Completely updated to reflect new discoveries and current thinking in the field, the Fourth Edition of Essential Genetics is designed for the shorter, less comprehensive introductory course in genetics. The text is written in a clear, lively, and concise manner and includes many special features that make the book user friendly. Topics were carefully chosen to provide a solid foundation for understanding the basic processes of gene transmission, mutation, expression, and regulation. The text also helps students develop skills in problem solving, achieve a sense of the social and historical context in which genetics has developed, and become aware of the genetic resources and information available through the Internet.

PART I. Of the Expense of Defence. The first duty of the sovereign, that of protecting the society from the violence and invasion of other independent societies, can be performed only by means of a military force. But the expense both of preparing this military force in time of peace, and of employing it in time of war, is very different in the different states of society, in the different periods of improvement.

"Few books have had as great an impact on the cause of world evangelization in our generation as Robert Coleman's "The Master Plan of Evangelism."--Billy Graham It all started when Jesus called a few men to follow him and share God's message with their neighbors. We are called to do the same. But evangelism can be difficult--even intimidating. With all the evangelism resources available, where should you turn to find advice on how to share the Good News with others? Robert E. Coleman says the answers aren't found in TV evangelism,

easy-evangelism guidebooks, or the latest marketing techniques. Rather, he looks to the Bible, to the ultimate example found in Jesus Christ. For more than forty years this classic, biblical look at evangelism has challenged and instructed over three million readers. Now repackaged for a new generation, "The Master Plan of Evangelism" is as fresh and relevant as ever. Join the movement and discover how you can minister to the people God brings into your life.
