

## ***Merciless Dominion Trilogy Book 3***

From the Gamma Quadrant they came, hordes of merciless Jem'Hadar soldiers commanded by the shape-changing Founders, who seek to conquer both the United Federation of Planets and the Klingon™ Empire. Now that the Dominion has joined forces with the Cardassians, and claimed Deep Space Nine™ as their prize, Starfleet is running out of time. As a secret military project nears completion, the destiny of the entire Alpha Quadrant depends on the courage of a few. In the Federation's time of greatest peril, as the Starship Enterprise™ readies itself for battle, Captain Jean-Luc Picard leads a desperate mission of espionage deep into the heart of the hostile Cardassian Empire. Unless they can prevent the Dominion from creating an artificial wormhole, hordes of fresh Jem'Hadar warriors and Changelings will pour into the Alpha Quadrant, dooming the Federation to unconditional surrender. But there may be a traitor along on the mission and Picard finds he cannot trust even his closest allies.

Nolan Gray is an elite soldier, skilled in all forms of combat. After years fighting on foreign battlefields, witnessing unspeakable evils and atrocities firsthand, a world-weary Nolan returns home to find it just as corrupt as the war zones. Everywhere he looks, there's pain and cruelty. Society is being destroyed by wicked men who don't care who they make suffer or destroy. Nolan decides to do what no one else can, what no one has ever attempted. He will defend the helpless. He will tear down the wicked. He will wage a one-man war on the heart of man, and he won't stop until the world is the way it should be. The wicked have had their day. Morality's time has come. In a culture starving for a hero, can one extraordinary man make things right?

"Nineteen Eighty-Four: A Novel", often published as "1984", is a dystopian social science fiction novel by English novelist George Orwell. It was published on 8 June 1949 by Secker & Warburg as Orwell's ninth and final book completed in his lifetime.

Thematically, "Nineteen Eighty-Four" centres on the consequences of totalitarianism, mass surveillance, and repressive regimentation of persons and behaviours within society. Orwell, himself a democratic socialist, modelled the authoritarian government in the novel after Stalinist Russia. More broadly, the novel examines the role of truth and facts within politics and the ways in which they are manipulated. The story takes place in an imagined future, the year 1984, when much of the world has fallen victim to perpetual war, omnipresent government surveillance, historical negationism, and propaganda. Great Britain, known as Airstrip One, has become a province of a totalitarian superstate named Oceania that is ruled by the Party who employ the Thought Police to persecute individuality and independent thinking. Big Brother, the leader of the Party, enjoys an intense cult of personality despite the fact that he may not even exist. The protagonist, Winston Smith, is a diligent and skillful rank-and-file worker and Outer Party member who secretly hates the Party and dreams of rebellion. He enters into a forbidden relationship with a colleague, Julia, and starts to remember what life was like before the Party came to power.

Soldier Nolan Gray, who is disgusted by the cruelty and corruption he sees everywhere around him, fakes his own death so that he can

take on the evils that beset society and fight to defend the helpless.

*Princess Alera of Hytanica resents that she is duty-bound to wed Steldor, the arrogant and hot-tempered suitor her father has chosen as successor to the throne, but the more she learns of palace intrigue and ancient feuds, the less sure she is of right and wrong.*

*Ghost Town is the hottest amusement park in the country, offering state-of-the-art chills and thrills involving the paranormal. The park's main ride is a haunted mansion that promises an encounter with a real ghost. When Maia Peters visits during her senior year of college, she's not expecting to be impressed. Maia grew up as the only child of a pair of world-renowned "ghost hunters," so the paranormal is nothing new. In fact, the ride feels pretty boring until the very end. There, a face appears from the mist. The face of Jordin Cole, a girl who disappeared from campus a year ago. Convinced what she saw wasn't a hoax and desperate to find answers to Jordin's disappearance, Maia launches into a quest for answers. Joined by Jordin's boyfriend--a pastor's kid with very different ideas about the spirit realm--Maia finds herself in a struggle against forces she never expected to confront.*

*Relentless (Dominion Trilogy Book #1)*

The challenges to humanity posed by the digital future, the first detailed examination of the unprecedented form of power called "surveillance capitalism," and the quest by powerful corporations to predict and control our behavior. In this masterwork of critical thinking and research, Shoshana Zuboff provides startling insights into the phenomenon that she has named surveillance capitalism. The stakes could not be higher: a global architecture of behavior modification threatens human nature in the twenty-first century.

as industrial capitalism disfigured the natural world in the twentieth. Zuboff vividly brings to life the consequences as surveillance capitalism advances from Silicon Valley into every economic sector. Vast wealth and power are accumulated in ominous new "behavioral futures markets," where predictions about our behavior are bought and sold, and the production of goods and services is subordinated to a new "means of behavioral modification." The threat has shifted from a totalitarian Big Brother state to a universal digital architecture: a "Big Other" operating in the interests of surveillance capital. Here is the crucible of an unprecedented form of power marked by extreme concentrations of knowledge and free from democratic oversight. Zuboff's comprehensive and moving analysis lays bare the threats to twenty-first century society: a controlled "hive" of total connection that seduces with promises of certainty for maximum profit -- at the expense of democracy, freedom, and our human future. With little resistance from law and society, surveillance capitalism is on the verge of dominating the social order and shaping the digital future -- if we let it.

From the Gamma Quadrant they came, hordes of merciless Jem'Hadar soldiers commanded by the shape-changing Founders, who seek to conquer both the United Federation of Planets and the Klingon? Empire. Now that the Dominion has joined forces with the Cardassians, and claimed Deep Space Nine? as their prize, Starfleet is running out of time. As a secret military project nears completion, the destiny of the entire Alpha Quadrant depends on the courage of a few. Even the brightest of lights will cast shadows.... The Dark Chronicles are the stories of those that have peered into their darkest long, flirting with the unseen, dancing with their demons. Dr. Tiana McGuire has always been an introvert. Preferring her books and research over her social life. A case of wrong place wrong time. Results in her being cursed with the gift of sight. Now her actions are close to her, must run for their lives. But the question remains, can a demon become your saving grace? Follow along as three people flee, fight and fall for their demons BOOK 1- SIGHT OF THE BEAST (Tiana & Bounty) BOOK 2 - LOVE BITES ( Yolanda & Keanu) BOOK 3 UN- TAMING THE BEAST (Tao & Stacia) You can't outrun what's already within you.....

Co-author of the Dune sequels, Kevin J. Anderson's Gods and Dragons marks his triumphant return to epic fantasy, featuring a politically charged adventure of swords, sorcery, vengeance, and the awakening of sleeping giants. Two continents at war: the Kingdoms and Ishara have been in conflict for a thousand years. But when an outside threat arises—the reawakening of a powerful ancient race that wants to remake the world—the two warring nations must somehow set aside generations of hatred to face off against a far more deadly enemy. Sunset Rising

Dominion Trilogy #3

The world changed after that terrible day when the sky burned, and now every heart is gripped by fear Earthquakes, fire, disease, and floods pummel the earth, and its citizens watch in horror. But in the darkness there is hope--an anonymous but powerful hero whom the public dubs "Guardian" emerges from the wreckage. He is Grant Borrows, one of a chosen few who walk the earth with extraordinary powers. They travel the globe, helping those in deepest peril and determined to uncover the secret behind this world-shattering cataclysm. But when signs of a dangerous ancient prophecy begin coming true, dark questions arise about secrets Grant might still be harboring. The world teeters on the brink. But some refuse to let it fall. They are: Fearless

Imagine Being Pulled Into the Hereafter. While You're Still Alive. A disillusioned business executive whose life has hit a dead-end, Nick Seagrave has lost loved ones to tragedy and his family to neglect. Now, at a point of great crisis, he unbelievably and inexplicably finds himself transported to what appears to be another world. Suddenly he's confronted with profoundly clear views of his own past and personality. At the same time, he's enabled to see, hear, taste, and smell the realities of both heaven and hell--realities that force him to face dangers and trials far greater than any he's known before. Pitted against flying beasts, a monstrous web that threatens to hold him captive, an evil, brooding intelligence, and undeniable evidence of a spiritual world, Nick must finally consider the God he claims not to believe in. Walking between two worlds, Nick Seagrave prepares to make decisions that will change his life forever, as he stands on the Edge of Eternity.

Finn and his companions barely escaped their encounter with Bilel. But not without a cost - including the loss of Finn's left arm and the magical corruption that now plagues his body. Despite those handicaps, Finn must keep pressing forward if he is to have any hope of bringing Rachael back. As the Seer predicted, the guilds and Khamsin have formed a fragile alliance. But before they can lay siege to Lahab, Finn and his companions must first find a way to defend themselves and their fledgling army from the effects of the god relic that Bilel now wields...

A conclusion to the Japanese dystopian steampunk series that began with Stormdancer finds Yukiko and Buruu taking leadership of the rebellion when the Lotus Guild unleashes a mechanical goliath and a new enemy joins the war. Map(s).

Why Marx Was Right

Kinslayer

A Journey of Black and Red

Including the Law of Nature and of Nations

Kinslayer is Book Two in Jay Kristoff's critically acclaimed Lotus War series that began with Stormdancer, featuring an unforgettable heroine and a stunningly original Japanese dystopian steampunk world A SHATTERED EMPIRE The mad Shogun Yoritomo has been assassinated by the Stormdancer Yukiko, and the threat of civil war looms over the Shima Imperium. The toxic blood lotus flower continues to ravage the land, the deadlands splitting wider by the day. The machine-worshippers of the Lotus Guild conspire to renew the nation's broken dynasty and crush the growing rebellion simultaneously - by endorsing a new Shogun who desires nothing more than to see Yukiko dead. A DARK LEGACY Yukiko and the mighty thunder tiger Buruu have been cast in the role of heroes by the Kagé rebellion. But Yukiko herself is blinded by rage over her father's death, and her ability to hear the thoughts of beasts is swelling beyond her power to control. Along with Buruu, Yukiko's anchor is Kin, the rebel Guildsman who helped her escape from Yoritomo's clutches. But Kin has his own secrets, and is haunted by visions of a future he'd rather die than see realized. A GATHERING STORM Kagé assassins lurk within the Shogun's palace, plotting to end the new dynasty before it begins. A waif from Kigen's gutters begins a friendship that could undo the entire empire. A new enemy gathers its strength, readying to push the fracturing Shima imperium into a war it cannot hope to survive. And across raging oceans, amongst islands of black glass, Yukiko and Buruu will face foes no katana or talon can defeat. The ghosts of a blood-stained past.

Three brothers and their relations in 19th century Russia provide the base for a sweeping epic overview of human striving, folly and hope. First published in 1880, The Brothers Karamazov is a landmark work in every respect. Revolving around shiftless father Fyodor Pavlovich Karamazov are the fates of his three sons, each of whom has fortunes entwined with the others. The eldest son, Dimitri, seeks an inheritance from his father and becomes his rival in love. Ivan, the second son, is so at odds with the world that he is driven near to madness, while the youngest, Alexi, is a man of faith and a natural optimist. These personalities are drawn out and tested in a crucible of conflict and emotion as the author forces upon them fundamental questions of morality, faith, reason and responsibility. This charged situation is pushed to its limit by the

addition of the unthinkable, murder and possible patricide. Using shifting viewpoints and delving into the minds of his characters, Dostoevsky adopted fresh techniques to tell his wide-reaching story with power and startling effectiveness. The Brothers Karamazov remains one of the most respected and celebrated novels in all literature and continues to reward readers beyond expectation. With an eye-catching new cover, and professionally typeset manuscript, this edition of The Brothers Karamazov is both modern and readable.

In the space of a breath, what he thought was his life...shattered. Grant Borrow's has been Shifted- in the silence between heartbeats, his whole life fundamentally altered. There's another man in the world wearing his face and living his life. What's more, the man staring back from his mirror is a stranger. But the changes don't stop at skin-level. Inexplicably, he's able to affect objects around him by simply thinking about them. And as he soon learns, he's become the central figure in a vast web of intrigue that stretches from an underground global conspiracy to a prophecy dating back over seven thousand years. Enemies and allies find him at every turn, but one thing they learn all too soon is that you don't want to push Grant Borrow's too far... Can destiny be undone? The players are ready. The game is in motion. And the pace is: Relentless. (The Dominion Trilogy Book 1)

Judith Butler's new book considers the way in which psychic life is generated by the social operation of power, and how that social operation of power is concealed and fortified by the psyche that it produces. It combines social theory, philosophy, and psychoanalysis in novel ways, and offers a more sustained analysis of the theory of subject formation implicit in her previous books.

The Dominion War: Book 3

***Evil has infiltrated our world. His name is Oblivion and his touch is death. He devastates the planet, turning it into a twisted, barren world. A dark world. And Grant Borrow's, the one man powerful enough to oppose him, is dead. As Grant's remaining friends learn the ultimate truth behind the events that shaped their lives, they secretly gather for one last battle. This showdown between good and evil will prove to every soul on earth that in the bitterest twilight, all is not lost.***

***The world must never forget that even when life is merciless, it is not hopeless.***

***The return of NASA's first manned mission to Mars was supposed to be a momentous day. But when the crew loses touch with ground control before entry, things look bleak. Safe after a treacherous landing, the crew emerges to discover the unthinkable--every man, woman, child, and animal has vanished without a trace. Alone now on their home planet, the crew sets out to discover where everyone has gone--and how to get them back--only to discover they may not be as alone as they thought.***

***Celaena has survived deadly contests and shattering heartbreak-but at an unspeakable cost. Now, she must travel to a new land to confront her darkest truth . . . a truth about her heritage that could change her life-and her future-forever.***

***Meanwhile, brutal and monstrous forces are gathering on the horizon, intent on enslaving her world. Will Celaena find the strength to not only fight her inner demons, but to take on the evil that is about to be unleashed? The bestselling series that has captured readers all over the world reaches new heights in this sequel to the New York Times best-selling Crown of Midnight. Packed with heart-pounding action, fierce new characters, and swoon-worthy romance, this third book will enthrall readers from start to finish.***

***Glen Cook, the father of Grimdark, returns to the Chronicles of the Black Company with a military fantasy adventure in Port of Shadows. The soldiers of the Black Company don't ask questions, they get paid. But being "The Lady's favored" is attracting the wrong kind of attention and has put a target on their backs--and the Company's historian, Croaker, has the biggest target of all. The one person who was taken into The Lady's Tower and returned unchanged has earned the special interest of the court of sorcerers known as The Ten Who Were Taken. Now, he and the company are being asked to seek the aid of their newest member, Mischievous Rain, to break a rebel army. However, Croaker doesn't trust any of the Taken, especially not ones that look so much like The Lady and her sister... Legacy

Port of Shadows

A Tale of the Old Dominion

The Huguenot Lovers

"February 2024: Desperate to find refuge from the nuclear storm, a group of civilians discover a secret government bio-dome. Greeted by a hail of bullets and told to turn back, the frantic refugees stand their ground and are grudgingly permitted entry. But the price of admission is high." 283 years later... Sunny O'Donnell is a seventeen-year-old slave who has never seen the sun. She was born in the Pit, a subterranean extension of the bio-dome. Though life had never been easy, lately it had become a nightmare. Her mom was killed in the annual Cull, and her dad thought it was a good time to give up on life. Reyes Crowe, her long-time boyfriend, was pressuring her to get married, even though it would mean abandoning her father. She didn't think things could get any worse until she was forced upstairs to the Dome to be a servant-girl at a bachelor party. That's where she met Leisel Holt, the president's daughter, and her fiance, Jack Kenner. Now Sunny is wanted for treason. If they catch her, she'll be

executed. She thought Leisel's betrayal was the end. Turns out, it was just the beginning. Sunset Rising is Book One of a series."

In the pantheon of air power spokesmen, Giulio Douhet holds center stage. His writings, more often cited than perhaps actually read, appear as excerpts and aphorisms in the writings of numerous other air power spokesmen, advocates-and critics. Though a highly controversial figure, the very controversy that surrounds him offers to us a testimonial of the value and depth of his work, and the need for airmen today to become familiar with his thought. The progressive development of air power to the point where, today, it is more correct to refer to aerospace power has not outdated the notions of Douhet in the slightest. In fact, in many ways, the kinds of technological capabilities that we enjoy as a global air power provider attest to the breadth of his vision. Douhet, together with Hugh "Boom" Trenchard of Great Britain and William "Billy" Mitchell of the United States, is justly recognized as one of the three great spokesmen of the early air power era. This reprint is offered in the spirit of continuing the dialogue that Douhet himself so perceptively began with the first edition of this book, published in 1921. Readers may well find much that they disagree with in this book, but also much that is of enduring value. The vital necessity of Douhet's central vision-that command of the air is all important in modern warfare-has been proven throughout the history of wars in this century, from the fighting over the Somme to the air war over Kuwait and Iraq.

The Dark Foundations continues the epic story begun in The Shadow and Night. Far beyond the tranquility of the Assembly worlds, Nezhuala, Lord-Emperor of the Dominion, is preparing a merciless and crushing attack on Farholme as a prelude to an onslaught on the Assembly. Back on Farholme, Commander Merral D'Avanos recovers from his wounds after the battle at Fallambet where the intruders were destroyed. Yet even as Merral dreams of a return to peace, he receives a warning of imminent war on a massive scale he cannot ignore. Amid the urgent preparations for battle, Merral and his friends realize the inadequacy of their defenses. Then, with weeks to spare before the predicted eve of war, Merral receives an offer of assistance from the strangest of sources. But can it be trusted? As the wave of war finally crashes over Farholme, Merral must find the answer to other questions in the heat of battle: Can Farholme survive the growing internal strains? Who will pay the price for victory? Will his own weaknesses undo both him and his world?

As it so often was, my choice was obedience, or pain. They never said anything when they came into my

cell. I had never once seen their faces. The light was far too harsh, even when I was allowed my sight. No, of them, I knew only the athletic legs, their boots, the feminine high heels that made them seem to tower over me. Sometimes they were in leather, more often in the mundane. Jeans, shorts, leggings. Once it had been slacks, as if my persecutor that day was on her way to a business meeting, and stopped off for a quick bout of torment for me. And their hands. I knew every line, crease and vein on their slender hands. Some where tan, most were pale, even delicate. What they did to me was anything but. As they held the whip, or the cane, or the crop, my eyes always focused on the hands. I knew what they wanted, what they expected. But I never cooperated. They'd never make me give it to them. I always chose the pain. No matter how bad it was — and there had been times that it was awful — it still paled next to the bitterness of obedience, of bowing. To her. Never. I would wait, in silence, whether gagged or not. They liked to make me wait. But it wouldn't work either. I would endure, and I would prevail. The door to my cell opened, the subtle zephyr of air across my chilled skin bringing me back to the present. I straightened my back, raising my chin. It was an unspoken expectation that I was to look at the floor in their presence, but I wasn't about to meekly go along with their insanity. It would cost me, I knew, but nothing came without cost in this place. I resolved to show them I was no cowering dog. I would endure. The sound of the heels on the smooth concrete always echoed, and as a result I could never tell how many of them had entered, how many would witness my ordeal, participate in it, savor it. Then the heels appeared in the circle of light shining down upon me. So, it was to be only one tormentor this time. I dreaded it when it was only one, for oddly, it always lasted longer, the pain was always worse. But I would endure. "Do you know how long you've been in this hole?" My blood ran cold at the sound of the silky smooth voice, the cool confidence, the edge in her slightly clipped cadence. It was her. I was certain of it. Anna. I was afraid, but I'd never let her know. She might make me cry out as the fire slashed across my flesh, but I'd never let her see my fear. The punishment came without warning. It was her way, and I'd come to know it well. I was crying out before the end, my back a seething mass of burning welts, my body striped with fire. As before, I tried to hold back the tears. I wouldn't let her see them. Not ever. I would not scream. I would not break. I would endure. My punishment was merciless, but that wasn't the worst of it. It was what happened afterward. Those words. She whispered them against my welted skin, as my muscles trembled and spasmed, pain wracking my shoulders, the stripes she'd left upon me like flames licking my flesh. It wasn't the lash that I feared. They were the words she

spoke to me, before leaving me to my agony, my solitude. Each time, they threatened to undo me — and each time I heard them, they were more seductive. “Surrender to me.” --- Finally, the story of Quinton Trask's ordeal can be told. This dark romantic suspense can be read as a stand-alone, but the experience will be much richer if the reader has previously read Her Troika, Book #2 in the Dominion Trust series. Publisher's Warning: This dark romance is intended for mature audiences. 18 and over only!
