Its early December when sixteen-year-old Edward Paige leans out of the train window and bids his parents farewell. Bound for London, then the south of France where he will join his first ship as a deck apprentice, Edward is about to become a man of the sea. Edward has had a yearning to go to sea for as long as he can remember. As he embarks on his adventure, he has one goal - to become an officer in the British Merchant Navy. After finishing cadet school, where the learning curve is steep and the life lessons are plentiful, Edward soon receives his first glimpse of the Mediterranean as he arrives in Marseilles, France. On an adventure marked not only by hardship but also joy, Edwards travels take him to the North Sea, the Baltic, the angry North Atlantic, the Caribbean, and the South Atlantic - but it is the night he spends with a beautiful woman in Buenos Aires that will change his life forever. In this coming-of-age tale, Edward battles the sea, the weather, and his own emotions as he enters into manhood.

IMU CET as you know is an exam for taking admission in to the maritime colleges. IMU Common Entrance Test (CET), which is also known as IMU CET, is conducted by Indian Maritime University, a government recognized University. The University conducts the common entrance test for admission in its undergraduate level program in the field of maritime engineering. PCM (Physics, Chemistry and Math) has important role in IMU CET and all competitive exams. Even a single question can change your rank, life and future. The questions on PCM asked in various competitive examinations aren't easy to solve without having enough practice of the concepts on which the same are based. The book is especially helpful to students who are preparing for IMU CET exam. While designing this book, the format and the nature of the examination have been taken into consideration. The book can also be used by students who are preparing for other competitive examinations.

This volume traces the modern critical and performance history of this play, one of Shakespeare's most-loved and most-performed comedies. The essay focus on such modern concerns as feminism, deconstruction, textual theory, and queer theory.

After going absent without leave from the British army, Ozay Rinpoche begins down a path that leads to solitary confinement in prison. There he establishes a disciplined program of exercise, Bible-reading, and meditation. Pushing himself to meditate for four hours at a time, he arrives at a point of liberation. Ozay's story is the universal story of self-discovery and redemption. Freedom! includes instructions for meditation and dream interpretation.
