Martha Stewart has generated an enormous following by establishing herself as the leading authority for all things domestic

the process created a multimillion-dollar enterprise and a personal net worth of nearly \$2 billion. As one of the most successful female business owners in American history, Martha Stewart is a topic of interest for fans, business professionals and entrepreneurs alike. Martha Inc. tells the compelling story of how this complex woman created an empire on domesticity and examines her business inside and out. Through an engaging narrative by popular columnist Christopher Byron, this book chronicles how the business was built, what it took to take it public, and the personal and professional transformation Martha underwent to make it all work. To get a true portrait of the woman whose work ethic is her personal life, Byron delves into the underreported facets of Martha's past, such as the effects her challenging childhood and years on Wall Street have had on her uncompromising business acumen. From Martha Stewart Living magazine and marthastewart.com to a K-Mart line of household products, a line of house paints, and a television show, this book details how a former caterer from Connecticut has created a media and merchandising empire, pulling off what large media corporations with vast resources struggle to accomplish. Martha Stewart has sold America on good taste and now readers can learn exactly how she did it and what drives her to keep conquering new vistas. A corporate biography as well as a success story worthy of Horatio Alger, Martha Inc. also delves into how a cult personality is created and how Martha Stewart capitalized on the zeitgeist that characterized the last half of the twentieth century. This book is a must read for anyone who has been touched by Martha's marketing savvy or who dreams of making it big.

With rich photography, expert voice, and taste-making style, Martha Stewart Weddings—a brand-new volume, the first in nearly two decades—is at once a guide to and inspiration for planning a wedding. Since the debut of Martha Stewart Weddings in 1995, it has been the premier resource for couples looking to plan and personalize their big day. To coincide with the brand's 20th anniversary, the magazine's team of experts has compiled a comprehensive guide to their distinctive way of creating a customized celebration. It's packed with the original ideas, real-wedding photographs, and tried-and-true advice for which the brand has become known. From the engagement to the day itself, every detail is covered. Readers will learn what goes into making a "Martha" wedding, which includes dreaming up a cohesive theme and color palette, as well as finding a dress and suit, registering for gifts, enjoying showers and bachelor(ette) parties, hiring vendors, choosing the flowers and cake, and orchestrating a sweet send-off for the evening. With 300 full-color photographs, Martha Stewart Weddings will be the most gorgeous and practical wedding book on the market and a keepsake for every bride.

The perfect cupcake for every occasion. Swirled and sprinkled, dipped and glazed, or otherwise fancifully decorated, cupcakes are the treats that make everyone smile. They are the star attraction for special days, such as birthdays, showers, and holidays, as well as perfect everyday goodies. In Martha Stewart's Cupcakes, the editors of Martha Stewart Living share 175 ideas for simple to spectacular creations—with cakes, frostings, fillings, toppings, and embellishments that can be mixed and matched to produce just the right cupcake for any occasion. Alongside traditional favorites like yellow buttermilk cupcakes swirled with fluffy vanilla frosting and devil's food cupcakes crowned with rich, dark chocolate buttercream, there are also sweet surprises such as peanut butter and jelly cupcakes, dainty delights like tiny almond-cherry tea cakes, and festive showstoppers topped with marizpan ladybugs or candy clowns. The book features cupcakes for everyone, every season, and every event: Celebrations (monogram heart cupcakes perfect for an elegant wedding); Birthdays (starfish-on-the-beach cupcakes sure to be a hit at children's parties); Holidays (gumdrop candy ghouls and goblins ideal for Halloween revelers); and Any Day (red velvet cupcakes with cream cheese frosting for a picnic, or caramel-filled mini chocolate cakes for grown-up gatherings). In singular Martha Stewart style, the pages are both stunning in design—with a photograph of each finished treat—and brimming with helpful how-to information, from step-by-step photographs for decorating techniques to ideas for packaging and presenting your cupcakes. Whether for any day or special days, the treats in Martha Stewart's Cupcakes will delight one and all.
