Turns out Maya is part of something much bigger than her human existence, and after a mysterious stranger saves her from an ambush at a party, he brings her into his world. And turns her world completely upside down. Brielle Atwater isn't sure of much, but she knows a few things: 1. Having black wings is not normal. 2. Selling her soul to the demons was a mistake. 3. Lincoln Grey is the biggest asshole she's ever met ... but not falling in love with him might prove impossible. When angels fell from the sky to war with the demons that ravaged Earth, their combined powers infected humanity. Now, the humans are assigned one of two fates, being either demon gifted or angel blessed. After wings sprout from Brielle's back at her awakening ceremony, she's sure she's an angel blessed celestial. It's not until she sees black wings that she realizes something is terribly wrong. Having sold her contract at a young age to save her father's life means she should be bound for Tainted Academy. That is, until a fallen angel unexpectedly fights for her to be accepted into Fallen Academy, the elite school for those that inhabit Angel City. She's immediately matched with her impossibly handsome celestial teacher, Lincoln Grey. Laying eyes on him, her first thought is that her time at the academy might actually

be fun, but this theory quickly fades when she and Lincoln clash on day one. To further prove her admission into Fallen Academy is cursed, the entire school is thrown into chaos when an Abrus demon reveals that he knows Brielle's secret. Now, above all else, Lincoln must fight to protect her. To his surprise, the only thing more difficult than trying to save her ... is trying not to fall for her.

It all started with a dare. A single dare on Maisey Parker's twenty first birthday and her entire life changed. One second she was getting drunk with her friends, and the next she was climbing a cliff, cutting her hand, and accidentally offering a blood sacrifice that opened a thousand year old prison. A prison that contained the only living Titan. One too powerful to kill. One that wants nothing to do with being attached to Maisey. Cronus has an old score to settle with the Greek Pantheon. Lucky she has some sick days saved up at work, because Maisey is dragged along whether she likes it or not. A decision Cronus no doubt regretted right around the time she makes a colossal mistake, unleashing an untold evil on the world. Now they're in a race against the clock to resurrect the other Titans, the only beings who can contain the evil. They're the world's last hope. And Maisey's. Vampires are the spawn of the devil. Evil to the core... or so I thought, until one of them saves my life. As a member of the House of Rose, a division of the Vampire Hunter Society, I've got one of the highest kill

Luka Drake isn't like the vampires I've been hunting for the past five years, and despite the fact that he's a vampire prince fresh out of Magic City Prison for committing God knows what crime, I can't kill him. My only other option is to walk away and pretend our paths never crossed. I'm about to pull it off but Luka pulls me back, and in the worst way possible, in a way that changes everything.
