November 2013*

MnM_POW-Maths-PM-9 (Updated)

GANIT MATHEMATICS series consists of ten textbooks; two textbooks for Primer A and B, eight textbooks for classes 1-8. This series is strictly based on the syllabus prescribed by the Council for the Indian School Certificate. The series has been developed to guide the young minds to observe and experience mathematics all around them. Each concept has been related to everyday life in order to develop a spirit of curiosity and discovery. Concepts are gradually built up with easy-to-follow steps and plenty of examples.

Competitive examination preparation takes enormous efforts & time on the part of a student to learn, practice and master each unit of the syllabus. To check proficiency level in each unit, student must take self-assessment to identify his/her weak areas to work upon, that eventually builds confidence to win. Also performance of a student in exam improves significantly if student is familiar with the exact nature, type and difficulty level of the questions being asked in the Exam. With this objective in mind, we are presenting before you this book containing unit tests. Some features of the books are- The complete syllabus is divided into logical units and there is a self- assessment tests for each unit. Tests are prepared by subject experts who have decade of experience to prepare students for competitive exams. Tests are as per the latest pattern of the examination. Detailed explanatory solution of each test paper is also given. Student is advised to attempt these Tests once they complete the preparation/revision of unit. They should attempt these Test in exam like environment in a specified time. Student is advised to

(February), Practice sets (1-15).

Since its original publication in 1969, Mathematics for Engineers and Scientists has built a solid foundation in mathematics for legions of undergraduate science and engineering students. It continues to do so, but as the influence of computers has grown and syllabi have evolved, once again the time has come for a new edition. Thoroughly revised to meet the needs of today's curricula, Mathematics for Engineers and Scientists, Sixth Edition covers all of the topics typically introduced to first- or second-year engineering students, from number systems, functions, and vectors to series, differential equations, and numerical analysis. Among the most significant revisions to this edition are: Simplified presentation of many topics and expanded explanations that further ease the comprehension of incoming engineering students A new chapter on double integrals Many more exercises, applications, and worked examples A new chapter introducing the MATLAB and Maple software packages Although designed as a textbook with problem sets in each chapter and selected answers at the end of the book, Mathematics for Engineers and Scientists, Sixth Edition serves equally well as a supplemental text and for self-study. The author strongly encourages readers to make use of computer algebra software, to experiment with it, and to learn more about mathematical functions and the operations that it can perform.

It is very rightly said that if we teach today as we taught yesterday, then we rob our children of tomorrow. With this vision, CISCE has yet again updated and released its curriculum for the upcoming Academic Year. With all the refreshing changes and updates, the way ahead looks exciting for students and teachers alike! We at Oswaal Books, are also extremely upbeat about the recent changes. We have made every possible effort to incorporate all these changes in our books for the coming Academic Year.

Questions incorporated in this book follow the latest syllabus, pattern and marking guidelines of the Council to guide the candidates to answer with precision. This will help students to get familiar with the examination techniques. These Question banks are available for all important subjects like Maths, English, Hindi, Physics, Chemistry, Biology, History & Civics, Geography, Commercial Studies, Commercial Applications, Economic applications & Computer Applications & Economics. We at Oswaal Books never try to teach our readers. We on the other hand, provide them the conditions in which they can learn and train their mind to think! After all Education is what remains after one has forgotten what one learned in school. Some of the key benefits of studying from Oswaal Solved Papers are: • Strictly based on the latest CISCE Curriculum issued for

Academic Year 2020-2021 • Previous Years' Board Questions for in depth study • Handwritten Toppers' Answers • Answering Tips and Examiner's Comments • Answers strictly as per the ICSE Marking Scheme • All Typology of Questions included for exam-oriented study • Revision Notes for comprehensive study • 'Mind Maps' in each chapter for making learning simple. Suggested videos at the end of each chapter for a Digital Learning Experience

IMPORTANT FEATURES OF THE BOOK: Self-Study Mode ICSE Chapter wise/Topic wise 10 years' Solved papers ICSE Previous 10 years' Examination Questions to facilitate focused study Exam Preparatory Material Latest Solved paper with Handwritten Topper's Answers Answers from ICSE Marking Scheme -2018 with detailed explanations as per the word limit for perfection in answering final exam questions Board Examiner comments and answering tips for clearer thinking. Suggestions for Students to score full marks in Exams Topics and concepts found difficult by students All-in -one Chapter wise & Topic wise introduction to enable quick revision Mind Maps for improved learning

WHAT THIS BOOK HAS FOR YOU: Latest ICSE Curriculum Strictly based on the latest CISCE curriculum and examination specifications for Academic Year 2020-2021, for class 10 Latest Typology OF Questions Latest typology of questions are included as per the latest design of the question paper issued by CISCE Hybrid Learning Suggested videos for digital learning

About Oswaal Books: We feel

extremely happy to announce that Oswaal Books has been awarded as ‘The Most Promising Brand 2019’ by The Economic Times. This has been possible only because of your trust and love for us. Oswaal Books strongly believes in Making Learning Simple. To ensure student-friendly, yet highly exam-oriented content, we take due care in developing our Panel of Experts. Accomplished teachers with 100+ years of combined experience, Subject Matter Experts with unmatched subject knowledge, dynamic educationists, professionals with a keen interest in education and topper students from the length and breadth of the country, together form the coveted Oswaal Panel of Experts. It is with their expertise, guidance and a keen eye for details that the content in each offering meets the need of the students. No wonder, Oswaal Books holds an enviable place in every student’s heart!

This text offers key facts; worked examples; international contexts; questions, including those from past exam papers; in-built revision; and full coverage of IGCSE syllabuses for secondary maths pupils in overseas schools taking IGCSE.
