

Micah For You Acting Justly Loving Mercy

We've made following Jesus far too complex. We don't know what to do with all the things in the Bible that seem necessary, so we make them into a to-do list: love others, forgive those who hurt you, have joy, be patient, stay faithful, give to the hurting, serve in your church, pray without ceasing, confess your sins, and on and on. These are all great things, but is a checklist really what Jesus intended when he said, "Follow me"? More than two thousand years ago, the prophet Micah implored Israel to return to its true calling: "Act justly, love mercy, walk humbly with your God." Could this plainspoken Bible verse not only sum up how we should live today but breathe a fresh purpose into our souls? In this practical and freeing book, pastor Rusty George shares the simplicity of what God desires from us. Living a faithful life should not be a chore, and George teaches how to put away our checklists and walk humbly according to God's will for our lives.

Considered one of the Minor Prophets, the book of Micah contains the famous quote "what does the LORD require of you but to do justice, and to love kindness, and to walk humbly with your God?" (Micah 6:8). However, many of us do not know the circumstances that led the prophet to these famous words. This serious commentary by Daniel Smith-Christopher analyzes the historical, social, and literary context of the book of Micah. Smith-Christopher presents a challenging perspective on Micah, who is here represented as an angry opposition figure to King Hezekiah and the Jerusalem elite. In Micah, we hear from those Judeans who suffered Assyrian, and later Babylonian, force but who hold Jerusalem's military folly to blame as much as the Empires of his day. Smith-Christopher's fresh reading of Micah is a stimulating addition to the Old Testament Library that will well serve both the academy and the church. The Old Testament Library series provides fresh and authoritative treatments of important aspects of Old Testament study through commentaries and general surveys. The contributors are scholars of international standing. The editorial board consists of William P. Brown, William Marcellus McPheeters Professor of Old Testament, Columbia Theological Seminary in Decatur, Georgia; Carol A. Newsom, Charles Howard Candler Professor of Old Testament, Candler School of Theology at Emory University in Atlanta, Georgia; and Brent A. Strawn, Professor of Old Testament, Candler School of Theology at Emory University in Atlanta, Georgia.

As a young man, Daniel is kidnapped and taken 500 miles from home, to serve an enemy king in the city of Babylon. Find out what happens when Daniel and his friends are put under pressure to turn their backs on God. Will they stand firm in the face of fire? Will they hold their nerve when the lions are circling? This richly illustrated book for teens and older brings the power of this exciting story to bear on our modern lives.

For centuries Christians have puzzled over what role to take in world affairs. Grant claims that this role should be based on the insight of Micah 6:8 -- to act justly, to love mercy, and to walk humbly with your God. This guidance provides the balance and foundation for applying the principles of faith and the acts of mercy and compassion.

This study not only carefully investigates the Jewish tradition of water and Spirit as the normative background of John 4, but also develops temple Christology by connecting these distinct traditions of water and the Spirit as eschatological life for John's use of Spirit as the source of new creational life. The aim of this thesis is to answer the following three crucial questions in order to sustain the development of the temple Christological theme in John 4: 1) What does the image of water represent?; 2) What does it mean to worship in Spirit and truth?, and 3) How do the disparate parts (water scene [4:6-15] and the Spirit scene [4:20-26]) function as a whole?

Observe...Interpret...Apply People with Bibles don't always know how to use them. They're good at absorbing and repeating material from sermons, commentaries, and blogs, but they miss the fullness and joy that comes from studying the Bible for themselves. The power to change the world is available, but it goes untapped. Though study aids are helpful, imagine if your primary ministry curriculum was Scripture itself. You could study the Bible, teach people how to study it themselves, and expect those folks to lead their own Bible studies with their neighbors, coworkers, and friends. Each year, you'd see an increasing number of men and women wield the sword of the Spirit, piercing hearts and drawing the lost to Jesus. Ordinary people can learn to study the Bible. These people may not have been to seminary. They don't have much free time. But they love Jesus and want to be more like him. They want to know him. Knowable Word offers a foundation on why and how to study the Bible. Using a running study of the first chapter of Genesis, it illustrates how to observe, interpret, and apply the Scripture-and gives the vision behind each step. It also shows how to read each Bible passage in light of salvation history. But besides being just a how-to on Bible study, it fuels the desire to learn and grow through studying the Scriptures. This book will appeal to three kinds of people: 1. Beginners who love God and his Word 2.Mature Christians who want to improve their Bible study skills 3.Leaders who long not only to teach but also to equip Knowable Word offers what each group needs: a sensible Bible study method. By learning to observe, interpret, and apply, ordinary people will grow extraordinarily close to Jesus Christ as they learn to study his knowable Word.

In this masterful commentary, respected biblical scholar Bruce Waltke carefully interprets the message of the prophet Micah, building a bridge between Micah's ancient world and our life today. Waltke's Commentary on Micah quickly distinguishes itself from other commentaries on this book by displaying an unprecedented exegetical thoroughness, an expert understanding of historical context, and a keen interest in illuminating the contribution of Micah to Christian theology. Tackling hard questions about date and authorship, Waltke contends that Micah himself wrote and edited the nineteen sermons comprising the book. Waltke's clear analytical outline leads readers through the three cycles of Micah, each beginning with an oracle of doom and ending with an oracle of hope, decisively showing that hope wins over doom. Learned yet amazingly accessible, combining scholarly erudition with passion for Micah's contemporary relevance, this book will well serve teachers, pastors, and students alike.

Thomas Merton: God's Messenger on the Road towards a New World highlights the contribution of the best-selling North American writer between the Second World War and 1968. The Cistercian monk called people to act justly, love kindness, and walk humbly. By his critique of technology, a major impediment for people to follow Jesus; by his writing on contemplative prayer; by his interfaith outreach; and through his witness against racism, war, and degradation of nature, Merton still matters. This book uses Micah 6:8 to organize Merton's focus on justice, lovingkindness, and humility, as well as his dialogue with Rachel Carson, Ernesto Cardinal, Gandhi, Martin Luther King, Jr., Thich Nhat Hahn, and others.

The author of Hanukkah offers inspiring suggestions on how individuals can make a difference in the lives of others and find meaning in their own lives, covering topics such as honoring your parents, visiting the sick, supporting the poor, and much more. Original.

Micah For You Acting Justly, Loving Mercy The Good Book Company

There are many devotional books available containing brief, daily inspirations that benefit all who read them. This book is different in two respects. The first is obvious: it contains two readings per day—732 in all. The second, more important difference is that the author wanted to do more than offer inspiration; this would make this book no different than so many others. The messages in the book are study

sketches in that the content is not only inspirational, but also educational, challenging, and encouraging. Most of these writings were based on author Michael J. Akers's teaching of adult Bible studies for more than thirty years and learning what really brought adults to want to deepen their knowledge and application of the Word of God.

In this book, an Old Testament scholar, a psychologist and a religious educator come together to reflect on the three elements of Micah 6:8. How do the scriptures require us to respond to the problems of the real world? How can we maintain love in our ministrations to others? How can we speak with real authority while still keeping our humility? The book is geared to assist believers to see how Micah 6:8 helps to provide a convergence point for praxis and spirituality.

The Center for Social Concerns provides community-based learning courses, community-based research, and service opportunities for students and faculty and lies at the heart of the University of Notre Dame. It is a place where faith and action, service and learning, research and resolve intersect. For more than 30 years the Center has offered educational experiences in social concerns inspired by Gospel values and the Catholic social tradition so that students and faculty may better understand and respond to poverty and injustice. Through the Center's programs students, faculty, staff, and alumni are enabled to think critically about today's complex social realities and about their responsibilities in facing them. The Second Vatican Council articulated the significance of the baptismal call to discipleship for all believers, emphasizing active participation of the laity in the life of the church in the world. Responding to that urging, the Congregation of Holy Cross dedicated themselves to intentional formation of the laity through academic study of theology and through long-term immersion at their apostolates in the United States, Peru, Chile, and Uganda. The Center for Social Concerns, founded at the University of Notre Dame in 1983 by Fr. Don McNeill, C.S.C, deepened these efforts through a combination of pastoral theology, community-based learning, and lay formation for mission. This edited volume consists of eleven firsthand accounts from those directly formed by the Center for Social Concerns' approach to pastoral theology and through post-graduate collaboration in ministry with the Congregation of the Holy Cross. These fifteen essays will hold great interest for Catholics wishing to explore the implications of Vatican II for the church's mission in the world, for undergraduate and graduate students focusing on pastoral theology and missiology, and for all the people of good drawn to explore the relationships between faith and justice, contemplation and action.

Overcoming the Great Fallacy

This Is the Day: Daily Help for Joyful Living will help readers experience the power of God in their lives. It is a practical book, designed to make life more abundant by encouraging the daily application of Biblical truths. Written from an evangelical Christian but non-denominational viewpoint and using every book in the Bible, it encourages progression from seeker to follower. The daily scripture verse becomes relevant and thus potentially life changing. These devotionals were written not by a religious professional but by a layman with a highly successful professional and business career. This adds interest to a text that speaks to the needs of lay readers.

No book was more accessible or familiar to the American founders than the Bible, and no book was more frequently alluded to or quoted from in the political discourse of the age. How and for what purposes did the founding generation use the Bible? How did the Bible influence their political culture? Shedding new light on some of the most familiar rhetoric of the founding era, Daniel Dreisbach analyzes the founders' diverse use of scripture, ranging from the literary to the theological. He shows that they looked to the Bible for insights on human nature, civic virtue, political authority, and the rights and duties of citizens, as well as for political and legal models to emulate. They quoted scripture to authorize civil resistance, to invoke divine blessings for righteous nations, and to provide the language of liberty that would be appropriated by patriotic Americans. Reading the Bible with the Founding Fathers broaches the perennial question of whether the American founding was, to some extent, informed by religious--specifically Christian--ideas. In the sense that the founding generation were members of a biblically literate society that placed the Bible at the center of culture and discourse, the answer to that question is clearly "yes." Ignoring the Bible's influence on the founders, Dreisbach warns, produces a distorted image of the American political experiment, and of the concept of self-government on which America is built.

We live in a unique moment in history. Right now, more people live in urban centers than ever before. This means that we have an unprecedented opportunity to influence the majority of the world through the church in the city. Helping us to make the most of this moment, urban pastors Justin Buzzard and Stephen Um lay out a compelling vision for cultural engagement and church planting in our world's cities. If you're looking for motivation to maintain a commitment to the city or for guidance as you consider going all in, this book provides a comprehensive analysis of urban life that informs, instructs, inspires, and answers questions including: Why cities are so important What the Bible says about cities How to overcome

common issues and develop a plan for living missionally in the city Instead of retreating from or taking from our cities, here is a call to make the cities our home, to take good care of them, and to participate in God's kingdom-building work in the urban centers of our world.

At the end of each devotional is a brief review, and at the end of the book is an opportunity to dig deeper into God's Word. The reader and the disciple will be able to reflect on a key concept and re-examine the Scripture text together. This is an ideal time to work with another person or in small group to follow up and develop meaningful discipleship relationships.
