*Learn how to tackle the hardest parts of taking a test—stress, anxiety, self-doubt—with Beyond the Content. In this quick read, you'll learn how mindfulness can help you conquer the voices in your head, study better, and approach the test with confidence. Most test prep books, textbooks, and classes miss the mark by only focusing on strategy and content. This essential guide tackles the other half of test prep: mindfulness and your mental performance. Mindfulness is widely embraced in the business and athletic communities as a valuable technique to optimize performance. Author Logan Thompson, an expert in both test prep and mindfulness, says that it's about time the test prep community embraces it as well. In the book, Thompson explains, "The other half of test prep is the world of fleeting thoughts and emotions, always flickering, always murmuring inside your head, usually going unnoticed and unremarked upon. They shape our perceptions and perspectives. And, they dictate our performance on tests. The other half of test prep is happening all the time, whether we like it or not. Your mental and emotional state, your surfacing memories, your underlying beliefs are always there. The good news is that, by acknowledging the other half of test prep, exploring it, and working with it, you can gain access to your full potential."*

*This book is designed to be used in conjunction with the Official Guide for GMAT Review, 2015 and 13th Editions. In the Official Guide Companion, each math question is broken down and explained by our expert instructors, who not only have 99th percentile scores, but years of experience teaching the GMAT. The explanations in this book provide detailed, step-by-step approaches to every Problem Solving and Data Sufficiency question in the Official Guide. Where appropriate, The Official Guide Companion also details more than one way to arrive at the solution. And perhaps most importantly, all explanations are accessible and provide a framework for answering the particular question as well as similar questions you may see on the real test. Purchase of this book includes six months of online access to 6 full-length, computer-adaptive practice exams and GMAT Navigator.*

This unique product gets students comfortable with the GMAT's laminated scratch paper and special marker, a disconcerting feature of the actual test. This essential preparation tool helps you become comfortable with the laminated scratch paper and marker that you will be given when you take an Official GMAT. The Test Simulation Booklet consists of five laminated double-sided pages and is virtually identical to the booklet provided at official GMAT testing centers. A non-permanent marker of the same type used for the GMAT is included. You can erase your work using a damp paper towel.

The GMAT Roadmap guide provides the definitive blueprint for students to follow as they get ready for the GMAT. All the test-taking wisdom gathered over the years by Manhattan Prep GMAT instructors has been distilled into practical advice and helpful tips. Success of the GMAT requires far more than content knowledge – it requires excellent strategy and proper execution of that strategy. The Guide helps students map out their studying, stick to their game plan, and manage test anxiety on the GMAT itself. It's like having a Manhattan Prep instructor at your fingertips! All of Manhattan Prep's GMAT Strategy Guides are aligned with the 2016 Edition GMAC Official Guide.
