An introductory chapter will introduce and contextualise the key themes of the book. It outlines the value in supporting acquisition of cross-disciplinary collaboration, innovation and entrepreneurship skills in students and why visual tools are particularly useful in doing this. The main body of the book will be divided into four sections, each will include theory and case study based inquiries. - Visual Tools for Collaboration This first section would explore approaches to developing skills for cross-disciplinary collaboration in students leveraging visual tools and artefacts. - Visual tools for Innovation This second section would explore approaches to scaffolding the acquisition of innovation skills in students via use of visual tools and artefacts. - Visual tools for Entrepreneurship This third section would explore how students can be supported and encouraged to attain appropriate skills and knowledge for successful entrepreneurship

through the use of visual tools and artefacts. - Integrated Approaches This fourth, and final, section will demonstrate integrated approaches with respect two or three of these. The chapter authors have been selected from across disciplinary specialisations from a global pool of educators and practitioners in order to provide a broad range of perspectives. Crazy About the Baumgartners

Henry's in trouble. He's gone from being a big fish in a little pond in his home town to being a very small fish in a much bigger pond at college, and he's just not keeping up. Instead of passing him through his classes because of his athletic ability like they did in high school, he discovers his professors actually mean it when they say he needs to do the work or he's going to fail his classes—and be kicked off the all-star hockey team. Adjusting to life at university sure isn't as easy or fun as he thought it was going to be—his roommate likes the same girl he does, and it looks like she likes him, too; he's failing English for sure and the dragon-lady who teaches the class seems to have a personal vendetta against him; and his hockey coach has even gone so far as to bench him! When his parents hire him a tutor, he turns to this angel of mercy for help, but little does he realize that Mrs. Toni Franklin is going to complicate his

But she didn't move her hand away. Instead she began inching it slowly upward and he held his breath, his eyes half-closed and glazed over. He didn't know how long it took for her to reach his crotch. Half an hour? An hour? It was an agonizingly slow progression, but he

didn't dare move. On the screen, Brando and the girl had found a myriad of ways to have sex, only making things worse off-screen. Henry was so turned on he thought he just might come in his pants when he felt her long, red fingernails graze over his erection through his jeans. When he pressed his hips up toward her hand, he heard her swallow, her palm resting now against his zipper. Her face was turned toward the screen, as if the movie and whatever Brando was doing with a stick of butter was the most interesting thing she'd ever seen, but she was exploring the outline of his cock with her fingers in the dark. He wanted to touch her, too, but he didn't want to break the spell they were under, was too afraid she would stop, say no. He let out a soft cry when she rubbed her thumb over the head of his dick through the denim. She shifted in her seat, crossing and uncrossing her legs, and he could hear her breath coming faster, almost as fast as his. He let his knees fall further open, feeling her thigh brush his. Her sweet, bare leg. He glanced down and saw that her skirt was up, far

up over her knees, up the long, slim
expanse of her thigh. She was too sexy
for words. His eyes searched for her
hemline, but it just kept going up and
up, the folds of her skirt finally
tucked into the V of her crotch. It was
then that he realized where her other
hand was. The thought of her touching
herself, right there next to him in the
dark, made his cock swell in response.
He slowly covered her hand, the one
cupping his erection, with his own. She
whimpered when he did that and he saw
her close her eyes as he rocked up
against her, with her. Then she searched
for and found his zipper. She inched it
down, not even unsnapping his jeans,
just sliding her hand into the opening
to feel him through his boxers.

Ronnie (or "Veronica" as Mrs. B always insisted on calling her) is all grown up with a family of her own, and the Christmas she babysat for the Baumgartners is just a pinpoint in her memory. That is, until a persistent suggestion of a threesome by her husband, T.J., brings it all flooding back. When she reveals how the Baumgartners and the nanny, Gretchen, had seduced her during her time in Key West, her husband takes it upon himself to make some phone calls. Opportunity, or perhaps fate, presents itself, and Ronnie and her husband get an invitation to join Gretchen and the Baumgartners on their vacation. Ronnie finds herself torn, once again, between what she wants and what someone else wants for her--or are they, after all, one in the same?-----Warning: This title contains erotic situations, graphic language, sex, and so much a

ménage a trois (MFF threesome) action you just may begin to chafe!-----EXCERPT: "Come on, Ronnie..." His hand massaged my scalp, his eyes tender but questioning. "We've been married for almost seven years. You can't tell me you've never been attracted to anyone else? I know you have!" I blinked, trying not to think about the way Hector at work smiled and winked whenever I passed his classroom, how he often showed up in the tiny copy room the same time I did, brushing up against me from behind, his hand cupping the side of my hip, to get a ream of legal paper. So I felt a little twinge when he did, a warmth between my thighs, a tug in my belly. It didn't mean anything. It didn't mean—"Just because I'm attracted to someone doesn't mean I'm going to act on it." TJ's eyes searched mine, lazily rubbing the head of his cock back and forth against my lower lip. "But why not?" "Because we made a commitment." I raked my teeth lightly across the spongy tip and he jumped. "Don't be so literal." He rolled me over, pressing his weight onto me, opening my legs. I

acquiesced with a sigh, loving the feel of his hardness rubbing up and down between my slit, but hating his words. "Our commitment is what we say it is..." His lips murmured against the pulse in my throat and I let my fingers brush the fine hairs at the back of his neck, soft as a baby. "I'm not talking about not loving you. I'm talking about sex." His words were supposed to reassure me, but I felt my throat constrict. "So basically, you're saying I'm not enough for you." "No, baby." He rocked, slow and easy—god, he knew how I loved that, opening me, a slow split, a gentle friction, up and up. "You're more than enough..." More reassuring words—but why didn't I feel reassured? His mouth covered mine, the kiss deep and searching, his tongue slowly drawing me in, drawing me out, teasing me as he rubbed his stiff heat between my thighs. It throbbed there, insistent, making me squirm. "God, you're so sweet..." His words were hot against my ear now, his teeth gently biting and tugging at the lobe. "I never want you to think you're not enough, you're so very much more than

Get Free Meet The Baumgartners 0 Selena Kitt

enough..."His cock found me with a shift of his hips, seeking entrance, and I gasped as he slid forward until he felt resistance, about halfway there. His breath caught and he gave a low moan that went through me like shiver, and still, he didn't stop talking, telling me... "There's no other woman like you. I want you and I want to share you, baby. I want the whole world to know how good you are, how sweet, how fucking hot..." He pulled back and plunged forward, so deep I clutched his shoulders, digging my nails in. TJ's eyes sought mine, dark and full of hunger. "How fucking mine you are."

For the first time in years, Carrie Baumgartner doesn't have any chicks in the nest--all the fledglings have flown the coop and she's finally got her sexy, energetic husband all to herself! Doc suggests they take advantage of this newfound freedom, and his adventurous wife has no objections. She intends to enjoy their little nest, preferably in every room, in every position they can possibly imagine. But an empty house has its echoes, and while Doc buys a new muscle car and

considers retiring from his practice to mark his mid-life crisis, his wife experiences a much deeper quandry. Carrie has been in communication with someone from her past, and their relationship has blossomed into something no one expected. Things with Jody are so intense, it scares her a little, and even her usually open-minded husband has his reservations. When Carrie and Doc go on a hot, fun-in-the-sun vacation to their Florida Keys timeshare, couple time is interrupted by a very sexy, but distraught third. Jody's in trouble and has nowhere else to turn. Of course, the Baumgartners offer their assistance--and even their bed. But this is the kind of threesome the polyamorous couple could never have imagined, even in their wildest fantasies, and it's about to turn everything upside down. If you thought the Baumgartners were uninhibited before, you're about to see what it's like when they really let their freak-flag fly. Join them down where it's hot, moist and humid--and where the surprises sometimes come faster than they do! ----- IF YOU LIKED

"This volume of essays is the first to focus on the Colored Conventions movement, the nineteenth century's longest campaign for Black civil rights. Well before the founding of the NAACP and other twentieth-century pillars of the civil rights movement, tens of thousands of Black leaders organized state and national conventions across North America. Over seven decades, they advocated for social justice and against slavery, protesting state-sanctioned and mob violence while demanding voting, legal, labor, and educational rights. Collectively, these essays highlight the vital role of the Colored Conventions in the lives of thousands of early organizers, including many of the most famous writers, ministers, politicians, and entrepreneurs in the long history of Black activism"--

Combining history of science and a history of universities with the new imperial history, *Universities in Imperial Austria 1848-1918: A Social History of a Multilingual Space* by Jan Surman analyzes the practice of scholarly migration and its lasting influence on the intellectual output in the Austrian part of the Habsburg Empire. The Habsburg Empire and its successor states were home to developments that shaped Central Europe's scholarship well into the twentieth century. Universities became centers of both state- and nation-building, as well as of confessional resistance, placing scholars if not in conflict, then certainly at odds with the neutral international orientation of academe. By going beyond national narratives, Surman reveals the Empire as a state with institutions divided by language but united by legislation, practices, and other influences. Such an approach allows readers a better view to how scholars turned gradually away from state-centric discourse to form distinct language communities after 1867; these influences affected scholarship, and by examining the scholarly record, Surman tracks the turn. Drawing on archives in Austria, the Czech Republic, Poland, and Ukraine, Surman analyzes the careers of several thousand scholars from the faculties of philosophy and medicine of a number of Habsburg universities, thus covering various moments in the history of the Empire for the

widest view. Universities in Imperial Austria 1848-1918 focuses on the tension between the political and linguistic spaces scholars occupied and shows that this tension did not lead to a gradual dissolution of the monarchy's academia, but rather to an ongoing development of new strategies to cope with the cultural and linguistic multitude.

Henry Letters to the

Baumgartners-----EXCERPT: "Would it be wrong to tell you how much I want to kiss you?" His eyes were silver in the moonlight, his breath full of sake. "No," I whispered, putting my arms around his neck. "It would be really wrong not to do it, though." "You think?" His lips met mine before I could think of a response, before I could think at all. He tasted like sake, too, but so did I. I wasn't sure it was the sake, though, that was sending the fire flowing through my veins as we kissed. I slipped a hand through his hair, all those dark curls, as his mouth slanted across mine and our tongues began to explore. I forgot where we were, I forgot everything but the feel of his body against mine, my breasts pressed against his chest as he pulled me in closer. "Janie, I want you," he whispered, kissing my neck, enveloping me in his arms. I could feel that—his cock hard through his trousers, pressed against my belly. "Would it be wrong to take you home with me tonight?" I shivered as he lavished kisses over my neck and shoulders, his breath hot, coming almost as fast as mine. I wanted to answer

him, to tell him yes, but I was too afraid. What would happen then, I wondered? What would it be like, waking up with Josh but having to face Catherine in the morning? How was this going to work?"Josh," I murmured as his hands moved down my back, cupping my ass, squeezing gently as his tongue made little circles over my collarbone. God, if he kept that up, I was going to be inviting him back to my place, and I didn't even want to think about the consequences of that, what Ronnie and TJ would say."You feel so good," he groaned, and before I knew it, we were kissing on a park bench, Josh pulling me into his lap. My dress was too tight to allow me to straddle him properly, so he pushed it up and grabbed my hips, crushing the red silk of my panties directly against the heat of his erection. I could feel it through his trousers, riding up and down as we rocked together."Oh god," I moaned softly when he broke off to stroke my breasts through my dress, kissing the swell of my cleavage. I could see the hunger in his eyes when he looked up at me in the glow of a street light. "Please, Josh..."He slipped a hand behind my neck, pulling my mouth down to his, kissing me breathless. When I slid my hand between us to feel the length of his cock through the thin material, he groaned...

He's big. He's bad. And he only wants one thing. Revenge. Ric Ryker spent years being called "Big Dick." Ridiculed for his weight, shunned by all the

pretty girls, snubbed by all the cool guys. But after a secret journey of transformation, he's back--ready to take over leadership from his father at Ryker Arms--with an impressive new physique and a plan to prove them all wrong. Especially her. The one woman who hurt him the most. Annalesa--sweet, smart, stunning. And his stepsister. The girl he could never have. The girl who wouldn't look twice at him anyway--especially in front of her stuck-up friends. Now he's going to make her want him. Show her just what she was missing. And hurt her, just like she hurt him. He's got the weapon and he's taken aim--but he didn't count on his own heart getting caught in the crossfire.

NEW YORK TIMES BESTSELLING and AWARD WINNING AUTHOR SELENA KITT - OVER 2 MILLION BOOKS SOLD! ----- David has been brightening up his gray Surrey, England days with the magazine collection hidden in the shed but when he finds that their American foreign exchange student, Dawn, has discovered his magazines, things really begin to heat up. David's is supposed to be looking for a job, but Dawn has the week off and is determined to work on her tan. Distracted David finds himself increasingly tempted by their seductive foreign exchange student, who makes it very clear what she wants. In spite of the Study Abroad program's strict policy against fraternizing, Dawn's teasing ways slowly break down the barrier between them until

they both give in to their lust. But what are they going to do about the feelings that have developed between them in the meantime? NOTE: Previously titled Foreign Exchange, this is a slightly less naughty, but no less sexy re-telling--updated and redressed for your reading pleasure. EXCERPT: "David?" I woke up with a grunt, hearing my name being hissed from beside the bed. It was dark, but I could make out her outline in the moonlight coming through the window. She was on her hands and knees, crawling toward me. "Dawn?" I felt her find the bed with a thud. "Ow." She whimpered. "Christ!" I reached for her, groping in the dark. My hand found her arm, helping her up into the bed. "What are you doing?" "Ta," she said, thanking me. I could smell the alcohol on her now. "It's a long way when you're legless." "Shhhh!" I looked toward my door. I was listening for my Mum or Dad but didn't hear them. "C'mon, let's get you to bed." "That's where I am." She crawled up against me in the dark and pressed me down, snuggling up against my bare chest. "Hey, you sleep naked! When did you start that?" "Since I was fourteen," I whispered. "Keep your voice down, Dawn." "I am." She kissed my shoulder. "You feel good." "Okay." I tried to untangle her limbs from mine. "You are pretty well lashed, and I think this

is a bad idea. C'mon, let's go." "Nooooo!" She slid her bare foot up the inside of my calf. She'd lost her heels somewhere, I noticed, but I could feel the skirt and blouse pressed against me, her body full and warm underneath, flushed from the alcohol. "Don't make me go." "I think you'd better." I tried to sit, but she was clinging to me too tightly. "I'll scream," she whispered into my ear, her breath hot against my neck. "You will not." I edged my way out from under her. I heard her intake of breath and knew she really meant to do it. What was wrong with her? Panicked, I rolled onto her, finding her mouth with my hand in the dark and pressing it there, hard. "Button it!" I hissed, feeling her wiggling and squirming underneath me. Her skirt was riding high up and I felt her bare thighs against mine, her skin like velvet. "Unbutton it," she murmured when I moved my hand away from her mouth, her fingers working her blouse from top to bottom between us.

Julia Lyle will have nothing to do with domineering men, no matter how tall, dark, and sexy. But Dom Marcus Cavendish will be satisfied with nothing less than collaring the

fiercely independent Julia. Nothing could have shocked her more... Julia Lyle is invited to her best friend's wedding and is stunned when Lana kneels to accept her husband's collar. When Julia starts to object, firm, relentless hands land on her shoulders. The man behind her threatens to turn her over his knee if she interrupts. She's outraged, but there's no doubt he's serious. After the ceremony, he offers her a glimpse into her friend's lifestyle, if she's brave enough to accept. Master Marcus Cavendish is everything she doesn't want in a man—dominant, self-assured and arrogant. So why can't she resist him? Telling herself that learning about the lifestyle will make her a better friend, Julia agrees to submit to Master Marcus, but only for the evening. Firm and unrelenting in his handling of her, he introduces her to his tawse and the pleasure/pain of a spanking delivered by a competent Dom. The experience unnerves her, making her question everything she thought she knew about relationships, and his forced orgasms leave her shattered. No doubt the scene seduced her, and that makes her doubly determined to avoid him. She has fought hard for her freedom and vowed only to date nice men, and Master Marcus is anything but safe. Marcus is undeterred. Julia is a natural sub. The way

she responded to his touch, his voice, his punishment proved it. Now he has to convince her to yield to him, submitting to his tawse as she kneels to accept his collar.

uber-hot alpha authority figures take full advantage of
their status to strike up all sorts of sexy naughtiness with
their subordinates! Her first year away from home at
Catholic college has been a disaster for shy, awkward
Emily, falling in with the wrong crowd, just trying to fit in
with the other girls. When Father Mark, the campus
psychologist, takes her under his wing, she's more than
grateful, and under his tutelage, Emily blossoms into
ripe, luscious fruit, just ready to be plucked. By the time
Father Mark realizes his mistake, it's too late—Emily has
fallen for him, and he for her. God help them both.

their subordinates! **EXCERPT:** “How are you doing
otherwise? How are classes?” She smiled at his interest.
Father Mark was always so kind. “Good. Thanks for
loaning me that book on Catholic Saints. It was just what
I was looking for.” “So are you going to tell me which
saint you were researching?” He sat back, tenting his

fingers and looking at her. Sometimes when he looked at her, she felt almost naked, like he was seeing not just through her clothes, but fully into her somehow. "Oh, it wasn't for a class." She flushed. "It was just for me." He cocked his head at her. "Which one called to you?" "Saint Lucy." There was no point not telling him. She knew he'd get it out of her eventually. He had a way of making her want to confess things, even when she wasn't in the confessional. He nodded, just waiting, somehow knowing she was going to continue, and she did. "She's the patron saint of the blind. I had a dream that I was going blind." He raised his eyebrows. "Scary?" "No, actually. I dreamed I was going blind, but I could see everything. I was just seeing it...from inside." She glanced at him, seeing the quizzical look on his face. "It's hard to explain." "I think I understand." He leaned forward, putting his elbow on his desk, cupping his chin in his hand. She could see the dark hairs covering his forearm. "Do you know how Lucy lost her sight?" "Yes. She plucked out her own eyes and sent them to the man who admired them." "Why, do you think?" Emily shrugged. "Well, the book said it was because she wanted to give her heart to God, not to a man. So when her admirer said she had beautiful eyes, she plucked them out to prove that her beauty wasn't external, and she was devoted only to God." "Why do you think she did it?" "I think..." Emily looked up, meeting his eyes fully. "I think she was afraid." "Afraid? Of what?" Father Mark looked surprised. "Doesn't it take a great deal of courage to pluck out your own eyes?" "I think it was cowardice." She bit her lip, watching his reaction. "I think she was afraid of love." Father Mark stood, coming around to the other side of the desk to lean against it in front of her. "But Lucy loved God." "Yes," Emily agreed, looking up, up, into his

handsome face. “But she was afraid of men. Of the way they looked at her. Admired her. I think she wanted to make herself ugly, so no one would notice her.” He seemed to contemplate this, and she noted the way his gaze fell on her hemline, where she was playing with the edge of her uniform skirt. “But God restored her sight,” he reminded her. “Yes, and made her eyes more beautiful than ever.” “Proving that no matter what you do, you can’t hide inner beauty.” He smiled, reaching out to tuck a stray strand of hair behind her ear. “You’re a very beautiful girl, Emily. There’s just no hiding it.” Emily’s heart swelled in her chest, even though she knew she shouldn’t be feeling what she was. He was so close she could smell him, a clean scent, like soap, and something else, masculine and heady. She was intoxicated by his dark green gaze, fixed in her chair, all of their long conversations constellated in that moment, hours spent in this office talking about everything from school and her scholarship to one of the most prestigious Catholic girls’ colleges in the country, to her overprotective mother and her long-dead father whose image glowed like an angel in the distance of her memory. “I don’t try to hide it with you.” She turned her face so his palm was cupping her cheek, relishing the touch of his skin against hers. Was this really happening? “You make me feel beautiful.” “You are. You really are,” he whispered hoarsely, his thumb moving along the line of her jaw, sending little shivers through her. “I love you, Father.” Emily turned and kissed his palm, eyes closed, breathing in his scent, her confession bubbling up without thought. “I love you.” The silence stretched between them and she didn’t need to open her eyes to feel his shock, she could see it clearly enough with her eyes closed. But he didn’t move his hand from her cheek, didn’t withdraw. Instead,

his hand moved down to her shoulder, his finger moving along the sensitive area of skin over her collarbone, tracing it under the open V of her blouse. She held her breath, waiting, hoping, praying, not daring to move. “Emily...” He whispered her name and the sound was heaven. “Oh God, help me...” He kissed her and the sensation carried her skyward. She wrapped her arms around his neck, reveling in the hot press of his lips, the way he gathered her to him, pressing his hands to the small of her back so her hips met his under his robe. There was no mistaking the hard steel of him pressed against her pelvis. **Keywords: Alpha Male, Steamy Romance, Sex Stories, Erotic, Erotica, New Adult, Priest, Taboo, Forbidden**

Danielle Stuart is spending a year abroad studying in Venice, but while she loves the romance of the language and the beauty of country, she finds herself more and more confused by her growing feelings for a gondolier named Nico and her now ex-husband, Mason, who has shown up on her doorstep looking to reconcile. Desperate Dani writes to the Baumgartners in hopes her former lovers might help her clarify her muddled emotions. Finding herself torn between the two men, she reveals her dizzying dilemma, only to discover, thanks to the Baumgartner's insight and her own sense of sexual discovery, that she may not have to choose after all.-----**WARNING: This title contains graphic language and mmf sex, including m/m and some anal sex.-----EXCERPT:**“Not here,” I whispered as Nico kissed me into a narrow alleyway, the cool brick biting my back, pressed hard against the wall. “Yes here,” he insisted, and I cursed myself for wearing a skirt to school. March was flirting with April and the weather had been sunny and bordering on warm all day, prompting my choice of

outfit. "No, no," I protested, but telling him no was impossible. He took when he wanted, when he wanted. I couldn't deny him, and even as my mind forbid him, my body responded, my hips thrusting to meet the hard press of his cock through his trousers, my mouth opening under his. "I can't wait," he murmured, his hand cupping my mound through my skirt. "I've been thinking about you all day. My cock has been hard for hours." "We could get caught," I whispered, eyes closed with pleasure as he rocked the heel of his palm against my pussy. It was still daylight and anyone passing by the alleyway could see us. "Arrested. What would your mother say?" "I don't care," he growled, yanking my skirt up to my waist, exposing the black flash of my panties underneath. "Nico!" I gasped when he went to his knees, unmindful of the suit he was wearing, burying his face between my legs. The truth was, I was already soaking wet—I'd been thinking about him all day too, about our date and where we would go to ease this ache. I had to sneak him into my flat past Caro Lucia. His mother guarded his place like Fort Knox. We had found places of course, the darkness our accomplice. We had christened the restroom at the Mood Café twice, once in the men's room, the second time in the women's. We'd made love in the gondola in the dark several times, tied to a post, nearly tipping it over once in a narrow canal with our fervor. We'd even done it like this, in dark alleys, cul-de-sacs, entryways to empty buildings. But we'd never dared to do it like this, in the daylight, in plain sight. I usually felt like a naughty teenager, sneaking around and hiding our lust, but this was beyond daring—it was dangerous. I loved it. "Lick it," I begged, sliding my leg up over his shoulder to give him better access. He nudged my panties aside and did just as he was told, his mouth

working sweet, hot magic between my legs. My clit throbbed against his tongue, my nipples hardening under my blouse. I rubbed my own breasts, grazing them with my nails through the material, sending hot tingles down between my thighs.

She squatted down before Peep, whose hands were bound behind her to her feet with pink satin sashes.“You are a pretty little one,” Mother said, lifting the girl's chin and studying her face. Mother's eyes moved over the girl's body, the pink and white corset drawn tight, her blonde curls spilling over her shoulders, partially hiding Peep's rosy little nipples.

“Sometimes I think you're just playing dumb.”“No, Mother,” Peep implored, shaking her head. “I penned them, I promise you.”“Is that so?” Mother asked, standing again. Peep looked up Mother's long legs, encased in black fishnet stockings and garters, the dark triangle between her legs exposed, as it always was, for easy access.Mother had taken to wearing black since Father had crossed over, and her mood was ever changeable, but lately she seemed often cross and hard to please. Mother tapped

her toe in front of Peep's knee, folding her arms over her ample breasts that were pushed up high in her black corset, but covered with the sheer, lace peignoir that she always wore, unbuttoned to the floor. "Mother, please," Peep pleaded. "I will go tend them, if you let me." Mother walked over to the cabinet and the girl moaned, the sound caught halfway between regret and anticipation. "I think we need a little correction, don't you?" Mother's voice drifted over her shoulder as she chose a small cat o'nine tails from her collection. "Please," Peep pleaded again, her eyes downcast. "I'll be a good girl." "Yes," Mother murmured, coming to caress the her cheek with her soft hand. "You will." Mother reached behind the girl and began untying the pink satin ribbon that bound her. Peep sighed in relief, rolling her tired shoulders once her arms were free. She leaned forward onto her hands and knees as Mother began to untie her feet, but then the older woman stopped. "No... this is good," Mother said, tightening the sashes at the girl's ankles, chuckling. "Turn around, Little Bo Peep, who's lost her sheep, and doesn't know were to find them." Peep did as she was told, turning her face toward the wall on her hands and knees, using her hands to slowly work herself around. She felt Mother's hand caressing her ass, and she shivered, looking back over her shoulder at the older woman. Mother was squatting down behind her, beginning to drip the many straps of the cat o'nine tails over Peep's behind like a little leather waterfall. "Peep's little puss,"

Mother whispered, parting the dark blonde fuzz with her fingers to peer in at the pink treasure. “I love peeping at Peep's little puss.” Mother giggled, wiggling her fingers through and finding the girl's clit. “Oh, Mother!” Peep moaned, lifting her bottom in the air as much as she could with her feet tied together at the ankles.

Selena Kitt's *Power Play*—where those uber-hot alpha authority figures take full advantage of their status to strike up all sorts of sexy naughtiness with their subordinates! **Kelsey and the Executive: Kelsey never dreamed her first job out of college with her bachelor's degree in hand would be as a secretary. Still, she's**

grateful to have any job at all, with the economy at a standstill, and she consoles herself that she is, after all, an “executive” secretary to one of the most powerful men in the country. Oliver Pierce turns out to be a harsh taskmaster, and while her friends wonder how Kelsey got the job at all, with such a thin resume, Kelsey doesn’t have to wonder. It becomes quite clear very quickly that her lack of experience is exactly what Oliver Pierce was looking for, and she finds herself utterly seduced, happy to be his perfect blank slate, ready to be shaped and molded and made completely his. Katie and the Dom: Katie has a secret wish—she wants to be a submissive. She dreams of being a man’s sex slave—forced, bound, gagged, taken and used for a man’s pleasure. But single, sedate, librarian Katie doesn’t run in those circles and has no idea how to make that happen, until she sees an ad on Craigslist. Her friend, Lori, tells her it’s too dangerous, and she’s right. Her first Dom, Patrick, is woefully inexperienced, but thankfully, Liam interrupts his little brother’s attempts. And that’s when Katie locks eyes with the most dangerous man she’ll ever meet. Liam is a true Dom, and he wants Katie, perhaps even more than she wants him. Emily and the Priest: Her first year away from home at Catholic college has been a disaster for shy, awkward Emily, falling in with the wrong crowd, just trying to fit in with the other girls. When Father Mark, the campus psychologist, takes her under his wing, she’s more than grateful, and under his tutelage, Emily blossoms into ripe, luscious

fruit, just ready to be plucked. By the time Father Mark realizes his mistake, it's too late—Emily has fallen for him, and he for her. God help them both. Ivy and the Cop: Ivy's car has broken down in the middle of the night in the middle of nowhere on the way back from a summer babysitting job, her cell phone forgotten on her dresser at home, and she's never been so grateful to see flashing lights in her rearview mirror. The rugged, gorgeous cop who comes to her rescue is sympathetic, inviting Ivy into the front seat of his cruiser where he intends to call for a tow-truck. But before he can get that far, their incessant flirting leads to Ivy's confession that she's always had a thing for cops, and officer Paxton declares himself off-duty—so he can play out Ivy's fantasy with her over the hood of the police cruiser. Bailey and the Professor: Bailey's graduate science classes are much harder than she expected them to be, and strict, young Professor Jacobs, in particular, seems out to get her, finding minute mistakes in her work, making her re-do assignments she's already meticulously completed. When he forces her to start staying late in the lab, Bailey complains to her roommate that she's about ready to quit school altogether, but what she doesn't know is that her stern professor has a carnal lesson he's waiting to teach her. Bailey is about to discover that she and Professor Jacobs share a great deal of "chemistry" together! Jodie and the Billionaire: A trip to Vegas for her best friend's bachelorette party is the perfect break from her high stress job, and it serves to

be lucky for Jodie, when handsome millionaire Dorian Cole asks her to roll dice for him at the craps table. Always lucky with dice, Jodie wins him two-hundred-thousand dollars. Grateful, Dorian offers to tip her, but Jodie refuses, ready to go off with her friends to a night on the town. And that's when Jodie gets a real life indecent proposal—an invitation to be the billionaire's "date" for the weekend. Looking into the man's darkly seductive eyes—how could she possibly say no? Donnie and the Maid: Divorced Donnie hasn't had it easy since his wife abandoned him for a six-figure income with the richest man in the county, taking their daughter with her. He knows he's a bit of a daydreamer—a writer, a poet—who just can't be bothered with real world things like preparing meals or cleaning toilets. When his twelve-year-old daughter complains that Dad's house is "grody" and tells him, "Mom keeps threatening to call social services," Donnie breaks down and hires a housekeeper. Sexy little Elena is a godsend, in more ways than one, descending on his house with a feather duster and a skirt so short it takes his breath away. And while Donnie struggles to keep his lust—and his growing feelings—in check, Elena finally makes it clear that he's more than welcome to service the new maid!
