

Midnight Hot

The iconic masterpiece of India that introduced the world to “a glittering novelist—one with startling imaginative and intellectual resources, a master of perpetual storytelling” (The New Yorker) WINNER OF THE BEST OF THE BOOKERS • SOON TO BE A NETFLIX ORIGINAL SERIES Selected by the Modern Library as one of the 100 best novels of all time • The fortieth anniversary edition, featuring a new introduction by the author Saleem Sinai is born at the stroke of midnight on August 15, 1947, the very moment of India’s independence. Greeted by fireworks displays, cheering crowds, and Prime Minister Nehru himself, Saleem grows up to learn the ominous consequences of this coincidence. His every act is mirrored and magnified in events that sway the course of national affairs; his health and well-being are inextricably bound to those of his nation; his life is inseparable, at times indistinguishable, from the history of his country. Perhaps most remarkable are the telepathic powers linking him with India’s 1,000 other “midnight’s children,” all born in that initial hour and endowed with magical gifts. This novel is at once a fascinating family saga and an astonishing evocation of a vast land and its people—a brilliant incarnation of the universal human comedy. Forty years after its publication, Midnight’s Children stands apart as both an epochal work of fiction and a brilliant performance by one of the great literary voices of our time.

When an arsonist burns down her bookstore, Liv Endicott finds love amidst the ashes when a man from her past arrives to protect her from a very determined killer. Reprint.

“Intelligent and engaging science fiction” set against the backdrop of an environmental apocalypse from the SF Grand Master (The Washington Post). Not so very far in the future, the icecaps have melted and many coastal communities have been flooded out. The ozone layer is destroyed. Some areas are livable with breathing masks and injections that protect the skin from the now-deadly rays of the sun, but the only real refuge—for those who can afford it—has become the near-space orbital colonies built and run by private companies. Veiparaiso Nuevo is one of these colonies—a haven and a center of action for hustlers, conspirators, and people looking for an edge. It is also the target of a disillusioned group of humans who become embroiled in a scheme to overthrow it. Their goals are individually motivated but the deadly combination of ambition, distrust, greed, stupidity, and lust leads to a dramatic conclusion that replicates in miniature the history of man’s destruction of his own living space on the planet. A bleak picture of future Earth and a complex plot peopled with dark, rich characters, comes together as one of Silverberg’s finer novels. “Silverberg focuses on his characters and their ruined world, providing a convincing portrayal of life in a greenhouse effect-cursed future. . . . [He] delivers powerful images of a world blighted by ecological abuse, and a satisfying novel as well.” —Publishers Weekly “It’s definitely major Silverberg and as such deserves all the readers it will undoubtedly get.” —Booklist

My Friend’s Hot Milf: After Midnight

This book ‘Power of Midnight Prayer’ will certainly be one of the most comprehensive and most powerful books written on spiritual warfare. The choice of the title came from a wealth of experience, chilling testimonies and confessions, and a careful study of the word of God. It is indeed a very rich and well-researched work. It has been described as an incredible book. Here, you will learn of the enormous but yet to be fully tapped spiritual power embedded in the prayers done between 11:00pm and 3:0am. Do you know enough about the explosive powers of praise, prayer and fasting? Do you know what roles the angels of God, the Spirit of God and the fire of God play in our war against the kingdom of darkness? In this book, you will hear directly from the former grand occult masters of the colossal destructive impact that the name and the blood cause in Satan kingdom. What happens when Satan and his demons come directly in contact with these two most powerful elements in the universe? Why did Satan fall from his chair in a meeting because the name of Jesus was mentioned? Do you know about the enemy’s war strategies against the church, the Christians and the ministers? How does he bring down and sometimes kill ministers of the gospel? Who are the agents of the dark kingdom in the church? What roles should the prayer warriors play? What is the interest of the kingdom of Satan in human flesh and blood? Why human sacrifices in the occult world? Read various accounts from the former agents of Satan and even the media on sacrificing of humans and other chilling unprintable practices. Why would a woman pluck off the eyes of a crawling baby, slaughter her with all her crying and groaning, and then pound her flesh and eat? What does the occult do with sex? Can evil spirits and covenants be transmitted through sex? Why would a man sleep with a little boy, depositing snake in his stomach just to acquire power, wealth and position? You will find other explosive topics like wrestling with God, binding and loosing, smashing the gates, open doors, whole armor of God, gates of heaven and gates of hell. The twenty-one power-loaded chapters of this book will surely set you on fire for God. I bet you have never read anything like this before.

As a combat hardened Navy SEAL, Thom Grande has fought terrorism around the globe, but he can’t fight is his ex-wife. Or her lawyer. Or the alimony payments. But Gage never believed in her gift in the past. How can she convince him to trust it now?

The stories in this book are real-life, supernatural experiences in the life of one man. Some of the subjects brought up in relation to those events are sure to be provocative and maybe even to some controversial, but Sonny has taken care to back up from the Bible what he has written, to show that God can do whatever He chooses. The Lord spoke audibly to Sonny in 1974 while he was in jail and not interested in anything spiritual. Sonny had chosen crime as a lifetime career choice, but after literally seeing the light and being body slammed in that jail cell, his life has drastically changed, and the things that have happened in his life since then, to say the least, are very unusual and noteworthy. Although a lot is given to action, thrills and chills, deep and unheard-of subjects are brought to light and examined in detail in the light of the Word of God. Readers can expect inspiration, encouragement, and instruction with adventure, mystery, suspense, and thrills with a few chills.
