The Leopard King

Proud. Imperious. Impassioned. Until three years ago, those words applied to Dominic Asher, the leader of Ash Valley. His family has ruled the feline branch of the Animari for hundreds of years, guiding the pride through perilous times. Unspeakable loss drove him into seclusion, a feral beast nobody can tame. Now he’s wrecked, a leopard king in exile, and he wants nothing more than to die. Fierce. Loyal. Determined. Fortunately for Dom, those words still apply to Pru Bristow, his dead mate’s best friend. She’s had her heart broken too, but she never quits. With the conclave approaching, alliances with the Pine Ridge pack and Burnt Amber clans on the verge of collapse, she’s prepared to do whatever it takes to drag their leader back, before his second can start a war. At best theirs seems like a desperate alliance, but when their mate bond turns hot and fierce, there’s no end to the questions and the doubts. Neither of them expects to fall in love. But sometimes people don’t know what they’re looking for until they find it.

Primal desire sets the New York Times bestselling Shifters Unbound series ablaze as two fierce Shifters discover how enticing love can be with the thrill of the chase... You can’t outrun a hunter like Angus Murray... The last thing black wolf Shifter Angus Murray wants is to go chasing down some fugitive Shifter woman for Shifter Bureau. But when a Bureau agent threatens Angus’s son, Angus will do anything it takes to track down the elusive Shifter and protect his cub. ...You outfox him... For twenty years Tasmin Calloway has been on the run, relying on her street smarts and easy charm to sweet-talk her way out of trouble. She knows she should put as much distance as possible between herself and the hot-bodied Angus. But she also longs to let down her guard, to experience a true connection with another person. Yet, with tenuous trust comes a companionship she never expected. And as the fragile link between them turns to something more, Tamsin will have to break all her own rules and believe Angus will keep her secrets—and her heart—safe.

Joanne Greene, while grateful to Broderick for rescuing her sister, doesn’t know what to make of him. She’s been a loner most of her life, better able to relate to computers and coding than to people, until she’s drawn into the world of the Shifters. Broderick is everything Joanne is not—a fighter and a tracker, from a rough-and-tumble family, better at working with his hands than understanding the netherworld of Joanne’s computer programmer life. Broderick is also extremely protective, wanting to draw her under his care as he does everyone else. When Broderick is captured, mistaken for a Guardian, it’s Joanne who figures out that hackers are after the Guardian Network, the database that holds the deep secrets of Shifters past and present. Strangely Broderick now holds the key to stopping the hackers from releasing deadly danger on the Shifters, and Joanne with her coding skills is the only one who can help him.
