For over twenty years, Craig Blomberg's *The Historical Reliability of the Gospels* has provided a useful antidote to many of the toxic effects of skeptical criticism of the Gospels. He offers an overview of the history of Gospel criticism. Thoroughly updated edition with added footnotes and two new appendixes.

As sales of Hagee's current New York Times bestseller, *Four Blood Moons*, continue to soar, hundreds of thousands of readers have had their thirst whetted to know what is to come at the end of this world . . . heaven itself! Hagee's national media power assures another mega-bestseller.

In 1987 Ken Ham wrote what would become a prophetic warning to the Church about the destructive effects of compromise with evolutionary ideas, and how this compromise undermines Scriptural authority and erodes Christian confidence in the infallibility of God's Word. Today we have Christians not only confused when it comes to Genesis and age of the earth, but even the reality of Hell, Adam as a real person, and Christ's own words about creation, marriage and more are being debated in the pulpits across the world. In this special revised and updated edition, Ken Ham again takes the lead in pointing out the looming precipice the Church is rushing towards, how evolution and/or millions of years, is driving away young people of the faith, and the biblical solution that can change it!

Through her own and others' personal experiences, best-selling author Mary Baxter shows how many lives have been forever transformed by the powerful blood of Jesus. Some of the life-changing results that you, too, can experience include: Overcoming the power of sin Walking in divine health and wholeness Living in peace and divine protection Receiving help when tempted Sharing the gospel with others Bringing loved ones to God In an exploration of the Scripture, Mary Baxter leads the reader to a deeper understanding of the purpose and infinite provision of the shed blood of Jesus.

But many people aren't sure how to enter into this realm—or how to go deeper in the Spirit. Joshua Mills explains that, much more than sensing what God is doing, we can participate in the supernatural on a daily basis through divine portals, or gates. In this study guide companion to his book Power Portals, Joshua clearly shows believers how they can become conduits of God's power. Within a power portal, we may experience a sudden realization of God's presence, an abundance of healing, spontaneous joy, signs and wonders, angelic activity, an increase in spiritual dreams and visions, or extravagant provision. Some portals can be activated in our own bodies through the heart, mouth, eyes and ears, mind, innermost being, hands, and feet. There are also direct heavenly portals and geographical portals, special places where we can experience the release of God's power. The Power Portals Study Guide, which can be used by either individuals or groups, contains some brand-new material to further your understanding of these gateways to the Spirit realm. The guide is also filled with key points from the book, thought questions, review questions, and supernatural activations. Get ready to awaken your connection to the Spirit realm.
