But learning and understanding facts about Bible history, places, people, events, and even memory verses can be fun and engaging for the whole family. This big collection of games, puzzles, quizzes, and trivia will help you feel comfortable with the whole Bible through fun activities for small groups or individuals. The Ultimate Collection of Bible Trivia, Puzzles, and Facts uses many creative ways to make Bible study entertaining: Hilarious questions Different

kinds of quizzes Comical illustrations Word searches and scrambles Funny fill-in-the blank stories Topics such as angels, famous people, and miracles Crossword puzzles and much more... Gaining Bible knowledge is anything but "trivial" when it comes to following God. The activities in this book can be used as small group ice breakers, Bible study games, travel games, or fun individual study--always with the greater purpose of increasing Bible knowledge to know God better.

The book contains more than 6,100 questions. Its value is not in the answers, but rather in the way the questions are formulated and in the information they contain. Because the questions are arranged chronologically, the book can be used as a study guide. Although there are questions that require to memorize certain details, most of them contain enough clues within themselves which give the reader the opportunity to find the correct answer by using comparisons and logic. Since the book was conceived with the purpose of using it in Bible contests, most of the questions require one-word answers. The material contained in this book is useful in bringing out things that many readers omit when they read the Bible. It is also useful for getting ideas for sermon subjects, for Bible contests, for obtaining information, etc. There are a variety of types of questions: 1. Simple and straightforward questions 2. Multiple choice questions 3. True and false questions 4. Tricky questions 5. Questions that require logic 6. Questions that require general knowledge 7. Questions that require to know Bible details 8. Interesting questions 9. Questions focused on unique things in the Bible 10. Questions that deal with controversial issues 11. Questions that require a list of names 12. Questions that require special knowledge 13. Doctrinal questions 14. Questions that combine the Old Testament and New Testament 15. Bible geography questions 16. Questions that require memorizing verses Take a look at a few sample questions and answers: Tricky question: "David, Solomon, Jeroboam, Ahab, Jehoiakim, and Omri were just a few of the Kings of Israel. Some of them had problems with the Egyptians, and Israel and Egypt were often at war. So, king of Egypt, came and attacked Israel. If you paid attention, the name of the Egyptian king has already been mentioned. Give his name." Question that requires logic: "Alexander the Great, around 250 BC, gathered in Alexandria, Egypt, 70 Hebrew scholars to translate the Scriptures from Hebrew into Greek. This translation is known under the name of Septuagint (LXX). What part of the Bible did they translate? Was it the Old Testament, the New Testament, or the whole Bible?" Question focused on unique things in the Bible: "This gospel contains nothing about the life of Jesus before he was about 30 years old." Answers: Tricky question: So Questions that require logic: OT (One should know that there was no NT in 250 BC, and the NT was already written in Greek) Questions focused on unique things in the Bible: Mark
