The Mirour de l'Omme (The Mirror of Mankind) is an encyclopedia of moral topics, including a vivid allegory of the Seven Deadly Sins. Author John Gower (1330-1408) was a poet, personal friend of Chaucer, and the most prominent member of his literary circle. The Science Focus Second Edition is the complete science package for the teaching of the New South Wales Stage 4 and 5 Science Syllabus. The Science Focus Second Edition package retains the identified strengths of the highly successful First Edition and includes a number of new and exciting features, improvements and components. Segregation: The Rising Costs for America documents how discriminatory practices in the housing markets through most of the past century, and that continue today, have produced extreme levels of residential segregation that result in significant disparities in access to good jobs, quality education, homeownership attainment and asset accumulation between minority and non-minority households. The book also demonstrates how problems facing minority communities are increasingly important to the nation's long-term economic vitality and global competitiveness as a whole. Solutions to the challenges facing the nation in creating a more equitable society are not beyond our ability to design or implement, and it is in the interest of all Americans to support programs aimed at creating a more just society. The book is uniquely valuable to students in the social sciences and public policy, as well as to policy makers, and city planners. Brian and his friends are not part of the cool crowd. They're the misfits and the troublemakers—the ones who jump their high school's fence to skip class regularly. So when a deadly virus breaks out, they're the only ones with a chance of surviving. The virus turns Brian's classmates and teachers into bloodthirsty attackers who don't die easily. The whole school goes on lockdown, but Brian and his best friend, Chad, are safe (and stuck) in the theater department—far from Brian's sister, Kenzie, and his ex-girlfriend with a panic attack problem, Laura. Brian and Chad, along with some of the theater kids Brian had never given the time of day before, decide to find the girls and bring them to the safety of the theater. But it won't be easy, and it will test everything they thought they knew about themselves and their classmates. Praise for SICK "The gore and action will leave enthralled readers thrilled and then sated with each kill on either side." —Booklist "Between the pacing and the heroes' salty, blue language (full of lovingly creative, genital-inspired insults), reluctant readers who love zombies will devour it, right up to the abrupt end." —Kirkus Reviews "Sick is well written, with great detail, even if it is a little gory." —VOYA Magazine Awards 2014 Quick Picks for Reluctant Young Readers list from YALSA
