Becky Brandon (née Bloomwood) adores Christmas. It's always the same – Mum and Dad hosting, carols playing, Mum pretending she made the Christmas pudding, and the next-door neighbours coming round for sherry in their terrible festive jumpers. And now it's even easier with online bargain-shopping sites – if you spend enough you even get free delivery. Sorted! But this year looks set to be

What could possibly go wrong? With sister Jess demanding a vegan turkey, husband Luke determined that he just wants aftershave again, and little Minnie insisting on a very specific picnic hamper – surely Becky can manage all this, as well as the surprise appearance of an old boyfriend and his pushy new girlfriend, whose motives are far from clear . . . and the perfect read to get into the holiday spirit.”—PopSugar 'Tis the season for change and Becky Brandon (née Bloomwood) is embracing it, returning from the States to live in the charming village of Letherby and working with her best friend, Suze, in the gift shop of Suze's stately home. Life is good, especially now that Becky takes time every day for mindfulness—even if that only means listening to a meditation tape while hunting down online bargains. But Becky still adores the traditions of Christmas: Her parents hosting, carols playing on repeat, her mother pretending she made the Christmas

pudding, and the neighbors coming 'round for sherry in their terrible holiday sweaters. Things are looking cheerier than ever, until Becky's parents announce they're moving to ultra-trendy Shoreditch—unable to resist the draw of craft beer and smashed avocados—and ask Becky if she'll host this year. What could possibly go wrong? Becky's sister demands a vegan turkey, her husband insists that he just wants aftershave (again), and little Minnie needs a very specific picnic hamper: Surely Becky can manage all this, as well as the surprise appearance of an old boyfriend—turned—rock star and his pushy new

But as the countdown to Christmas begins and her bighearted plans take an unexpected turn toward disaster, Becky wonders if chaos will ensue, or if she'll manage to bring comfort and joy to Christmas after all. Praise for Christmas Shopaholic "Kinsella's popular heroine, Becky Bloomwood Brandon, is back for a delightful ode to shopping, in the engaging eighth Shopaholic novel, this time with a Christmas theme. . . . Her only consolation is to buy herself something . . . just a little something.
