Under the pseudonym Eza Boto, Mongo Beti wrote Ville cruelle (Cruel City) in 1954 before he came to the world's attention with the publication of Le pauvre Christ de Bomba (The Poor Christ of Bomba). Cruel City tells the story of a young man's attempt to cope with capitalism and the rapid urbanization of his country. Banda, the protagonist, sets off to sell the year's cocoa harvest to earn the bride price for the woman he has chosen to wed. Due to a series of misfortunes, Banda loses both his crop and his bride to be. Making his way to the city, Banda is witness to a changing Africa, and as his journey progresses, the novel mirrors these changes in its style and language. Published here with the author's essay "Romancing Africa," the novel signifies a pivotal moment in African literature, a deliberate challenge to colonialism, and a new kind of African writing.

When Andre Sloga, a once-gifted and controversial author, is found brutally beaten and left for dead in the basement of an apartment building in the south of Paris, P.I. Gabriel Lecouvreur must unmask a killer deep within Paris's political underworld. Original.

From the New York Times bestselling author of Leaving the World and The Moment comes the riveting story of a luckless college professor for whom Paris becomes a city of mortal danger. A runaway bestseller in the UK and France that has been made into a film starring Ethan Hawke and Kristin Scott Thomas, this suspenseful tour de force from the internationally renowned Douglas Kennedy is the quintessential sophisticated commercial novel. Harry Ricks is a man who has lost everything. A romantic mistake at the small American college where he used to teach has cost him his job, his marriage, and the love of his only child. Hounded by scandal, he flees to Paris, where a series of accidental encounters lands him in a grubby room with a job as night watchman for a sinister operation. Just when he begins to think he has hit rock bottom, romance enters his life in the form of Margit—a cultivated, widowed Hungarian émigré who shares Harry's profound loneliness but who keeps her distance, remaining guarded about her past. As Harry wrestles with Margit's reticence, he begins to notice

that all those who have recently done him wrong are meeting unfortunate ends—and it soon becomes apparent that he has stumbled into a nightmare from which there is no escape. The Woman in the Fifth further establishes Douglas Kennedy as an author who “always has his brilliant finger on the entertaining parts of human sorrow, fury, and narrow escapes” (Lorrie Moore).

Murder in Memoriam

These are turbulent times in the world of book publishing. For nearly five centuries the methods and practices of book publishing remained largely unchanged, but at the dawn of the twenty-first century the industry finds itself faced with perhaps the greatest challenges since Gutenberg. A combination of economic pressures and technological change is forcing

publishers to alter their practices and think hard about the future of the books in the digital age. In this book – the first major study of trade publishing for more than 30 years – Thompson situates the current challenges facing the industry in an historical context, analysing the transformation of trade publishing in the United States and Britain since the 1960s. He gives a detailed account of how the world of trade publishing really works, dissecting the roles of publishers, agents and booksellers and showing how their practices are shaped by a field that has a distinctive structure and dynamic. This new paperback edition has been thoroughly revised and updated to take account of the most recent developments, including the dramatic increase in ebook sales and its implications for the publishing industry and its future.

Jean-Baptiste Adamsberg is not like other policemen. His methods appear unorthodox in the extreme: he doesn't search for clues; he ignores obvious suspects and arrests people with iron-clad alibis; he appears permanently distracted. The Chalk Circle Man is the first book featuring Jean-Baptiste Adamsberg, one of the most engaging characters in contemporary detective fiction. When

strange, blue chalk circles start appearing overnight on the pavements of Paris, the press take up the story with amusement and psychiatrists trot out their theories. Adamsberg is alone in thinking this is not a game and far from amusing. He insists on being kept informed of new circles and the increasingly bizarre objects which they contain: empty beer cans, four trombones, a pigeon's foot, four cigarette lighters, a badge proclaiming "I Love Elvis," a hat, a doll's head. Adamsberg senses the cruelty that lies behind these seemingly random occurrences. Soon a circle with decidedly less banal contents is discovered: the body of a woman with her throat savagely cut. Adamsberg knows that other murders will follow.

La main courante est ce registre sur lequel, dans les commissariats de police, on inscrit brièvement les incidents enregistrés heure par heure, comme une mémoire quotidienne de tragédies minuscules. Et les lieux, chargés d'histoires, deviennent les métaphores des drames qu'ils abritent parce que ceux-ci s'y ancrent au point d'en être indissociables. On passe du lieu au lieu commun du fait divers. Vingt nouvelles pour prendre le pouls de la ville, et huit récits pour révéler les

abîmes au creux desquels le passé se terre, un ensemble tonique et stimulant.

Winner of the Prix Goncourt A New York Times Notable Book of the Year The setting may be the rainy lower Loire Valley of the 1950s, but it is the WW I battlefields of Artois, Meuse, Lorraine, and Yser that form the emotional backdrop to this poignant testament to the vitality of life that death cannot dim. Fields of Glory begins as a collection of utterly

charming reminiscences of the eccentricities of family elders told by an unnamed and indeterminately aged narrator. In pure and graceful prose, Rouaud describes crotchety grandfather Burgaud with his equally difficult car, a cramped and leaky CV2, and maiden great-aunt Marie with her card file of saints—"A prefatory catalogue of terrifying symptoms refers the reader to the saint specializing in the corresponding disorder. The work of a lifetime." It is in the midst of this comedy of daily life that the melancholy subtext of three generations slowly emerges: the stories of the two young men who were casualties of the Fields of Glory and the family that remains to remember them.

A groundbreaking science fiction novelette from the early days of Galaxy magazine—plus a new foreword by Paul Di Filippo. Appearing in the second issue of Galaxy dated November 1950, Honeymoon in Hell showcased the magazine's distinctive identity as opposed to other publications of its time—darker, more socially aware, sometimes sexually frank in ways that were shocking for the era. Dealing with copulation and its desired consequences, Honeymoon in Hell avoided euphemisms—and used a satirical attack that parodied magazine taboos. The covers of pulp magazines depicted monsters putting near-naked females in peril, but the narratives under the cover offered no equivalent. Brown's hastily married couple, sent to the moon to see if they can

breed a male child—all births on Earth over recent months having been female—encounter problems emotional as well as practical. This book includes both the landmark novelette and a new foreword by Paul Di Filippo. About the series: Debuting in 1950, Galaxy was science fiction's most admired, widely circulated, and influential magazine, known for publication of full-length novels, novellas, and novelettes by giants in the field. The Galaxy Project is a selection of the best of Galaxy, with new forewords by some of today's top writers. Initial selections include work by Ray Bradbury, Fredric Brown, Lester del Rey, Robert A. Heinlein, Damon Knight, C. M. Kornbluth, Walter M. Miller, Jr., Frederik Pohl, Robert Sheckley, Robert Silverberg, William Tenn (Philip Klass), and Kurt Vonnegut. Foreword contributors include Paul Di Filippo, David Drake, John Lutz, Barry N. Malzberg, and Robert Silverberg. The Galaxy Project is committed to publishing new work in the spirit of Galaxy magazine and its founding editor, H. L. Gold In the last twenty years the concept of the quotidien, or the everyday, has been prominent in contemporary French culture

and in British and American cultural studies. This book provides the first comprehensive analytical survey of the whole field of approaches to the everyday. It offers, firstly, a historical perspective, demonstrating the importance of mainstream and dissident Surrealism; the indispensable contribution, over a 20-year period (1960-80), of four major figures: Henri Lefebvre, Roland Barthes, Michel de Certeau, and Georges Perec; and the recent proliferation of works that investigate everyday experience. Secondly, it establishes the framework of philosophical ideas on which discourses on the everyday depend, but which they characteristically subvert. Thirdly, it comprises searching analyses of works in a variety of genres, including fiction, the essay, poetry, theatre, film, photography, and the visual arts, consistently stressing how explorations of the everyday tend to question and combine genres in richly creative ways. By demonstrating the enduring contribution of Perec and others, and exploring the Surrealist inheritance, the book proposes a genealogy for the remarkable upsurge of interest in the everyday since the 1980s. A second

main objective is to raise questions about the dimension of experience addressed by artists and thinkers when they invoke the quotidien or related concepts. Does the 'everyday' refer to an objective content defined by particular activities, or is it best thought of in terms of rhythm, repetition, festivity, ordinariness, the generic, the obvious, the given? Are there events or acts that are uniquely 'everyday', or is the quotidien a way of thinking about events and acts in the 'here and now' as opposed to the longer term? What techniques or genres are best suited to conveying the nature of everyday life? The book explores these questions in a comparative spirit, drawing new parallels between the work of numerous writers and artists, including André Breton, Raymond Queneau, Walter Benjamin, Michel Leiris, Maurice Blanchot, Michel Foucault, Stanley Cavell, Annie Ernaux, Jacques Réda, and Sophie Calle. When a Parisian town crier receives anonymous, ominous messages warning of an imminent outbreak of the Black Death, genius detective Commissaire Adamsberg and his straight-edged sidekick, Danglard, begin to suspect that the

predictions are linked to strange marks that have appeared on doorways, a mystery that is complicated by a suspicious death. Original. 25,00 first printing.

Black Paris documents the struggles and successes of three generations of African writers as they strive to establish their artistic, literary, and cultural identities in France. Based on long-term ethnographic, archival, and historical research, the work is enriched by interviews with many writers of the new generation. Bennetta Jules-Rosette explores African writing and identity in France from the early négritude movement and the founding of the Présence Africaine publishing house in 1947 to the mid-1990s. Examining the relationship between African writing and French anthropology as well as the emergence of new styles and discourses, Jules-Rosette covers French Pan-Africanism and the revolutionary writing of the 1960s and 1970s. She also discusses the new generation of African writers who appeared in Paris during the 1980s and

1990s.

“Wildly imaginative.”—The New York Times “Adamsberg is a terrific creation and his team of misfits a joy to watch in action.”—Peter Robinson, New York Times bestselling author of the Inspector Banks series As the chief of police in Paris’s seventh arrondissement, Commissaire Adamsberg has no jurisdiction in Ordebec. Yet, he cannot ignore a widow’s plea. Her daughter Lina has seen a vision of the Ghost Riders with four nefarious men. According to the thousand-year-old legend, the vision means that the men will soon die a grisly death. When one of them disappears, Adamsberg races to Ordebec, where he becomes entranced by the gorgeous Lina—and embroiled in the small Normandy town’s ancient feud.

Retrouvez dans cette analyse approfondie de Cannibale de Didier Daeninckx tout ce que vous devez savoir sur ce bestseller ! En Nouvelle-Calédonie, le vieux Gocéné entreprend de raconter son histoire à deux jeunes rebelles. En 1931, il faisait partie du groupe de Kanaks désignés pour partir à Paris et représenter leur tribu lors de l'Exposition coloniale. Présentés comme des cannibales dans un zoo humain, les Kanaks sont divisés à leur arrivée en France, une partie du groupe faisant l'objet d'un échange avec un cirque allemand afin de remplacer les crocodiles morts peu de temps avant leur arrivée. Séparé de sa bien-aimée Minoé, Gocéné relate le périple qu'il entreprend avec son ami Badimoin pour la retrouver et rentrer en Nouvelle-Calédonie parmi les siens. Que contient cette analyse d'oeuvre ? Après avoir détaillé la biographie

de Didier Daeninckx, Tina Van Roeyen nous transporte directement au sein de l'histoire de Cannibale, qu'elle résume fidèlement. Elle se penche ensuite sur le contexte qui a vu naître ce roman, l'histoire de la Nouvelle-Calédonie et les revendications indépendantistes qui secouent l'île, ainsi que l'Exposition coloniale de 1931 à Paris. Les personnages du roman, Gocéné, Badimoin et Francis Caroz, sont alors soumis à une analyse rigoureuse. Vient ensuite l'étude des thématiques principales de l'œuvre : le fait divers au service de la littérature, le roman policier, un rapport faussé à l'autre et un pamphlet anticolonialiste. L'analyse du style de Didier Daeninckx fait l'objet du chapitre suivant, tandis que l'étude de la réception de cette œuvre clôt l'analyse littéraire.

Crisis and Renewal in France, 1918-1962

Since 1914, the French state has faced a succession of daunting and at times almost insurmountable crises. The turbulent decades from 1914 to 1969 witnessed near-defeat in 1914, economic and political crisis in 1926, radical political polarization in the 1930s, military conquest in 1940, the deep division of France during the Nazi Occupation, political reconstruction after 1944, de-colonization (with threatening civil war provoked by the Algerian crisis), and dramatic postwar modernization. However, this tumultuous period was not marked just by crises but also by tremendous change. Economic, social and political "modernization" transformed France in the twentieth century, restoring its confidence and its influence as a leader in global economic and political affairs. This combination of crises and renewal has received surprisingly little attention in recent years. The present collection show-cases significant new scholarship, reflecting greater access to French archival sources, and focuses on the role of crises in fostering modernization in areas covering politics, economics, women, diplomacy and war.

A severed head is found on the Greek border near a wall planned to stop Middle Eastern immigrants crossing from Turkey. Intelligence Agent Evangelos wants the truth about the murder, human trafficking into Greece, and about the corruption surrounding the wall's construction. It is a mystery novel and a political thriller but more importantly it evokes the problems of the West incarnated in Greece: isolationism, fear of immigration, economic collapse, and corruption. While dark, it is also poetic and paints an indelible portrait of Athens, with its mixed fragrances of eucalyptus, freshly baked bread, and cigarette smoke.

Analyse : Nouvelles

Their generation was anything but lost, at least in the beginning. Filled with fiery ambition and idealistic to a fault, they found their voice in the Paris of 1968 and were intent on exposing the powers of repression and the demons of Western capitalism (and what, really, was the difference?)?by any means. But the acts of violence misfired, the principles of Marxism and Maoism became emptied of meaning, and the casualties mounted. The protagonist Martin is now middle-aged; his group, ?The Cause,? is disbanded; his best friend has committed suicide; and he finds he must try to explain to the man?s daughter who they were, what they thought they were doing, and what happened. ø Paper Tiger takes place during one night that this unlikely couple spends driving around Paris as they revisit a somewhat distant past. This odyssey is adroitly evoked by Rolin's long, fluid sentences as they reflect the car?s route past the sundry

signs of the past and advertisements of the present dotting the Paris beltway. ø This prize-winning novel by one of France's most acclaimed writers tells, through Martin, the elegiac story of a whole generation's coming of age.
