These easy-to-read, progressive exercises by Joanne Martin develop a student’s reading skills one stage at a time, with many repetitions at each stage. I Can Read Music is designed as a first note-reading book for students of string instruments who have learned to play using an aural approach such as the Suzuki Method®, or for traditionally taught students who need extra note reading practice. Its presentation of new ideas is clear enough that it can be used daily at home by quite young children and their parents, with the teacher checking progress every week or two.

This compact volume offers an integrated guide to both Norwegian verbs and the basics of grammar. All the major verbal and grammatical concepts of the language are presented.

Norge er i dag et av verdens mest likestilte land. Hvordan kom vi hit? For første gang foreligger en samlet oversikt over norske kvinners liv og kamp. Forfatteren tar oss med til husmorrollen, opprørene, forsøkene på å tøyte kvinners begjær og krav om like rettigheter, til milepæler som stemmerett, fødselspermisjon og likestillingsloven. Resultatet er omfangsrikt, og gis ut i to bind. Denne første boka gir en kronologisk oversikt over de ulike periodene i kvinnekampen. Forholdet mellom de borgerlige feministene og arbeiderbevegelsens kvinner er en rød tråd i begge bøker. Fram til rundt 1970 bar borgerlige kvinner fram kvinnesaken. Så ble fortroppen venstretradikal. Hvorfor og hvordan skjedde dette? Forfatter Bodil Christine Erichsen besvarer disse spørsmålene og loser oss gjennom ulike feministiske retninger fram til i dag. Bodil Christine Erichsen (f. 1954) er historiker, frilansskribent og utdannet allmennlærer.

This is the story: Erna Langvik gives her eight year old granddaughter a special birthday present: a doll inspired by the traditional Norwegian mythical creature "Nisse." Nils as the doll is called leads a happy life with his new family in Oslo. But due to an accident, Nils finds out that he means a lot more to Erna than just being a birthday present. Without knowing it, he has been carrying a painful secret, and during an adventurous trip to Northern Norway, he helps Erna to make one of the most important decisions of her life."

“ Join the Emotions as they take you on a journey about feelings and moods and why they happen in our bodies. Sometimes you may feel angry, and sometimes you might feel happy but what matters most is that the way we feel is important ”—Container.

The third psychological mystery in the Oslo Crime Files, a tense and dark quartet of thrillers for fans of Camilla Lackberg and Jo Nesbo. A man obsessed with the cleansing power of fire is destroying everything that reminds him of his youth. He calls himself the Fire Man.

That same Easter, a teenager is threatened by his girlfriend's tradition-bound family. Karsten's attempts to protect himself put him and his sister Synne at even greater risk. Then he disappears all together. Eight years later, Synne is determined to find out what happened that night. But her investigation will ignite smouldering and dangerous memories. And the Fire Man is still there, waiting, and watching her search for the truth at every step... The Mystery of Nils. Part 1 – Norwegian Course for Beginners. Learn Norwegian – Enjoy the Story.

This intermediate workbook, like the other materials in the Norsk, nordmenn og Norge series, regards communication as the primary goal of language learning. Experience has shown that students need to pass through a period of meaningful structural practice as they develop their communication skills. The workbook aims to provide that practice in psychologically realistic and useful ways, combining entertaining activities with more traditional exercises. Toward these ends, the workbook features:
•an extensive overview of the basics of Norwegian grammar, providing a ready reference throughout the course
•a thorough review of elementary Norwegian vocabulary and grammar, allowing students whose preparation in the language differs to share a common knowledge base
•Hvem er du? sections that encourage the learner to personalize the material
•Litt av hvert sections that provide short summaries of the anthology’s reading passages (lesestykker) while reviewing common problems with vocabulary and grammar
•crossword puzzles and cartoons. Norsk, nordmenn og Norge: Arbeidsbok (Workbook) is a companion to the Norsk, nordmenn og Norge: Antologi (Anthology) and Lærerveiledning (Teacher’s Manual).

Norwegian: An Essential Grammar is a reference guide to the most important aspects of contemporary Norwegian as used by native speakers. The Grammar presents a fresh and accessible description of the language. Explanations are clear, free from jargon and often accompanied by exercises. The book gives a simple, step-by-step presentation of the grammatical systems of Norwegian and demonstrates and explains usages which have proved difficult for those learning the language in the past. It is clearly laid-out for easy reference making it accessible for those at a beginner/intermediate level. This is the ideal reference source for all learners, whether studying independently or in a class.

Little Guides for All My Emotions

A Norwegian crime thriller with a gripping psychological edge

The Iliad is an ancient Greek epic poem in dactylic hexameter, traditionally attributed to Homer. Set during the Trojan War, the ten-year siege of the city of Troy (Ilium) by a coalition of Greek states, it tells of the battles and events during the weeks of a quarrel between King Agamemnon and the warrior Achilles.
