way in: a boy named Mack, whose ambition could turn deadly.

The Merchant of Venice has been performed more often than any other comedy by Shakespeare. Molly Mahood pays special attention to the expectations of the play's first audience, and to our modern experience of seeing and hearing the play. In a substantial new addition to the Introduction, Charles Edelman focuses on the play's sexual politics and recent scholarship devoted to the position of Jews in Shakespeare's time. He surveys the international scope and diversity of theatrical interpretations of The Merchant in the 1980s and 1990s and their different ways of tackling the troubling figure of Shylock.

A NEW YORK TIMES NOTABLE BOOK OF 2018 Shakespeare's dark and tragic play retold in a heart-pounding New York Times bestselling thriller from the author of The Snowman and The Thirst. Set in the 1970s in a run-down, rainy industrial town, Jo Nesbo's Macbeth centers around a police force struggling to shed an incessant drug problem. Duncan, chief of police, is idealistic and visionary, a dream to the townspeople but a nightmare for criminals. The drug trade is ruled by two drug lords, one of whom—a master of manipulation named Hecate—has connections with the highest in power, and plans to use them to get his way. Hecate's plot hinges on steadily, insidiously manipulating Inspector Macbeth: the head of SWAT and a man already susceptible to violent and paranoid tendencies. What follows is an unputdownable story of love and guilt, political ambition, and greed for more, exploring the darkest corners of human nature, and the aspirations of the criminal mind.

Something Wicked This Way Comes

Shakespearean Tragedy

This book traces the journey of popular Hindi cinema from 1913 to contemporary times when Bollywood has evolved as a part of India ’ s cultural diplomacy. Avoiding a linear, developmental narrative, the book re-examines the developments through the ruptures in the course of cinematic history. The essays in the volume critically consider transformations of the Hindi film industry from its early days to its present self-referential mode, issues of gender, dance and choreography, Bombay cinema ’ s negotiations with the changing cityscape and urbanisms, and concentrate on its multifarious regional, national and transnational implications in the 21st century. One of the most comprehensive volumes on Bollywood, this work presents an analytical overview of the multiple histories of popular cinema in India and will be useful to scholars and researchers interested in film and media studies, South Asian popular culture and modern India, as well as to cinephiles and general readers alike.

One evening of late summer, before the nineteenth century had reached one-third of its span, a young man and woman, the latter carrying a child, were approaching the large village of Weydon-Priors, in Upper Wessex, on foot. They were plainly but not ill clad, though the thick hoar of dust which had accumulated on their shoes and garments from an obviously long journey lent a disadvantageous shabbiness to their appearance just now. The man was of fine figure, swarthy, and stern in aspect; and he showed in profile a facial angle so slightly inclined as to be almost perpendicular. He wore a short jacket of brown corduroy, newer than the remainder of his suit, which was a fustian waistcoat with white horn buttons, breeches of the same, tanned leggings, and a straw hat overlaid with black glazed canvas. At his back he carried by a looped strap a rush basket, from which protruded at one end the crutch of a hay-knife, a wimble for hay-bonds being also visible in the aperture.

Since the rediscovery of Elizabethan stage conditions early this century, admiration for Measure for Measure has steadily risen. It is now a favorite with the critics and has attracted widely different styles of performance. At one extreme the play is seen as a religious allegory, at the other it has been interpreted as a comedy protesting against power and privilege. Brian Gibbons focuses on the unique tragicomic experience of watching the play, the intensity and excitement offered by its dramatic rhythm, the reversals and surprises that shock the audience even to the end. The introduction describes the play's critical reception and stage history and how these have varied according to prevailing social, moral and religious issues, which were highly sensitive when Measure for Measure was written, and have remained so to the present day.

An example of Poe's melancholic and morbid poetic pieces, "A Dream Within a Dream" is a poem that pitifully mourns the passing of time. The poet's own life, teeming with depression, alcoholism, and misery, cannot but exemplify the subject matter and tone of the poem. The constant dilution of reality and fantasy is detrimental to the poetic speaker's ability to hold reality in his hands. The quiet contemplation of the speaker is contrasted with thunderous passing of time that waits for no man. Edgar Allan Poe (1809-1849) was an American poet, author, and literary critic. Most famous for his poetry, short stories, and tales of the supernatural, mysterious, and macabre, he is also regarded as the inventor of the detective genre and a contributor to the emergence of science fiction, dark romanticism, and weird fiction. His most famous works include "The Raven" (1945), "The Black Cat" (1943), and "The Gold-Bug" (1843).

Melodrama / 5m, 3f / Int. The author comes forth with another hit about a group of strangers stranded in a boarding house during a snow storm, one of whom is a murderer. The suspects include the newly married couple who run the house, and the suspicions that are in their minds nearly wreck their perfect marriage. Others are a spinster with a curious background, an architect who seems better equipped to be a chef, a retired Army

*major, a strange little man who claims his car has overturned in a drift, and a jurist who makes life miserable for everyone. Into their midst comes a policeman, traveling on skis. He no sooner arrives, than the jurist is killed. Two down, and one to go. To get to the rationale of the murderer's pattern, the policeman probes the background of everyone present, and rattles a lot of skeletons. Another famous Agatha Christie switch finish! Chalk up another superb intrigue for the foremost mystery writer of her time.*

**When an essay is due and dreaded exams loom, this title offers students what they need to succeed. It provides chapter-by-chapter analysis, explanations of key themes, motifs, and symbols, a review quiz and essay topics. It is suitable for late-night studying and paper writing.**

**First performed in 1600-01 and published in quarto edition in 1603, William Shakespeare's Hamlet, Prince of Denmark with its brilliant depiction of the hero's struggle with two opposing forces - moral integrity and the need to avenge his father's murder - highlights some of the most fundamental themes and problems of the Renaissance.**

**The Tempest is a play by William Shakespeare, probably written in 1610-1611, and thought to be one of the last plays that Shakespeare wrote alone. After the first scene, which takes place on a ship at sea during a tempest, the rest of the story is set on a remote island, where the sorcerer Prospero, a complex and contradictory character, lives with his daughter Miranda, and his two servants--Caliban, a savage monster figure, and Ariel, an airy spirit. The play contains music and songs that evoke the spirit of enchantment on the island. It explores many themes, including magic, betrayal, revenge, and family. In Act IV, a wedding masque serves as a play-within-the play, and contributes spectacle, allegory, and elevated language.**

Birthright is the heart-stopping conclusion to T. K. Roxborough's epic Banquo's Son series. Fleance, King of Scotland, has made a political marriage to Rachel, the sister of dead King Duncan. It may seem that happiness is not far around the corner with a royal baby expected, but things are far from peaceful in the realm. The young king and queen must dodge daggers in hallways and hold together a nation swept by a savage rebellion and a mysterious illness. And Fleance is still haunted by his first love, Rosie, now married to one of his most trusted friends. Can he keep the throne of Scotland when treachery is around every corner? A storm is brewing and soon the nation may experience the biggest battle in its history.

Two boys' lives are changed forever when a sinister travelling carnival stops at their Illinois town.
