

## Manderley

*"Married to the sophisticated, wordly-wise Maxim, the second Mrs de Winter's life should be happy and fulfilled. But the vengeful ghost of Rebecca, Maxim's first wife, continues to cast its long shadow over them. Back in England after an absence of over ten years, it seems as if happiness will at last be theirs. But the de Winters still have to reckon with two hate-consumed figures they once knew - both of whom have very long memories..."* -- Provided by publisher.

La seconda signora de Winter ha tutto: la giovinezza, l'avvenenza - i capelli a caschetto, le guance rosee senza bisogno di belletto -, l'ingenuità che, coniugata ai tratti sognanti, ha tutto l'aspetto di un'innocenza profonda, di un candore angelico. Ha un marito ricco ed elegante, Maxim, al cui fascino certe ripetute reticenze regalano un'intensità magnetica. E ora, grazie al matrimonio, ha una magione principesca in Cornovaglia, Manderley, silenziosa e piena di segreti, con le pietre grigie delle pareti che sfavillano al chiaro di luna e le finestre che riflettono il verde dei prati. Solo un'ombra le impedisce di essere davvero felice. Rebecca, la prima moglie. Lo spettro di Rebecca - evocato senza requie dalla governante di Manderley, Mrs Danvers, oscura presenza allignata in ogni angolo della grande casa - tormenta la nuova signora de Winter, corrompendo le dolcezze della sua vita coniugale: ogni cosa a Manderley sembra ricordarle che non sarà mai bella come Rebecca, intelligente come Rebecca, amata come Rebecca. E quando, poco dopo la luna di miele, Maxim sembra allontanarsi da lei, la fiaba minaccia di trasformarsi nel più cupo dei tormenti. Scrittrice la cui raffinatezza non si discosta mai da uno sferzante sarcasmo, illuminato da bagliori di autentica ferocia, Daphne Du Maurier trasforma un intreccio melodrammatico, memore dei romanzi neri di Ann Radcliffe, in un inesorabile marchingegno a orologeria, in giallo il cui mistero più insondabile è la narratrice stessa, che rimane sempre senza nome. Fu forse questa radicale ambiguità, questo saper trasformare le favole in incubi, che tanta presa fece sull'immaginazione di Hitchcock, il quale - pur non a suo agio con gli aspetti sentimentali del romanzo - seppe trarre da questa storia un film angosciante e claustrofobico, che dispiega ogni artificio cinematografico per accrescere la sensazione di straniamento della protagonista, una giovanissima Joan Fontaine, e insieme dello spettatore. Sullo schermo come sulla pagina, alle stanze e ai corridoi labirintici di Manderley, ai suoi segreti, non si può fare a meno di tornare.

*Last night I dreamt I went to Manderley again. I stood in front of the iron gates at the beginning of the drive. When I had first seen those gates, they had been open wide to welcome me. Now, in my dream, they were closed. Behind them, the drive went on to Manderley.In my dream, I was able to pass through the closed gates. I walked up the long winding drive. The trees and flowers grew near to the drive and grass almost covered it. As I came to the last bend of the drive, I felt the old excitement. I was near to Manderley again. At last, I could see Manderley. The old house was as beautiful as ever.It was moonlight in my dream. The pale light shone on the windows and grey stone walls of the old house. And in my dream I saw the sea. It was silent and smooth as glass. For a moment, the house seemed full of light. I thought that we were living there, happy and secure.The moonlight shone more clearly. Now I saw that Manderley was an empty shell. Only the grey stone walls remained standing. No one would ever live there again. We would never-live there happily, Maxim and I. We would never live there free of Rebecca, free from thoughts of the past.*

Dreaming of Manderley

Tatiana de Rosnay et Daphné du Maurier : deux femmes prises par une même passion romanesque. Depuis longtemps fascinée par l'auteur de Rebecca, l'auteur du best-seller Elle s'appelait Sarah, lue dans le monde entier, a voulu percer le mystère de cette jeune fille à l'allure sage dont l'univers si particulier l'a marquée, comme des milliers de lecteurs, et a inspiré à Alfred Hitchcock ses plus grands films. Car, à l'image de ses personnages, Daphné du Maurier cultivait le secret et le trouble : issue d'une famille d'artistes, elle doit affronter son père, célèbre acteur de l'époque, et son grand-père, romancier et ami d'Henry James, pour réaliser son désir d'écrire dans la pudique Anglettere victorienne. Un désir qu'elle accomplira en s'affranchissant de sa famille et en exprimant toute l'ambiguité de sa personnalité au fil de romans qui sont autant de chefs-d'oeuvre. De Mayfair à Kilmarth, la maison du bord de l'océan, en passant par Menability, manoir de Cornouailles pour lequel la romancière nourrissait une passion dévorante, Tatiana de Rosnay, elle-même d'origine anglaise, s'est littéralement mise dans la peau de Daphné du Maurier. Plus qu'une simple biographie, son livre est une rencontre où s'opère toute la magie du roman : Manderley for ever.

Cindy Ellis has plans for her life that do not include working in her stepmother's spa. When she gets a scholarship to Manderley, Cindy thinks her dreams are finally coming true. Filled with visions of an Ivy League education and a fabulous new life, she can't wait to leave Castle High behind and get started. If only she didn't have to leave her two BFFs as well, it would be perfect. When the school's drop-dead gorgeous transfer student and star soccer player, Marco, notices her on the first day of school, it almost is.But that's where the fairy tale ends...because, once inside the hallowed halls with classes in full swing, Cindy sticks out like a generic brand among designer labels. Tormented by her snotty stepsisters and without her best friends for support, she begins to wonder if Manderley Prep is really all it's cracked up to be. But when Cindy meets sweet-but-spoiled Victoria and Scott, who are itching to give her a makeover, she might jut find some new BFFs, too. And after a true fairy-tale moment with Marco, maybe even a BF...

“Humor, heat, and a sexy Frenchman” kick off this series of once-rich, now-poor sisters who must blaze their own trails to happily ever after (Helen Hardt, #1 New York Times bestselling author). Manderley Maxwell has always been the dependable, hard-working one while her younger sisters live A-list lives, courtesy of their family fortune . . . until it’s suddenly lost, leaving behind a truckload of debt! Now Mandy is faced with two choices: play perpetual caretaker to her spoiled siblings, or finally break out of her predictable routine—by way of France . . . When Mandy’s boss relocates for the summer, Mandy is really just trading in coffee runs for running errands through the streets of Cannes—until handsome, debonair Girard Fortune Xavier de Maloret sweeps her off her feet—by saving her from falling off a cliff. Mandy’s walking on air—except that she’s living in the chic shadow of the first Madame de Maloret, complete with whispers about the suddenly secretive Xavier’s part in her disappearance. Again, Mandy has two choices: be the unfortunate, duped American—or the gutsy, fierce woman who’ll track down the truth in the name of true love . . . “An exquisitely written tale filled with such depth and detail, you’ll hate to see the last page turned.”—Cindy Miles, USA Today bestselling author “Poignant, character-driven storytelling at its finest.”—Renee Ryan, Daphne du Maurier Award-winning author “Superb suspenseful writing and just enough twists and turns to keep the reader interested without an overdose of angst.”—USA Today, Happy Ever After

Original and imaginative . . . Ripping suspense, sheer terror, and a wrenching love story.

Sandra Brown, New York Times bestselling author of Friction

The terrible truth about Manderley is that someone is always watching. Manderley Resort is a gleaming, new twenty-story hotel on the California coast. It’s about to open its doors, and the world—at least those with the means to afford it—will be welcomed into a palace of opulence and unparalleled security. But someone is determined that Manderley will never open. The staff has no idea that their every move is being watched, and over the next twelve hours they will be killed off, one by one. Writing in the tradition of Edgar Allan Poe and Stephen King, and with a deep bow to Daphne du Maurier, author Gina Wohlsdorf pairs narrative ingenuity and razor-wire prose with quick twists, sharp turns, and gasp-inducing terror. Security is grand guignol storytelling at its very best. A shocking thriller, a brilliant narrative puzzle, and a multifaceted love story unlike any other, Security marks the debut of a fearless and gifted writer. Be surprised, be very surprised: Gina Wohlsdorf brings more than just plot twists and a terrifically tender love story to this thriller . . . It’s her playful homage to Hitchcock and du Maurier that had me reading, howling, and just plain loving this novel.

Sara Gruen, author of At the Water’s Edge

Grand Hotel meets Psycho in the age of surveillance . . . Security is cinematically vivid, crisply written, and sharp enough to cut . . . Wohlsdorf brilliantly subverts our expectations of the action genre in this smart, shocking, poignant thriller.

Emily Croy Barker, author of The Thinking Woman’s Guide to Real Magic

The thrill of this novel goes beyond its wickedly clever, split-screen, high-tech wizardry—a kind of video gamer’s literary retake of Hitchcock’s Rear Window—and emanates from its strange, disembodied narrator . . . The effect is terrifying, sexy, dizzying, and impossible to look away from.

Tim Johnston, author of Descent

Shocking and filled with Tarantino-ish dark humor. . . Structurally reminiscent of the amazing Jennifer Egan,Wohlsdorf’s book is certainly a hybrid, like nothing else. Get ready.

Ann Beattie, author of The State We’re In

Flawless . . . Security is perfectly tuned for blockbuster status . . . They don’t make a hotel big enough to house all the people who will want to read this, and soon, as in Manderley, all eyes will be on Wohlsdorf.

Daniel Kraus, Booklist, starred review

The classic Gothic suspense novel by Daphne du Maurier -- winner of the Anthony Award for Best Novel of the Century -- is now a Netflix film starring Lily James and Armie Hammer. Last night I dreamt I went to Manderley again . . . The novel begins in Monte Carlo, where our heroine is swept off her feet by the dashing widower Maxim de Winter and his sudden proposal of marriage. Orphaned and working as a lady’s maid, she can barely believe her luck. It is only when they arrive at his massive country estate that she realizes how large a shadow his late wife will cast over their lives--presenting her with a lingering evil that threatens to destroy their marriage from beyond the grave. *The nonfiction debut from beloved international sensation and #1 New York Times bestselling author Tatiana de Rosnay: her bestselling biography of novelist Daphne du Maurier. "It's impressive how Tatiana was able to recreate the personality of my mother, including her sense of humor. It is very well written and very moving. I'm sure my mother would have loved this book." — Tessa Montgomery d'Alamein, daughter of Daphné du Maurier, as told to Pauline Sommelet in Point de Vue As a bilingual bestselling novelist with a mixed Franco-British bloodline and a host of eminent forebears, Tatiana de Rosnay is the perfect candidate to write a biography of Daphne du Maurier. As an eleven-year-old de Rosnay read and reread Rebecca, becoming a lifelong devotee of Du Maurier's fiction. Now de Rosnay pays homage to the writer who influenced her so deeply, following Du Maurier from a shy seven-year-old, a rebellious sixteen-year-old, a twenty-something newlywed, and finally a cantankerous old lady. With a rhythm and intimacy to its prose characteristic of all de Rosnay's works, Manderley Forever is a vividly compelling portrait and celebration of an intriguing, hugely popular and (at the time) critically underrated writer. Selected by Robert Pinsky as one of five volumes published in 2001 in the National Poetry Series In the Manderley of Rebecca, Daphne du Maurier’s forbidding haven of mocking ghosts and secrets that refuse to remain buried, nothing is as it seems. So in this stunning debut collection by Rebecca Wolff, cities, partners, mothers, sisters, friends, and perfect strangers all disguise their true faces, while they who seek connection are “transported from one great gaping / hole in the fabric / of our knowledge to another.” No passage is too dark, no garden too tangled for the troubled dreamer of Manderley. Wolff turns a quicksilver gaze on a fluid world where both the real and the imaginary are transfigured. Tempering steely candor with a sophisticated delight in wordplay, these poems turn on a dime from the sensual to the eerie, the resigned to the hopeful, the comforting to the shocking. Each poem weaves together layers of dream, remembrance, and fantasy, distilling from romantic excess a gritty, spare language of truth-telling and surprise

Patricia Esteban Erlés es la primera dama de una obra tan oscura como apasionante, construida a lo largo de los años y los títulos. Su mirada única y su voz magistral le han convertido en referente del universo fantástico en español. Los cuentos de Manderley en venta abren la puerta a obsesiones con el espacio doméstico, el extrañamiento de la rutina, el juego gótico, fantasmal y negro de lo insólito, la inquietud de la normalidad. Un libro indispensable para acceder a uno de los mundos más singulares de la literatura actual. Nadie hace lo que hace ella. Que se lo digan a las hermanas gemelas o a las muñecas que acaban encerradas en sus páginas. Tengan cuidado con este libro. En Manderley entramos todos. "Cuando lei Manderley en venta recordé aquel cuento memorable de Música para camaleones, "Una luz en la ventana", pues Manderley en venta es un frigorífico lleno de historias que no quieren ser otra cosa que los gatos congelados de cada casa, de cada pareja y de cada familia. Patricia Esteban Erlés es -para mí- la gran revelación literaria." Fernando Iwasaki "Sus cuentos son de lo mejor que he leído de un escritor joven en los últimos años: piezas de antología, verdaderamente intensas, de autor grande. Construye un relato perfecto, clásico, a la vez que sorprende con hallazgos poderosos, inquietantes. Sus lectores, el cuento y la literatura, todos salimos ganando." Hipólito G. Navarro.
