In Walking with Spirits, I share my process for connecting and working with spirits that enables you to get consistent results, while building collaborative relationships with the spirits you work with. Working with spirits doesn't have to involve the coercion of spirits that you find in conventional approaches to spirit work. What I share is an alternative approach that enables you to develop a friendly relationship with the spirits you work with and allows you to get results. Instead of trying to force a spirit to do something for you, you'll learn the following: How to create a rapport with spirits that allows you to become allies. Why a co-equal relationship with spirits is better than any other type of relationship you could form. What the problems are with conventional Western spirit work techniques such as what you find in the grimoires. How to use experiential embodiment to connect with spirits. How to use a simplified approach to invocation and evocation that allows you to work with spirits and get results. If you're ready to learn a different approach to working with spirits, where you don't create enemies, and instead have life long relationships where you and the spirits from working with each other, Walking with Spirits will show you a different path for working with spirits that gets you results.

The Greater Magickal Angels follows on from the popular Magickal Angels, but is a complete magickal system in its own right. You do not need to be familiar with the first book to get results. Magickal Angels introduced readers to 24 angels, but The Greater Magickal Angels covers the powers of 48 angels that were not revealed in the first book. You can start working with the Greater Angels immediately and everything you need is included here.The angels in this book can help you to develop and attract love, find harmony, increase fame, find strength, break through adversity, sleep well, heal yourself and obtain clear thought. There are angelic powers that enable you to invent, discover new methods, improve your business and find new supporters. You can free yourself of enemies and increase the loyalty of friends and lovers. The power to improve prosperity, win awards, write well, be stable, reduce anxiety, learn easily, understand in new ways and dominate strong personalities is at your hand. The angels can help you to excite new passion, discover more about yourself and see the past, present and future with clarity. Whether you are seeking fame, money, wisdom, healing or peace, the angelic powers can help you to improve your life in the ways that matter to you most.Although the same ritual technique from Magickal Angels is repeated here, the powers revealed are sometimes more subtle and precise, as well as being richer and more complex. That is why I refer to these as the 'greater' angels. It doesn't mean that they are necessarily better, but when used wisely they can have more far-reaching and long-lasting effects. Often, getting a magickal result requires a subtle, cunning and well-planned approach that occurs in stages. The angels in this book will help with your greater plans.This magick works regardless of your religion or beliefs. Hebrew words are used, along with Latin Psalms, because these are keys to angel magick. This does not make the magick Jewish or Christian. Aspects of those religious structures have been incorporated into the magick, because they are shortcuts to angelic contact. This magick is used by people of many religious backgrounds, and by atheists and by those who just sense there is something magickal going on out there.The angels will respond to any strong desire, and help you bring about change in the world. This book contains secrets that enable angelic contact to occur rapidly.You will discover:A method for empowering talismans and sigilsInformation on how to choose the right angelMethods for communicating more directly with angelsPerforming angel magick for other people. If you are serious about angelic work, this book can take your efforts to a much higher level.NOTE: If you own Magickal Angels the complete ritual is repeated here, so that new readers have access to that material. Be aware that when you buy this book, you are buying several chapters that you have already read. There is plenty of new information, however, as well as 48 new angels along with their sigils.

A new paradigm that delivers a genuine transformation of occultism. The author assumes no previous knowledge, only a willingness to explore what magick offers, yet it is apparent to anyone with a background in the subject that Alan Chapman is drawing on a wide range of experience, from classical Crowleyean Magick, to eastern metaphysics, and back again to the occult. Chapman's writing-style is humorous, direct, seductively logical, and his enthusiasm for the benefits of magick is both tangible and infectious. The novice magician will indeed find themselves equipped to commence all sorts of magickal operations: trance work, enchantment, divination, and even some of the higher forms of spiritual development. To experienced magicians, the challenge: he revitalises magick by cutting it free from the extreme relativism Chaos Magick bequeathed, provocatively redefining it as: the art, science and culture of experiencing truth.

The years since the financial crash have seen the realization dawn that the great promise of modern civilization will go unfulfilled. Study hard, work hard, buy a house, retire happy. It's all a lie, spun for the benefit of a tiny elite. The richest eighty-five people on earth have as much wealth as the poorest 3.5 billion. Each month, the numbers change but they never improve. Magical and spiritual discourse has failed to keep up with this new reality. The Chaos Protocols aims to fix that. Join Gordon White as he shows you how to use chaos magic not only to navigate these trying times, but to triumph as well. Discover how to become invincible through initiation, and wage the mind war that will keep you moving toward what you really want. From sigil magic to working with spiritual allies, The Chaos Protocols helps you act on the unwavering belief that your life should matter and you're not going to let something as trifling as the apocalypse get in the way of it. Praise: "Gordon White gives a master class on the hard economic realities and the kind of low down and dirty magic for which he has become famous. Pragmatic, sharp, and funny, The Chaos Protocols is a treasure of a book."—Peter Grey, author of Apocalyptic Witchcraft "Take two parts Magick Without Tears, a measure of The Wealth of Nations, a pinch of Ian Fleming and a dash of Noel Coward and you have this almost promiscuously readable text. Whoever said books on magick can't be fabulously entertaining as well as eminently practical has obviously not read up on their Gordon White. Remedy that situation."—Chris Knowles, author of The Secret History of Rock n' Roll and Our Gods Wear Spandex

The magick of demons can lead to a life of success, power and extraordinary peace. Demons will demolish enemies, enrich bold ventures, satisfy material desires, and provide you with wisdom, charisma, healing and persuasive dignity. The beauty of demonic magick is that spiritual growth arises from material pleasure. If these are works of darkness, they bring great light. Demons of Magick provides you with three rituals for working with the seventy-two demons of Goetia. The first method is a way to petition for a simple result. The second method is Connective Evocation, where you sense the presence of the demon, to obtain knowledge. The third method provides you with the instructions for a Full Evocation, with the demon brought to visible appearance. Each of the seventy-two demons is proficient in several areas, and all of their powers can be used alone or in combination. You have thousands of sophisticated powers at your disposal. Gordon Winterfield says, 'My intent in creating this book has been to offer something genuinely original, and unobtainable elsewhere, based on the wisdom of experienced, practicing occultists. I have no interest in peddling the same weary methods that can be found elsewhere. It is therefore unavoidable that the contents of this book will challenge much of what has been said on the subject. The magick in this book is a modernized, workable method, and will violently contradict many beloved theories and beliefs. This book may offend you, but if you are open-minded, I believe you will find a method that works for you quite readily.' You will discover: The secret Evocation Keys for attracting the demon to you. There is no such thing as a simple ritual to make you an overnight success. This is a system of magick. It is far more than a list of rituals that solve problems. You integrate a successful pathway into your life. The great secrets of magick were delivered to a genius mathematician in the sixteenth century. After that, the magick was locked away for many years, then found again and shared in secret. Occultists are beginning to unravel these secrets to the point where they have become practical. The methods described here are based on a lifetime studying and exploring success, combined with the wisdom of the Enochian Angels. Whether you are tired of the struggle, battling against competitors, finding it difficult to start or finish a project, uncertain of what to do with your life, or straining to get where you want to be, this book presents a form of magick that can unlock your dreams. Whatever your age or experience, and no matter what you have gone through before, it is never too early or too late to find success. From this point on, you can choose the life you have always wanted. With this magick, you can compress time, improve fortune, and open opportunity in a way that cannot happen without magick. Enochian Magick reveals an underlying power in the universe that can bring you the success you desire. This book shows every step you need to take. People may tell you that you cannot use Enochian Magick, but the angels said otherwise. They said that magick should be used. We were told to use this magick to understand and experience its power. That is what you can do now. You don't need any equipment or special magickal skills. You only need a private space where you can perform the magick. Centuries ago, in a set of strange and fascinating circumstances, the angels revealed an encoded magickal system to Doctor John Dee, a friend and advisor to Queen Elizabeth I. This secret magick was nearly taken by the flames of the Great Fire of London. It survived, and has slowly been recovered, examined, explored, and experienced. Enochian Magick is no longer a historical curiosity but the essence of practical magick. Give it your attention, and it can open you up to a life of success.

The Magickal Cashbook takes the most powerful occult systems and streamlines them into a fast, effective method for attracting money. Whether you want emergency cash or a strong financial future, this mix of ancient symbols and modern secrets gets wealth flowing into your life. The sigil and method contain built-in magickal protection, to ensure that no harm can come to you through this working.

• Explains how a Vampire is not a blood-sucking mythical figure but a shaman who is skilled in gathering, using, and storing energy for magical power and personal liberation • Reveals how to gather and store energy from the world around you and shares magical techniques, manifestation methods, and practices to utilize the energy you have collected • Looks at servitors and familiars, vampyric runes, dream architecture, money magick practices, and sex magick techniques as well as advanced practices such as healing with vampyric magick In this initiatory guide, Don Webb explains how to learn from the myth of the vampire to gather, use, and store energy for magical power, manifestation, and personal liberation. A Master of the Order of the Vampire within the Temple of Set, the author shares a 9-month process to awaken and initiate you as a Vampire and allow you to actualize your hidden potential. Webb begins by explaining how to gather energy from the world around you and store it in the body, in artifacts and talismans, and in groups of people, such as a coven. Through the 9 stages of initiation, the author offers guided magical techniques, manifestation methods, and experiments to utilize the energy you have learned to gather and store. He also examines familiars, Vampyric runes, money magick practices, and sex magic techniques. Sharing more advanced practices, Webb looks at the creation and destruction of egregores and how to fight off psychic vampires--those who steal your power and energies. Achieve greater self-knowledge, a deeper connection with the energies that surround you, and the power to manifest your deepest desires by walking the path of the Vampire.

The Little Black Book is a concise version of "The Grimoire of the Forty Servants" containing all relevant information you need to begin working with the system. It contains all the intro text, the full Servant descriptions and sigils, but leaves out the expensive to print full colour images, and the end reference tables. There's more to creative visualization than meets the eye! In this groundbreaking volume, first published in 1967, Ophiel lays out the 10 Laws of Creative Visualization. Once understood, they are as simple and as real as the laws of gravity or magnetism. In other words, they work. Ophiel tells us how to do -- and undo -- the magic of visualization. Whether we want a new job, a new house, a new relationship, or a warm coat -- we can manifest that which will create happiness and comfort in our lives. And, should we discover that we've gotten it wrong -- that we neither want nor need what we've visualized, there are techniques to undo what has been done. Along with the theory, Ophiel offers plenty of practice in working with symbols, visualizing physical reality, making a "treasure chart, " and understanding the role of emotion in visualization. Work with the symbols in the book and learn how to create your own. This is practical metaphysics at its best. Love spells are forever, but if you want the object of your affection to go away, Ophiel tells you how to do that as well.

Many people are interested in using thought power to manifest money, wealth, and prosperity in their lives. Unfortunately, they do not know that there is more out there to work with than just 'The Law of Attraction' or 'The Secret'. In this book you will discover the difference between thought forms and servitors and how you can create your own very powerful thought forms to manifest the material things that you desire. You will learn: - How to create a wealth building servitor, and how you can participate in a group-created wealth servitor which I refer to as the "MOLamp Experiment." - How thoughts create reality and how they create the objects and situations in all our lives. - What beliefs are, how to discover your own beliefs and how to change them. This definition and the techniques mentioned are quite different, at a fundamental level, from what many are now practicing. - About the Obtainability Factor, and how this seldom mentioned dynamic can make all the difference when it comes to your success in manifestation. - How synchronicity, omens, and meaningful coincidences play a major role in getting you what you want. - How to achieve a detached mental state that will allow you to relax and to attract luck into your life. - Why it is impossible to be happy, appreciative, and positive all the time and why you can't use the mind in this way to manifest the things that you desire. It is my hope that this book will be a valid resource for beginners and seasoned practitioners alike.

Blending together the essences of chaos magic and modern Paganism, this book records the emergence of the new tradition of Chaos Craft. Many of the essays presented here were first brewed in the cauldron of theblogofbaphomet.com. Others, published here for the first time, comprise the secret rituals of this unashamedly syncretic form of occultism. The potion you may sample inside is infused with the flavours of Gurdjieff, mindfulness meditation, trance-bodywork,entheogenics, Wiccan and Sabbatic Craft. The mixture has been diligently stirred widdershins for two years as the Wheel of the Year cycled through the Colours of Chaos. The explorations, the questions, the techniques and reflections presented here are part of an ongoing magical work. Like the figure of Baphomet himself (patron deity of Chaos Craft), the elixir pouring from this cauldron is redolent with the rich alchemy of what modern magicians do. Would you care for a sip?

This book is about real magick, effecting real change, in a real world. There are some books on magick that teach it purely as spiritual advancement. There are others that teach it as a form of psychological self-help that effects only inner change. While magick can and should be both of these, it is something more. The Sorcerer's Secrets is about success in practical magick; it is a book that aims at change in both the outer and inner worlds. Beyond a mere spell book or training course, The Sorcerer's Secrets is a field manual on successful sorcery written by a professional sorcerer. The first part of the book lays out the qualities, concepts, and exercises necessary to attempt practical magick. The second part presents clear strategies for tackling almost any type of issue with sorcery. In this book you will learn how to: Attack problems from multiple angles, not just by casting a spell. Blend mundane and magickal action to ensure success. Figure out whether what you are doing is working. Fix it if it isn't. Go beyond readings, into magickal intelligence-gathering. Influence the minds of other people. Work most effectively on behalf of others. The Sorcerer's Secrets will help rescue the art of Magick from those who have ignored, downplayed, or just outright denied the existence of practical sorcery in favor of arcane titles, intangible results, and fantasy attainments.

This book contains 77 sigils, seals and talismans, each printed on its own page (with nothing on the back), so you can use them easily in rituals. It was designed to be used by magickal workers who are familiar with Damon Brand's first seven books, released by The Gallery of Magick. This book contains all the ritual images from Magickal Cashbook, Wealth Magick, Magickal Angels, Magickal Seduction, Adventures In Sex Magick, The Magickal Job Seeker and Words of Power.You can photocopy the images, use them directly in the book or even cut the book up and use the sigils in your magickal work.Images that contain color - such as the red central seal on the sigils from Magickal Angels - have been printed with color. The book also contains colored versions of the Magickal Cashbook sigils, to help them blend with your cashbook, along with the newly revised version of the Nitika sigil.This book is not essential for students of Damon Brand, but was requested by many readers, because they lack quality printers, or because they wanted high-quality copies of the sigils.
