*That evening I took my usual walk in Washington Park, pondering over the occurrences of the day. I was thoroughly committed. There was no back out now, and I stared the future straight in the face. I was not good, not even scrupulous, but I had no idea of deceiving either myself or Tessie. The one passion of my life lay buried in the sunlit forests of Brittany. Was it buried forever? Hope cried "No!" For three years I had been listening to the voice of Hope, and for three years I had waited for a footstep on my threshold. Had Sylvia forgotten? "No!" cried Hope. I said that I was not good. That is true, but still I was not exactly a comic opera villain. I had led an easy-going reckless life, taking what invited me of pleasure, deploring and sometimes bitterly regretting consequences. In one thing alone, except my painting, was I serious, and that was something which lay hidden if not lost in the Breton forests. It was too late now for me to regret what had occurred during the day. Whatever it had been, pity, a sudden tenderness for sorrow, or the more brutal instinct of gratified vanity, it was all the same now, and unless I wished to bruise an innocent heart my path lay marked before me. The fire and strength, the depth of passion of a love which I had never even suspected, with all my imagined experience in the world, left me no alternative but to respond or send her away. Whether because I am so cowardly about giving pain to others, or whether it was that I have little of the gloomy Puritan in me, I do not know, but I shrank from disclaiming responsibility for that thoughtless kiss, and in fact had no time to do so before the gates of her heart opened and the flood poured forth. Others who habitually do their duty and find a sullen satisfaction in making themselves and everybody else unhappy, might have withstood it. I did not. I dared not. After the storm had abated I did tell her that she might better have loved Ed Burke and worn a plain gold ring, but she would not hear of it, and I thought perhaps that as long as she had decided to love somebody she could not marry, it had better be me. I, at least, could treat her with an intelligent*

affection, and whenever she became tired of her infatuation she could go none the worse for it. For I was decided on that point although I knew how hard it would be. I remembered the usual termination of Platonic liaisons and thought how disgusted I had been whenever I heard of one. I knew I was undertaking a great deal for so unscrupulous a man as I was, and I dreaded the future, but never for one moment did I doubt that she was safe with me. Had it been anybody but Tessie I should not have bothered my head about scruples. For it did not occur to me to sacrifice Tessie as I would have sacrificed a woman of the world. I looked the future squarely in the face and saw the several probable endings to the affair. She would either tire of the whole thing, or become so unhappy that I should have either to marry her or go away. If I married her we would be unhappy. I with a wife unsuited to me, and she with a husband unsuitable for any woman. For my past life could scarcely entitle me to marry. If I went away she might either fall ill, recover, and marry some Eddie Burke, or she might recklessly or deliberately go and do something foolish. On the other hand if she tired of me, then her whole life would be before her with beautiful vistas of Eddie Burkes and marriage rings and twins and Harlem flats and Heaven knows what. As I strolled along through the trees by the Washington Arch, I decided that she should find a substantial friend in me anyway and the future could take care of itself. Then I went into the house and put on my evening dress for the little faintly perfumed note on my dresser said, "Have a cab at the stage door at eleven," and the note was signed "Edith Carmichael, Metropolitan Theater, June 19th, 189-."

At age twelve, Sophie learns that the remarkable abilities that have always caused her to stand out identify her as an elf, and after being brought to Eternalia to hone her skills, discovers that she has secrets buried in her memory for which some would kill.

In boyhood, Louis Zamperini was an incorrigible delinquent. As a teenager, he channeled his defiance into running, discovering a prodigious talent that had carried him to the Berlin Olympics. But when World War II began, the athlete became an airman, embarking on a journey that led to a doomed flight on a May afternoon in 1943. When his Army Air Forces bomber crashed into the Pacific Ocean, against all odds, Zamperini survived, adrift on a foundering life raft. Ahead of Zamperini lay thousands of miles of open ocean, leaping sharks, thirst and starvation, enemy aircraft, and, beyond, a trial even greater. Driven to the limits of endurance, Zamperini would answer desperation with ingenuity; suffering with hope, resolve, and humor; brutality with rebellion. His fate, whether triumph or tragedy, would be suspended on the fraying wire of his will. Movies are not a waste of time if you're intentional about watching the movie you're viewing. Reel Leadership speaks to leaders and movie lovers who want to look at leadership and personal development in a new way. Author Joseph Lalonde wants leaders to enjoy entertainment without feeling guilty. When he began his own personal development journey, Lalonde discovered how leadership gurus try to dissuade people from enjoying regular forms of entertainment because they see it as a waste of time. He fell in line and believed this lie; that entertainment, especially movies, held no real value. Over time, he realized each movie provides a story with a moral premise or leadership lesson. In this book, you'll read about: David Hayter (the writer of X-Men 1 and 2) and how he dealt with a demanding director on set. Daniel Knudsen and how every great movie should have a moral premise. Marty Himmel and how he overcame fear because of the movies he watched. Through Reel Leadership, you'll discover how movies provide more than just a quick escape. They are powerful tools for communicating leadership principles and how to find their leadership lessons.
