The CBSE has made certain changes in the assessment structure from the session 2019-20 onwards. In the new scheme of examination, CCE and term system has been replaced with the Internal Assessment & Single Annual Exam by CBSE itself. Single exam conducted by CBSE will carry 80 marks whereas 20 marks are left to the schools for internal assessment. CBSE has issued

Read Free Maths Previous Question Paper On Sekhukhune Discrit Grade 10

detailed guidelines on how the internal marks will be divided among different activities. From 2019 onwards, there will be internal choices in board examinations with increased internal options in the question paper. Considering this change, now a student has to prepare accordingly for board examinations. The new assessment format brought with it excitement as well as anxiety. And to help them prepare and excel in their CBSE board examination, Career Point Kota has developed a series of 10 Most Likely Question Papers with Solutions. The Key Features of Most Likely

prepared as per the guidelines, syllabus and marking scheme issued by CBSE for Class X Summative Assessment II . The salient features of Perfect Sample Papers are:

- The questions in the sample papers have been so designed that complete syllabus is covered.
- Solutions to the first five sample papers are given.

Students are advised to attempt these papers first, and take help from the solutions provided in the book to identify their weak areas and improve them.

- Additional ten unsolved sample papers for practice will help students gain confidence.
- The questions in the sample papers are of varying difficulty level and will help students evaluate their reasoning, analysis and understanding of the subject matter.
