The Warlock and the Wolf

Spell Breaker

A Matter of Time

The New Intimacy

When teen witch Ivy MacTavish changes a lizard into her date for a Halloween dance, everything turns to chaos. And when no one is powerful enough to transform him back except Ivy, it sparks the rumor: Like father, like daughter. Ivy has heard it all before - that her father, who left when she was seven - was involved with the darkest of magic.

Making the rumors worse, someone uses an evil spell book to bring back two of history's most nefarious killers. Ivy's got a simple plan to set things right: find the real dark spell caster, steal the book, and reverse the spell. No problem! But she'll have to deal with something more dangerous than murderous spirits that want her and her friends dead: the school's resident bad boy and hotter-than-brimstone demon, Nick Marcelli. Nick's offering Ivy more than his help with recovering the missing book - he's offering her a way to ditch her scaly reputation as a lizard-lover. Demons are about as hard to handle as black magic, and as Ivy soon discovers, it's going to take more than a lot of luck and a little charm if she wants to survive long enough to clear her status as a dark witch, get a warm-blooded boyfriend, and have her former date back to eating meal worms before the week's end.

That spell was wrong! When three young witches, Electra, Cassandra, and Medea, decided to practice witchcraft, they had no idea what consequences the wrong spell could have. Ghosts that scare the townspeople, and an old witch with an eerie wail are their minor problems. Meanwhile, sixteen-year-old Eric O'Brian is sent to live in the small town of Hollow as a punishment for his truancy and bad behavior. Shortly he finds out that the beautiful town full of colorful ravines, green highlands, and dense forests, is not an ordinary one: flowers that whisper, a strange Old Curiosity Shop that steals the time, and a hanged man coming to life on the Halloween night lead him to believe that Hollow is a mystical place inhabited by witches. After meeting the mysterious girls and befriending them, Eric becomes a part of the world with time traveling, medieval bards, flying brooms, and paintings with parallel reality. Then a murder happens in Hollow... She certainly never thought she'd become a witch. A near miss from a speeding car triggers an inexplicable rush of power within her, leading to strange, recurring dreams and

encounters with even stranger creatures. After being saved from a demon by her classmate Finn, she finally starts getting some answers. Meg, he explains, is now an awakened witch; a person whose dormant magic has been brought out by trauma. Real witches, she learns, are nothing like the broomstick-riding figures she's used to from movies. The descendants of an ancient tribe who made an alliance with the Fae, Witani are born with magic and have the ability to see the spirits who oversee the natural world. She receives another shock looking through study abroad brochures when she finds a picture of the same standing stone from her dreams. This prompts her to choose Scotland as her destination, where the stone is located. As she's drawn ever deeper into the secret world of magic and Fae, she wrestles with the dilemma of whether or not to tell her parents about her new life. But it's not long before she has far more to worry about. Her arrival in Scotland sets a series of events in motion that will change her forever; bringing with it new friends, love, and danger.

New Adult Paranormal Romance Apples and oranges, dogs and cats, everybody knows witches and immortals don't mix. A young witch, Callie, returns home from exile after a traumatic Ouija board incident six years earlier. She falls for classmate James MacLauren and struggles to keep her magical abilities a secret from him. Then there's the even trickier problem that her rogue warlock father and his coven will kill anyone who prevents Callie from joining them in dark magic. Someone like James . . . But James has a secret of his own. He's part of a hidden race of immortals living in the Appalachian hollows and the last thing he needs in his life is a witch who could imprison him with a binding spell. But it will take all of his superhuman physical strength, and all of Callie's extraordinary magical skills, to survive when two covens and an army of immortals engage in battle. Should they fail, they face either death or utter domination by the power of dark magic. ****This is a complete novel at approximately 76,000 words**** It is the first book in the Appalachian Magic Series. Book two in the series is *CHANGELING*, with more books releasing later in the year.

Magic brings them together. Now magic is tearing them apart. Childhood sweethearts left their homeland to be together. But when the paranormal world gives them no choice, they fight back and send the supernatural world into chaos.

It was Halloween, and Dorrie was ready for her first flying lesson, but her mother said, "You're too young to fly. Maybe next year." The Big Witch was busy fixing a princess costume for Dorrie to wear to the Halloween Pageant for the Great Sorceress. But flying had more appeal for Dorrie than being a princess and learning to curtsy. If no one else would teach her, she just might have to teach herself. Her awkward attempt to fly put her right at the center of a plot by some Halloween demons. From her first encounter with the demons to the moment when the Big Witch blew out the candle in Dorrie's bedside pumpkin, the little witch had one of the most exciting Halloweens ever.

Charmed and Dangerous

"Love comes when least expected." Nobody would blame widowed doctoral student Eliza James for giving up on Happily Ever After; at twenty-nine, she's suffered more loss than most people do in a lifetime. But Eliza's convinced her own hero is still out there, waiting for her, just like in the beloved romance novels she devours. Every girl deserves a Darcy, right? Only Eliza doesn't dream of a modern-day affair: she wants the whole Regency experience. When a magical manuscript thrusts her back two hundred years into the arms and life of one Deveric Mattersley, Duke of Claremont, however, Eliza soon realizes some fantasies aren't all they're cracked up to be, especially when her duke proves himself less than a Prince Charming. Deveric Mattersley has no interest in women, much less marriage. Determined to atone for his sins after convincing himself he's at fault for the death of his first wife, he decrees himself content to focus on running his family's estates, and on raising his son-until the mysterious Mrs. James appears. Who is she? What does she want? And why does she make Dev's blood run hot in a way no woman ever has? Can a man with a past and a woman from the future forge a love for all time?
