NEW YORK TIMES BESTSELLER □ A modern American epic set against the panorama of contemporary politics and culture—a hurtling, page-turning mystery that is equal parts *The Great Gatsby* and *The Bonfire of the Vanities* NAMED ONE OF THE BEST BOOKS OF THE YEAR BY NPR □ PBS □ HARPER'S BAZAAR □ ESQUIRE □ FINANCIAL TIMES □ THE TIMES OF INDIA On the day of Barack Obama's inauguration, an enigmatic billionaire from foreign shores takes up residence in the architectural jewel of "the Gardens," a cloistered community in New York's Greenwich Village. The neighborhood is a bubble within a bubble, and the residents are immediately intrigued by the eccentric newcomer and his family. Along with his improbable name, untraceable accent, and unmistakable whiff of danger, Nero Golden has brought along his three adult sons: agoraphobic, alcoholic Petya, a brilliant recluse with a tortured mind; Apu, the flamboyant artist, sexually and spiritually omnivorous, famous on twenty blocks; and D, at twenty-two the baby of the family, harboring an explosive secret even from himself. There is no mother, no wife; at least not until Vasilisa, a sleek Russian expat, snags the septuagenarian Nero, becoming the queen to his king—a queen in want of an heir. Our guide to the Golden's world is their neighbor René, an ambitious young filmmaker. Researching a movie about the Golden's, he ingratiates himself into their household. Seduced by their mystique, he is inevitably implicated in their quarrels, their infidelities, and, indeed, their crimes. Meanwhile, like a bad joke, a certain comic-book villain embarks upon a crass presidential run that turns New York upside-down. Set against

the strange and exuberant backdrop of current American culture and politics, *The Golden House* also marks Salman Rushdie's triumphant and exciting return to realism. The result is a modern epic of love and terrorism, loss and reinvention—a powerful, timely story told with the daring and panache that make Salman Rushdie a force of light in our dark new age. Praise for *The Golden House* “[A] modern masterpiece . . . telling a story full of wonder and leaving you marveling at how it ever came out of the author's head.”—Associated Press “Wildly satiric and yet piercingly real . . . Let Her Fly traces the inspirational journey of Malala Yousafzai's father, Ziauddin, from a boy in Shangla to a man who broke with tradition and proves there are many faces of feminism. With humor and sincerity, Yousafzai describes his life before the Talibanization of Mingora, scenes of his sons Khusal and Atal fighting kites on the roof, his progressive partnership with his wife Toor Pekai, and the challenge of raising children in an unfamiliar country. After Malala was shot by the Taliban, the Yousafzai family was completely uprooted from their home in the Swat Valley and forced to start over in the United Kingdom. Now, Ziauddin expresses the complex pain and joy of his return, six years later, to the site of Malala's attack. Let Her Fly is an intimate family portrait by the father of one of the most remarkable leaders in the world today. Ziauddin and Toor Pakai have set a singular example for parents who hope to empower their children to make a difference. Let Her Fly will resonate with anyone who has ever cared for a child, as Ziauddin Yousafzai shares what he's learned from his children, and what he hopes to teach the world.

This Step 4 Biography Reader shares the inspiring story of Malala Yousafzai, the youngest recipient of the Nobel Peace Prize. Even as a young girl in Pakistan, Malala spoke up about the importance of girls' education, via speeches and a blog. Since the Taliban regime was intent on denying girls an education and silencing anyone who disagreed with their laws, this was very dangerous. Malala was shot, but she survived the attack and it did not silence her. In fact, she spoke at the United Nations on her sixteenth birthday, just nine months after she was shot. In this powerful book, Nobel Peace Prize winner and New York Times bestselling author Malala Yousafzai introduces the

people behind the statistics and news stories about the millions of people displaced worldwide. After her father was murdered, María escaped in the middle of the night with her mother. Zaynab was out of school for two years as she fled war before landing in America. Her sister, Sabreen, survived a harrowing journey to Italy. Ajida escaped horrific violence, but then found herself battling the elements to keep her family safe. Malala's experiences visiting refugee camps caused her to reconsider her own displacement — first as an Internally Displaced Person when she was a young child in Pakistan, and then as an international activist who could travel anywhere in the world except to the home she loved. In *We Are Displaced*, Malala not only explores her own story, but she also shares the personal stories of some of the incredible girls she has met on her journeys — girls who have lost their community, relatives, and often the only world they've ever known. In a time of immigration crises, war, and border conflicts, *We Are Displaced* is an important reminder from one of the world's most prominent young activists that every single one of the 68.5 million currently displaced is a person — often a young person — with hopes and dreams. "A stirring and timely book." —New York Times
