The purpose of this activity book is to introduce students to Canada and to have students develop basic map skills through the use of a map of Canada, included with this book, and the 34 student-based activities outlined.

Put your tactics to the test with a variety of classic 'pencil and paper' games and new ones, too. Then, take a line for a walk, turn pencil shavings into pictures and discover simple but effective shading techniques. Join dots and fill in squares to reveal surprising scenes, then complete posters and signs using your own imagination and words. You'll also find shape puzzles, codes to crack, patterns activities and a mini golf course you can play with just a pencil.

U.S. States and Territories Maps complements any social studies curriculum by offering high-quality maps and worksheets that reinforce necessary geographical knowledge. Maps and blank worksheets are included for all 50 states and the five US territories, as well as for the United States as a whole.
