An introduction to marketing concepts, strategies and practices with a balance of depth of coverage and ease of learning. Principles of Marketing keeps pace with a rapidly changing field, focussing on the ways brands create and capture consumer value. Practical content and linkage are at the heart of this edition. Real local and international examples bring ideas to life and new feature 'linking the concepts' helps students test and consolidate understanding as they go. The latest edition enhances understanding with a unique learning design including revised, integrative concept maps at the start of each chapter, end-of-chapter features summarising ideas and themes, a mix of mini and major case studies to illuminate concepts, and critical thinking exercises for applying skills.

The 12 th edition of this popular text continues to build on four major marketing themes: building and managing profitable customer relationships, building and managing strong brands to create brand equity, harnessing new marketing technologies in the digital age, and marketing in a socially responsible way around the globe. Thoroughly updated and streamlined, Principles of Marketing tells the stories that reveal the drama of modern marketing, reflecting the major trends and forces that are impacting this dynamic and ever-changing field. Topics include: the marketing environment, managing information, consumer & business buyer behavior, segmentation, targeting, and positioning, branding strategies, distribution channels, advertising and sales promotion, direct marketing, and the global marketplace. An excellent tool for anyone in marketing and sales, whether self- or corporate- employed.
