The Secret Lives of Marilyn Monroe

When Marilyn Met the Queen

A biography of the screen legend employs thirty-five thousand formerly sealed documents--letters, diaries, and other papers--to examine virtually every aspect of Monroe's life and death.

Beautiful, damaged, the ultimate sex symbol, publicly celebrated, privately unhappy - Marilyn Monroe's tumultuous life and untimely death continue to fascinate us. When Marilyn Monroe became famous in the 1950s, the world was told that her mother was either dead or simply not a part of her life. However, that was not true. In fact, her mentally ill mother was very much present in Marilyn's world and the complex family dynamic that unfolded behind the scenes is a story that has never been told - until now. In this groundbreaking book Taraborrelli draws complex and sympathetic portraits of the women so influential in the actress' life, including her mother, her foster mother and her legal guardian. He also reveals, for the first time, the shocking scope of Marilyn's own mental illness, the identity of Marilyn's father and the half-brother she never knew, and new information about her relationship with the Kennedys - Bobby, Jack and Pat Lawford Kennedy. Explosive, revelatory and surprisingly moving, this is the final word on the life of one of the most fascinating and elusive icons of the twentieth century.

Full scale biography of motion picture actress Marilyn Monroe exploring in detail every aspect of her life and overturning many falsehoods.

With an in-depth look at the two most empowering years in the life of Marilyn Monroe, The Girl details how The Seven Year Itch created an icon and sent the star on an adventure of self-discovery and transformation from a controlled wife and contract player into a businesswoman and unlikely feminist whose power is still felt today. When Marilyn Monroe stepped over a subway grating as The Girl in The Seven Year Itch and let a gust of wind catch the skirt of her pleated white dress, an icon was born. Before that, the actress was mainly known for a nude calendar and one-dimensional, albeit memorable, characters on the screen. Though she again played a "dumb blonde" in this film and was making headlines by revealing her enviable anatomy, the star was now every bit in control of her image, and ready for a personal revolution. Emboldened by her winning fight to land the role of The Girl, the making of The Seven Year Itch and the eighteen months that followed was the period of greatest confidence, liberation, and career success that Monroe lived in her tumultuous life. It was a time in which, among other things, she: Ended her marriage to Joe DiMaggio and later began a relationship with Arthur Miller; Legally changed her name to Marilyn Monroe, divorcing herself from the troubled past of Norma Jeane; Started her own production company; Studied in private lessons with Lee and Paula Strasberg of the Actors Studio and became a part of the acting

revolution of the day The ripple effects her personal rebellion had on Hollywood, and in trailblazing the way for women that followed, will both surprise and inspire readers to see the Marilyn Monroe in an entirely new light.

This is the first and foremost in-depth biography written about Marilyn Monroe after her death. The book sets the record straight from primary sources as to just what happened to the most provocative female legend of the twentieth century. It has been translated into fourteen languages and is prominently considered as "the definitive biography" (Los Angeles Times) of Marilyn Monroe.

Offers insight into the actress's foster childhood, the previously undisclosed Laurence Olivier papers related to the filming of "The Prince and the Showgirl," and her lesser-known private life. Based on new interviews and research, this ground-breaking biography explores the secret selves behind Marilyn Monroe's public facades. Marilyn Monroe. Her beauty still captivates. Her love life fascinates. Her story still dominates popular culture. Now, drawing on years of research and dozens of new interviews, this biography cuts through decades of lies and secrets and introduces you to the Marilyn Monroe you always wanted to know: a living, breathing, complex woman, bewitching and maddening, brilliant yet flawed. Charles Casillo studies Monroe's life through the context of her time, days before feminism. Before there was adequate treatment for Marilyn's struggle with bipolar disorder. Starting with her abusive childhood, this biography exposes how—in spite of her fractured psyche—Marilyn's extreme ambition inspired her to transform each celebrated love affair and each tragedy into another step in her journey towards immortality. Casillo fully explores the last two years of her life, including her involvement with both John F. Kennedy and his brother Robert, and the mystery of her last day. Just a few of Casillo's revelations: \*Despite reports of their bitter rivalry, Elizabeth Taylor secretly reached out and tried to help Marilyn during one of her darkest moments. \*The existence of Marilyn's semi-nude love scene with Clark Gable—long thought to be lost. \*A few nights before her death, Marilyn encountered Warren Beatty at a party and disclosed some of the reasons for her final despair. \*A meticulously detailed account of the events of her last day, revealing how a series of miscommunications and misjudgments contributed to her death.

Published for the fiftieth anniversary of her tragic death, this definitive account dispels the rumors and sets the record straight on her last two years Marilyn Monroe passed away at the age of 36 under circumstances that have remained mysterious to this day. Marilyn Monroe: The Final Years separates the myths and rumors from the facts as Keith Badman takes readers through the concluding days of 1960 to that fateful day in August 1962. In this extraordinary book—the product of five years of exhaustive research—the author is both biographer and detective: Badman uncovers long-lost or unseen personal records, exclusive interviews, and eyewitness accounts that illuminate the final chapter of Marilyn's life as she navigates weight gain, drug use, an dpersonal turmoil, along with the setting of the ill-fated movie Something's Got to Give. Badman dispels popular beliefs, such as her supposed affairs with John and Bobby Kennedy. (Monroe only had a one-night stand with the president at Crosby's house, and never with Bobby.) Readers learn the long-concealed identity of her biological father, who refused Marilyn's attempt to contact him in 1951—and was then repaid with her approval later when he attempted to contact her. The author also reveals the details of her famous "last Sitting" with photographer Bert Stern (which was not her last photo shoot) and describes the horror of her confinement after being tricked into being institutionalized at the Payne-Whitney Psychiatric Clinic, from which ex-husband Joe DiMaggio had to pull strings to secure her release. Perhaps most shockingly, we learn of the regrettable incident in which a drunken Monroe was sexually exploited by mobsters at a Lake Tahoe hotel co-owned by Frank Sinatra. Finally contrary to the salacious rumors that Marilyn was sui victim of a murder and cover-up, Badman discloses new information about her final days alive and reveals, in unequivocal detail, evidence that indicates Monroe's death was accidental. Above it all, Badman pays homage to Monroe by rescuing her final months from the realm of wild and sensationalized allegations popularized by those who sought to gain from them. In American popular culture, Marilyn Monroe(1926-1962) has evolved in stature from movie superstar to American icon. Monroe's own

understanding of her place in the American imagination and her effort to perfect her talent as an actress are explored with great sensitivity in Carl Rollyson's engaging narrative. He shows how movies became crucial events in the shaping of Monroe's identity. He regards her enduring gifts as a creative artist, discussing how her smaller roles in *The Asphalt Jungle* and *All About Eve* established the context for her career, while in-depth chapters on her more important roles in *Bus Stop*, *Some Like It Hot*, and *The Misfits* provide the centerpiece of his examination of her life and career. Through extensive interviews with many of Monroe's colleagues, close friends, and other biographers, and a careful rethinking of the literature written about her, Rollyson is able to describe her use of Method acting and her studies with Michael Chekhov and Lee Strasberg, head of the Actors' Studio in New York. The author also analyzes several of Monroe's own drawings, diary notes, and letters that have recently become available. With over thirty black and white photographs (some published for the first time), a new foreword, and a new afterword, this volume brings Rollyson's 1986 book up to date. From this comprehensive, yet critically measured wealth of material, Rollyson offers a distinctive and insightful portrait of Marilyn Monroe, highlighted by new perspectives that depict the central importance of acting to the authentic aspects of her being.

With revelatory new information, from a leading feminist scholar and biographer, a nuanced and sympathetic biography of Marilyn Monroe published on the 50th anniversary of her death.

*Cursum Perficio* is the name of Marilyn Monroe's last home. *Cursum Perficio*, the book, is author Gary Vitacco-Robles' exploration of Marilyn's last home as a touchstone to her brief and extraordinary life. A definitive testament of Marilyn Monroe's modest nature, simple tastes and spirituality was her selection of a house in which to settle at age 35. The Spanish Colonial hacienda symbolizes Marilyn's unfulfilled dreams and unfinished life. The Latin inscription on the tiles adorning the front doorstep, *Cursum Perficio* (translating to "My journey ends"), prophesied the screen goddess' death in the home in 1962. *Cursum Perficio* invites us inside Marilyn's private life through 120 illustrations and previously unpublished photos of her hacienda and its contents. See the interior, Marilyn's art and decorations purchased on a shopping spree in Mexico, and the furniture delivered days before her death. Vitacco-Robles reveals the events during Marilyn's last months, her daily routine, and her random acts of kindness. *Cursum Perficio* is not a sensational exploitation of Marilyn Monroe but a celebration of the human being behind the legend. It is a rare and refreshing exploration for the most devout fan and an insightful introduction for those just discovering this enduring icon of the Twentieth Century. This expanded second edition contains added chapters and new images by Brandon Heidrick.

'England? It seemed to be raining the whole time . . . Or maybe it was me' MARILYN MONROE In July 1956, Marilyn Monroe arrived in London, on honeymoon with her husband Arthur Miller, to make *The Sleeping Prince* (later released as *The Prince and the Showgirl*) with Laurence Olivier. When the couple arrived at London Airport, they were looking forward to a peaceful stay. Marilyn would work during the day at Pinewood Studios, while Arthur would write. Then, in the evening, the couple would be able to relax together in their private English country cottage. It didn't quite turn out that way. The 'cottage' was actually a mansion, which belonged to Lord Drogheda, the managing director of the *Financial Times*. Raised in tiny hotel rooms and apartments, Marilyn felt herself being watched. She was, by Lord Drogheda's servants, who were selling stories to the papers. When filming began, it was a disaster. Director Joshua Logan had written to Olivier, offering advice on how to handle Marilyn as an actress, but Olivier ignored him. Instead, he condescended to her in his introduction to the cast, pooh-poohed her views on acting, and dismissed her stage-fright as an inconvenience. Marilyn grew to hate Olivier with a passion; the feeling was mutual. Marilyn found herself torn between settling into married life, being a curiosity for the frequently hostile British press, and her work on *The Prince and the Showgirl*. She took solace in small acts of kindness from members of the public, and a new fascination with Queen Elizabeth. Marilyn made a point of adopting some of the Queen's favourite brands, buying gloves from Cornelia James, perfume from Floris, and switching from Chanel No. 5 to Yardley's Lavender. Marilyn made a point of asking the film's PR manager to add a royal meeting to her schedule, but each day Olivier would delete the request. Michelle Morgan describes Marilyn's trip to late-1950s' Britain in evocative detail, exploring the making of the film alongside the film star's troubled private life and her quest to meet the Queen.

For the first time in paperback, this valuable biography by the president of Marilyn Monroe's UK fan club contains the most comprehensive collection of primary source material on Marilyn Monroe, covering all stages of her life. It includes seventy rare and unpublished photographs. They include locations from various periods of her life—the schools she attended as Norma Jeane, the ballroom where she danced with first husband Jim Dougherty, the street where Marilyn claimed she was attacked by an intruder, and candid shots of her on the sets of films. Morgan has also interviewed every single person accessible who knew or was related to Marilyn in any way, including the main players in her life, as well as work colleagues, and more casual acquaintances. More than fifty interviewees are featured, many who've never gone on the record before, including contacts from her orphaned childhood and early years—details of which until now have remained mysterious.

Documentary sources range from the private testimony of her gynecologist, to the previously undisclosed Laurence Olivier papers relating to Marilyn's time in England. Following a series of sensationalist biographies of Marilyn Monroe in recent years, this comprehensive, meticulously researched volume brings an important, fresh perspective to the many controversies in her life, and will serve as an essential sourcebook of documentary and photographic evidence.
