

## **Mercruiser Boat Engines**

**"Covers all gasoline engines and drives, including inboards & transmissions."**

**As the "Boat Doctor" in Boating magazine, Allen Berrien helped two generations of readers keep their boats alive and well. Now his practical know-how and wisdom is collected in Powerboat Care and Repair, the only book that focuses on do-it-yourself maintenance and repair of small powerboats. Berrien**

**The aim of this book, with its superb step by step photographs and detailed diagrams is to enable every owner to understand the workings of an outboard motor (2 or 4 stroke) and be able to fix it with relative ease. It includes: an explanation of the different parts that make up the engine and how they interact; how fuel is transformed into propulsion; regular maintenance and repair worksheets to help even the most mechanically ignorant to work on their outboard engine with confidence; the most common causes of breakdown;**
