'Secret Creatures' contains two atmospheric, thought-provoking stories that raise issues of identity and family - shot through with a dash of magic.

This book is a compilation of techniques used in psychotherapy, put together in an easy-to-read format to apply to everyday problems-of-living. This guide can be used to deal with a simple problem or as a way to transform your life. Have you ever wondered what goes on in the privacy of a therapist's office? Besides talking about things not shared with others, there are therapeutic strategies led by the therapist to effect changes in an individual's life. These changes are intended to help you deal more effectively with problems-of-living. Dr. Swan takes you inside the therapist's office and shares the strategies you may encounter if you go for help.

Charlie Bone's life with his widowed mother and two grandmothers undergoes a dramatic change when he discovers that he can hear people in photographs talking.

When Asa Pike, a Bloor's Academy student with the ability to change into a beast at dusk, goes missing, twelve-year-old Charlie Bone suspects a new

classmate, the magically gifted Dagobert Endless, of foul play.

A magic spell has spun Flora into the past. She's mysteriously swapped lives with a schoolgirl in 1935! No iPod? No cell phone? No hair products? How will she survive? Now Flora's a new girl at St. Winifred's, where she has to speak French at breakfast, wear hideous baggy bloomers, and sleep in a freezing dormitory. But lots of adventures in the past are amazing even if they are not forever. How will she find her way back to the 21st century?

From the bestselling author of the Charlie Bone series comes a classic fantasy thriller, now reissued. After years of having moved around, 11-year-old Dinah determines to make a huge, dilapidated old mansion into a home for her mother and herself, but the wild beasts she summons from a stone wall to protect her may also imprison her.

The third book in the Children of the Red King series, CHARLIE BONE AND THE INVISIBLE BOY offers more magical fantasy that is fast paced and easy to read. This semester at Bloor's Academy brings a few changes. There is a new art teacher, Mr. Boldova, and a new student named Belle, who lives with the Yewbeam aunts and seems to have strange power over them. Emma and Charlie soon discover Mr. Boldova's secret identity: He is the older brother of Ollie Sparks, the boy who lives in the attic of Bloor's Academy. Ollie had always been prying into matters that didn't concern him, so Ezekiel Bloor had made him invisible. When Charlie and his friends find him, Ollie is alone and hungry, so they promise to help him become visible again.

Griffin's Castle

A magical fantasy that is fast-paced and easy-to-read. Charlie Bone has a special gift- he can hear people in photographs talking. The fabulous powers of the Red King were passed down through his descendants, after turning up quite unexpectedly, in someone who had no idea where they came from. This is what happened to Charlie Bone, and to some of the children he met behind the grim, gray walls of Bloor's Academy. Charlie Bone has discovered an unusual gift- he can hear people in photographs talking! His scheming aunts decide to send him to Bloor Academy, a school for genius's where he uses his gifts to discover the truth despite all the dangers that lie ahead. Breathtaking action and romance continue in the sequel to the epic Let the Sky Fall, from the author of the New York Times and USA TODAY bestselling Keeper of the Lost Cities series. Vane Weston is haunted. By the searing pull of his bond to Audra. By the lies he's told to cover for her disappearance. By the treacherous winds that slip into his mind, trying to trap him in his worst nightmares. And as his enemies grow stronger, Vane doesn't know how much longer he can last on his own. But Audra's still running. From her past. From the Gales. Even from Vane, who she doesn't believe she deserves. And the farther she flees, the more danger she finds. She possesses the secret power her enemy craves, and protecting it might be more than she can handle- especially when she discovers Raiden's newest weapon. With the Gale Force weakened by recent attacks, and the power of four collapsing, Vane and Audra are forced to make a choice: keep trusting the failing winds, or turn to the people who've betrayed them before. But even if they survive the storms sent to destroy them, will they have anything left to hold on to?

Inti Flynn arrives in Scotland with her twin sister, Aggie, to lead a team of biologists tasked with reintroducing fourteen gray wolves into the remote Highlands. She hopes to heal not only the dying landscape, but Aggie, too, unmade by the terrible secrets that drove the sisters out of Alaska. Inti is not the woman she once was, either, changed by the harm she's witnessed-inflicted by humans on both the wild and each other. Yet as the wolves surprise everyone by thriving, Inti begins to let her guard down, even opening herself up to the possibility of love. But when a farmer is found dead, Inti knows where the town will lay blame. Unable to accept her wolves could be responsible, Inti makes a reckless decision to protect them. But if the wolves didn't make the kill, then who did? And what will Inti do when the man she is falling for seems to be the prime suspect? Propulsive and spell-binding, Charlotte McConaghy's Once There Were Wolves is the unforgettable story of a woman desperate to save the creatures she loves-if she isn't consumed by a wild that was once her refuge.

Charlie and his magically gifted friends and relatives work together to rescue Billy Raven, a young orphan, from a mysterious and dangerous couple who have adopted him.

The Snow Spider

In Abby's world, magic isn't anything special: it's a part of everyday life. So when Abby is discovered to have zero magical abilities, she's branded an Ord-ordinary, bad luck, and quite possibly a danger to society. The outlook for an ord isn't bright. Many are cast out by their families, while others are sold to treasure hunters (ords are impervious to spells and enchantments) Luckily for Abby, her family enrolls her in a special school for kids who must learn how to get around in the world without magic. But with kidnappers and carnivorous goblins lurking around every corner, Abby's biggest problem may not be what she's going to do with her life - it's whether she's going to survive the school year.

In the tradition of Go Ask Alice and Lucy in the Sky, this heart-wrenching story chronicles a girl's fatal experience with testing her moral limits and the dangers of addiction. Bailey welcomes a fresh start at the prestigious boarding school, Prescott Academy, far away from the painful memories of her mother's death and the unendurable happiness of her father and his new wife. She expects rigorous coursework and long hours of studying—what she doesn't expect is to be inducted into the Science Club, a group of wealthy and intelligent students who run a business cooking up drugs in their spare time. Suddenly, Bailey has everything she's ever wanted, including a sweet and handsome boyfriend named Warren, the brainy lead chemist in the Club. But as she wades deeper into the murky waters of their business, Bailey finds herself struggling to reconcile her new lifestyle with moral dilemmas she just can't ignore. Can she have it all without breaking?
