

Master Guide Advent

The must-have specifications writing reference—and essential study aid for the Certified Construction Specifier (CCS) Exam The CSI Practice Guides are a library of comprehensive references specifically and carefully designed for the construction professional. Each book examines important concepts and best practices integral to a particular aspect of the building process. The CSI Construction Specifications Practice Guide is focused on the roles and responsibilities of the specifications professional in meeting the challenges of the changing world of construction. In this volume, guidelines on topics like writing quality construction specifications and product selection are meshed with best practices for managing project information, working with Building Information Modeling (BIM) and Integrated Project Delivery, and writing sustainable design specifications. Other material covered in this guide includes: The Construction Specifications Institute's collected best practices for authoring specifications Specialized guidance on presentation and management of project information in the context of Building Information Modeling and sustainable design Includes access to a password-protected web site with bonus content, including a PDF of the printed book and copies of CSI format documents, such as UniFormat and SectionFormat/PageFormat An authoritative resource for effective written communication of design intent, The CSI Construction Specifications Practice Guide presents construction professionals and students studying for the Certified Construction Specifier (CCS) Exam with a solid foundation for improving their methods of collecting and delivering important specifications data. Serves as an authoritative resource for effective writing of design intent Includes CSI's best practices for authoring specifications Offers specialized guidance on project information in the context of BIM and sustainable design

"Children of the Market Place" by Edgar Lee Masters. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. From well-known classics & literary fiction and non-fiction to forgotten – or yet undiscovered gems – of world literature, we issue the books that need to be read. Each Good Press edition has been meticulously edited and formatted to boost readability for all e-readers and devices. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

When LGBT+ loved ones come out, parents can experience shock. Fear and grief can disable their initial reaction. Emotions erupt. Hurtful words spill. Trust is damaged. Relationships become disconnected. Meanwhile, in the church, LGBT+ people often hear impossible hurdles and suspicion about their faith. One courageous disclosure can be met with a response that communicates, "I don't understand you" or "You are not welcome here." Guiding Families offers a relationally honoring, biblically sound path forward. It is being called "the single best resource" for parents and pastors when LGBT+ people come out. Author Bill Henson's heart for Guiding Families flows from over a decade of experience training church leaders and caring for LGBT+ people and their families. He is creator of Posture Shift, the leading training and consulting resource on LGBT+ inclusion and relational care in the conservative church.

The Essential and Classic Principles and Methods

The Angels of Christmas Leader Guide

A Master's Guide to Building a Bamboo Fly Rod

Help! I'm Being Followed

What would happen if Christian leaders decided that "good enough" is no longer good enough? What if they stepped out of the comfort zone, stood for right, and strived for excellence? What if they were fearlessly committed to

following God's lead and trusting the future to Him? In this book Clinton Valley casts just such a vision for Christian leaders. Drawing from years of experience, Valley offers insight about the true purpose of leadership and the profile of an effective leader. The practical and inspiring principles he shares will help you develop the vision, skills and focus you need to lead effectively. Help! I'm Being Followed addresses how to make positive changes, deal with conflict, handle criticism, and plan for relevance and progress.

The mega-bestseller with more than 2 million readers, soon to be a major television series From the #1 New York Times-bestselling author of The Lincoln Highway and Rules of Civility, a beautifully transporting novel about a man who is ordered to spend the rest of his life inside a luxury hotel In 1922, Count Alexander Rostov is deemed an unrepentant aristocrat by a Bolshevik tribunal, and is sentenced to house arrest in the Metropol, a grand hotel across the street from the Kremlin. Rostov, an indomitable man of erudition and wit, has never worked a day in his life, and must now live in an attic room while some of the most tumultuous decades in Russian history are unfolding outside the hotel's doors. Unexpectedly, his reduced circumstances provide him entry into a much larger world of emotional discovery. Brimming with humor, a glittering cast of characters, and one beautifully rendered scene after another, this singular novel casts a spell as it relates the count's endeavor to gain a deeper understanding of what it means to be a man of purpose.

Focusing on the Lectionary readings, this guide combines sound exegesis, goodhomily preparation, rich liturgical notes, helpful observations on music, and selected catechetical topics. (Church Life)

Explore the four angelic visits surrounding the birth of Jesus with Susan Robb in The Angels of Christmas, a four-week Advent study. The Angels of Christmas: Hearing God's Voice in Advent, a four-week Advent study by Susan Robb, explores the four angelic visits surrounding the birth of Jesus with Zechariah, Mary, Joseph, and the shepherds. In this study, the reader will explore the visits and dive deep into the history of the angel Gabriel-and other angels-in the Old Testament. The Angels of Christmas uses these four angelic appearances to discuss God's presence in history and our lives today. The messages of the angels hold meaning for listeners both then and now. The Leader Guide contains everything needed to guide a group through the four-week study including session plans, activities, and discussion questions, as well as multiple format options.

Learn the science and art of creating a one-of-a-kind bamboo fly rod. Fly fishing has a long and storied history. While many flyfishermen will find and purchase their favorite fly rod, there are those who desire to go a step further. For those discerning flyfishermen and women, simply buying a rod is not enough—they must build one. And just as fly fishing is an art, so is the creation of the bamboo fly rod. Many people believe that the best-feeling rods, particularly for trout fishing, are made from bamboo, and today's bamboo rod-making tradition is particularly indebted to one man: Everett E. Garrison. Using principles he learned as an engineering student, Garrison created an exacting method of building rod—a method that for decades was a well-kept secret. These techniques are presented to the reader in *A Master's Guide to Building a Bamboo Fly Rod*, a classic volume written by Hoagy B. Carmichael to honor and maintain Garrison's legacy. Completely illustrated with black-and-white drawings and over three hundred and sixty black-and-white photographs, along with copious notes on the mathematical and engineering principles that underlie Garrison's unique rod-making technique, this book will guide you through each step of creating a classic bamboo fly rod. Skyhorse Publishing is proud to publish a broad range of books for fishermen. Our books for anglers include titles that focus on fly fishing, bait fishing, fly-casting, spin casting, deep sea fishing, and surf fishing. Our books offer both practical advice on tackle, techniques, knots, and more, as well as lyrical prose on fishing for bass, trout, salmon, crappie, baitfish, catfish, and more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home.

The Master Guide Handbook to Outdoor Adventure Trips is an indispensable guide for any outdoors person, but it is especially

written for people who have already accumulated a degree of out-of-doors experience and knowledge, and are now faced with the prospect of leading others afield. Legendary Maine Guide Award winner Gil Gilpatrick has been a Master Maine Guide for over 40 years, and has guided commercially for much of that time. In this book readers will gain the benefit of his experience, as well as that of several other respected guides and outdoor professionals who have contributed their expertise. This is a book that helps leaders to help others, with field-tested advice for successfully leading any camping, hiking, canoeing or hunting trip. The reader is taken through each step in the planning and conduct of a successful outdoor expedition. Special emphasis is placed on preparations to ensure the safety and well being of those people for whom the leader is responsible. Covering a wide range of important topics in one short, easy to understand volume, Gil's useful checklist system provides guidance on what to pack and how to pack it, supplemented by his best trail recipes. Special chapters focus on dealing with cold or wet weather, while other chapters provide essential advice on how to prevent injuries or losing people, and what to do if either of those should happen. A chapter on navigation includes both compass and GPS technology. Clear writing and a fresh approach makes this book a classic among outdoor guides, and the textbook of choice for professional guides as well as for those who aspire to guide professionally.

A Psychologist's Proactive Guide to Managed Mental Health Care offers a concise overview of the evolution of managed mental health care and its impact on the working lives of clinical and counseling psychologists. Although many books explore the ramifications of managed care for psychotherapy, this is the first to take a broad perspective and examine the ways in which the new health care delivery system is affecting all aspects of practice--not just treatment but also assessment and training--as well as mental health research. The authors include some of the country's most noted psychologists with extensive experience in managed care. Their tone is optimistic rather than pessimistic; as they look at developments others have only deplored, they see potential roles and opportunities for growth for psychologists. In an era of dramatic health change, all those practitioners who are concerned about how to make managed care work for them rather than against them, will find this Guide essential reading. ALTERNATE BLURB A Psychologist's Proactive Guide to Managed Mental Health Care offers a concise overview of the evolution of managed mental health care and its impact on the working lives of clinical and counseling psychologists. While many books explore the ramifications of managed care for psychotherapy, this is the first to take a broad perspective and examine the ways in which the new health care delivery system is affecting all aspects of practice--not just treatment but also assessment and training--and mental health research as well.
