The Avengers have come a long way since they first assembled to fight off an alien invasion. The past five years have brought more and more challenges, and Earth's Mightiest Heroes have always risen to face them. But have they finally met their match in the intergalactic despot Thanos, who seeks to inflict his twisted will on all of reality? Just in time for the highly anticipated event, this keepsake volume celebrates the characters and concepts that will converge in April 2018, collecting art, interviews, and photography from films leading up to Marvel's Avengers: Infinity War.

The early days of the Avengers - as you've never seen them before! A hidden foe manipulates the newly assembled team from the shadows, meticulously sowing the seeds of discord and mistrust - and causing the new allies to question the very ties that bind them together as they hunt for the fugitive Hulk. Thor - a shape-shifting alien with a secret agenda? Captain America - a hoax? Iron Man - an enemy conspirator? Their confidence in each other shattered, will the heroes destroy each other before the conspirator is revealed? Only the smartest among them will see through the deception... and it's not who you think! Plus, the modern-day Avengers team comes together to stand against their deadliest foe - as Captain America, Thor, Vision, Wasp, Spider-Man and Hercules face Kang War One! A threat has emerged from the cosmos: Thanos. A ruthless warlord who plans to collect all six Infinity Stones. Joined by his formidable allies, he will be near-unstoppable at achieving his goal. The Avengers, the Guardians of the Galaxy, Doctor Strange and Spider-Man must join forces and fight side by side to stop Thanos, while the fate of the Earth and the universe lays in the balance. This book features the stories of three of the six Stones as The Collector recovers from his run in with the Guardians of the Galaxy. Desperate to repopulate his vast collection of curios, he must contend with his brother, The Grandmaster, who comes to him after facing Thor and the Hulk. The pair squares off in a night of one-upmanship and speculate on the only things in the universe that would return The Collector to his former glory--the Infinity Stones. ©2018 MARVEL.

Prelude to Infinity (Marvel Now)

Ant-Man

An original novel set in the universe of Star Trek: Voyager, from the New York Times bestselling author! As the Federation Starship Voyager continues to lead the Full Circle Fleet in its exploration of the Delta Quadrant, Admiral Kathryn Janeway remains concerned about the Krenim Imperium and its ability to rewrite time to suit its whims. At Captain Chakotay's suggestion, however, she orders the fleet to focus its attention on a unique planet in a binary system, where a new element has been discovered. Several biospheres exist on this otherwise uninhabitable world, each containing different atmospheres and features that argue other sentient beings once resided on the surface. Janeway hopes that digging into an old-fashioned scientific mystery will lift the crews' morale, but she soon realizes that the secrets buried on this world may be part of a much larger

puzzle—one that points to the existence of a species whose power to reshape the galaxy might dwarf that of the Krenim. Meanwhile, Lieutenants Nancy Conlon and Harry Kim continue to struggle with the choices related to Conlon's degenerative condition. Full Circle's medical staff discovers a potential solution, but complications will force a fellow officer to confront her people's troubled past and her own future in ways she never imagined...
