The official guide from the makers of the TOEFL to ensure your exam success! The Official Guide to the TOEFL® iBT is the leading guide to the most widely accepted English-language proficiency test in the world--the TOEFL test. Written by ETS, the makers of the test, this book includes two real full-length TOEFL tests for practice, as well as explanations of every section of the test and information on what is expected of you for every speaking and writing task. You will learn how to construct your answers and integrate the four skills needed to demonstrate academic English-language proficiency: reading, listening, speaking and writing. The accompanying CD-ROM provides on-screen interactive versions of both real TOEFL tests in the book, just like the one you will encounter on test day.

"Part of a three-level test-preparation series designed to prepare learners of English for the TOEFL iBT. In this second level of the series, intermediate learners will be able to familiarize themselves with question types found on the TOEFL iBT while covering a variety of disciplines."--Back cover

"TOEFL Reading Practice Book: Reading Preparation for the TOEFL iBT and Paper Delivered Tests" by Exam SAM contains three complete TOEFL reading practice tests. Each practice reading test in this book has three passages, just like the actual TOEFL Exam, so there are nine reading passages in the publication for you to study. All of the reading passages in the book are on factual, informative, or academic topics, which is also like the format of the actual TOEFL test. The practice exams have questions of all of the types that you will see on the real TOEFL reading test, so the book has questions on: Finding the main idea Reading for details Making inferences Language coherence Rhetorical functions Word meaning Locating referents Defining key terms Paraphrasing Author's attitude or opinion Summarizing The tips at the beginning of the book explain the format of the TOEFL reading test and tell you what to expect on your exam day. There is a complete answer key with in-depth explanations for each answer, so that you can understand why each answer is the correct one. The explanations give you additional tips to help you improve your test-taking technique. Get a step ahead in your exam preparation with Exam SAM Study Aids & Media.

The TOEFL Master's Guide: Speaking Section is written in direct, easy to understand American English and is designed to help students earn high scores EVEN IF THEIR ENGLISH SPEAKING ABILITIES ARE LIMITED!! To earn a high score on the TOEFL Speaking section, you must know how to structure your responses in the way the judges are going to score them. In other words, you may speak English perfectly, but if you don't structure your responses according to the TOEFL rubric (rules), you will not earn a high score. The TOEFL Master's Guide teaches precisely the six types of questions that you will be asked, how to take notes to structure your responses for each of those six questions, and exactly how to practice speaking so that you can score a perfect 30 on your TOEFL iBT Speaking Section! In this book you will find:- Specific descriptions of each question type.- An easy to understand guide to the rubric (rules).- Methods for note

Increase your TOEFL iBT score by increasing your speaking and writing scores. How? By using the strategy called argument mapping. Why argument mapping? Because the TOEFL iBT speaking and writing sections are all argument-based tasks. That means if you want high speaking and writing scores, you must know how to map out (develop and deliver) spoken and written arguments, quickly and proficiently. With argument mapping, you will be able to do just that. Best of all, you can apply argument mapping to all six speaking tasks and both writing tasks. That means you will spend less time reading about strategies and more time practicing them. You Will Also Learn: * Essential rhetorical strategies and opinion development strategies * Step-by-step basic responses for all speaking and writing tasks * Step-by-step advanced responses for all speaking and writing tasks * Step-by-step emergency responses for all speaking and writing tasks * How to revise your spoken and written responses to maximize scoring * How to rate spoken and written responses quickly and proficiently ARGUMENT DEVELOPMENT Learn basic and advanced argument development strategies to maximize your speaking and writing scores. By doing so, you can increase your TOEFL score. ARGUMENT MAPPING Learn test-proven speaking and writing strategies quickly and proficiently using the graphics-based strategy called argument mapping. SCORING STRATEGIES Learn how to think like a TOEFL rater so you know exactly what to say and write to maximize scoring.

An internationally recognized ESL teacher and TOEFL test-taking advisor presents detailed, step-by-step coaching designed to help students succeed on the Test of English as a Foreign Language. An opening Orientation chapter discusses the TOEFL's five test areas, explains how they are scored, and offers a general test preparation plan Subsequent chapters set forth detailed strategies and exercises for success in all five test sections of both the iBT and the ITP TOEFL: Reading, Listening, Speaking, Structure, and Writing Accompanying MP3 CDs complement all of the book's test strategies All audio material contained on the compact discs is also presented in printed form in the book's Audioscripts section Answer Keys for all questions appear at the back of the book This book helps students prepare for the TOEFL before they take the test, and it helps them outsmart the TOEFL while they are actually taking the test. The book and MP3 CD program offer valuable TOEFL test preparation when used alone, and it is even more effective when used with Barron's TOEFL iBT, Test of English as a Foreign Language with CD-ROM and Audio CDs, 14th Edition (978-1-4380-7282-1).

Top the TOEFL is a TOEFL book like no other. It recognizes an essential key to the problem: students who struggle with the TOEFL have problems mastering English. Hence, while other TOEFL books teach strategies with long wordy explanations that hardly make sense to the average student, Top the TOEFL focuses on teaching students in the most intuitive way possible: examples.Each unit is systematically broken down to make it simple for any student to Top the TOEFL. First, 'Simple Steps' are condensed at the outset for easy reference. Next begins 'Elaboration with Examples' -- a section where the 'Simple Steps' are put into practice. The unit concludes with the 'TOEFL Trainer' which divides exercises according to the 'Simple Steps', allowing students a chance to directly put the strategies to practice rather than just throwing students into the deep end by providing a full set of TOEFL practice tests. The Four Point series is designed for English language learners whose primary goal is to succeed in an academic setting. The series covers the four academic skills of reading, writing, listening, and speaking while providing reinforcement and systematic recycling of key vocabulary and further exposure to grammar issues. In order to participate in academic settings, ELLs need focused activities to develop and then maintain their use of vocabulary and grammar. Each book in the series focuses heavily on vocabulary in particular, highlighting between 125-150 key vocabulary items including individual words, compound words, phrasal verbs, short phrases, idioms, metaphors, collocations, and longer set lexical phrases. Each unit in Reading-Writing 2, Advanced, includes two reading passages on the same topic within a field of academic study: Language, Sociology, Physiology, Geology, Economics, and Environmental Science. The exercises accompanying the readings are meant to strengthen a range of reading and writing skills like comprehending details, developing vocabulary, paraphrasing, summarizing, and synthesizing information. Students will read longer, more difficult readings on interesting academic topics that represent an array of classroom interests, and they will write both short and long assignments that can be organized around more traditional writing templates. By addressing the breadth and depth of reading and writing tasks required in academic settings instead of only reading for pleasure or writing for research projects, this volume truly prepares ELLs for the type of reading they will find in their course books and for the writing assignments they will receive in class. Interactive vocabulary activities are provided on the book's companion website.
