Minecraft Handbook: Minecraft Cheats And  
Survival Guide For Beginners The gaming  
industry has flourished and progressed along  
a long way. In the previous times, games  
were considered to be the physical  
attractions and activities, but with the advent  
of machinery and technology prevalent at  
every level of life, games have taken a virtual  
form. Now with smart gadgets in the hands of  
everyone, there are hundreds of gaming  
options available, which make you cherish a  
whole set of creative, analytical and technical  
games In this book the game under the  
discussion will be Minecraft. Because of the  
prominent position of Minecraft in the  
popularity index, I have tried to make the  
readers familiar with this game. Although  
practice is the perfect tool for learning any  
type of game, yet this book will be more like a  
guide for Minecraft followers, so that they

can approach this game with greater level of efficiency and quickness. When some basic knowledge is gathered you can carry it forward with further practice Minecraft is a whole set of virtual world, where there are hundreds of features and tricks, which cannot be accounted for in a single manuscript, yet I have tried to make this book helpful for various topics like:.

The preliminary discussions which will deal with one of the most recurrent activity used in Minecraft i.e. crafting, its applicability and uses in weapon and armor handling. An account of cheat codes which are most frequently used in Minecraft world. A discussion regarding the survival mode of the game, its features and enhanced capabilities as well as the way of approaching survival mode. Do you keep dying over and over? Do you find it difficult to survive at night when the monsters come out? Are you scared of being blown up by a Creeper while exploring a cavern looking for Diamonds? And the most important question: do you want to mine more and more Diamonds using my secret special method? If you always wanted to master survival in Minecraft then keep reading: this is the book that will completely change your game experience. I am a veteran player: I'm enjoying this game for years now and this book contains lots of secrets, tips and tricks no one will tell you! I still remember my first day in Minecraft, years ago: I had no idea what to do in the game and didn't know where to go to protect me from monsters. I was just wandering around the world gathering useless materials instead of using my time having fun mining Diamonds and building the craziest structures. Inside this book you will find: all you need to know before starting out; how to survive day 1; beginner to advanced levels of crafting and mining; how to fight monsters and protect yourself from attacks; how to build your own house using some of the coolest ideas; how to get infinite food; how to create automatic stuff with the redstone connection; how to survive the Nether World; how to enchant the most powerful tools; how to finish the game defeating the Ender Dragon; how to gather more and more Diamonds with my secret method;

playing this game for some time, there will still be some Minecraft secrets you will discover. This Minecraft Guide goes through very specific instructions of shelter & furniture creation, showing what is needed along with the outcome. Some shelter designs within this book contain the Desert temple, Micro mansion, Mushroom tower, and many more. We understand that Minecraft survival can sometimes be challenging therefore we decided to include information on brewing (equipment, formula's, etc), enchanting (methods, anvil combinations, etc), and mining. We have given information on the types or ores all the way to where to find them and the precautions to take. A huge inspiration to us has been author Minecraft Steve, we know many people who play Minecraft but not everyone who will write a book about it as well. Within the book's first few pages, you will find instructions on how to obtain our exclusive unreleased Minecraft Diary: Minecraft Diary of Chester the Dark Knight.
