Scholarly literature on Jesus has often attempted to relate his miracles to their Jewish context, but that context has not been surveyed in its own right. This volume fills that gap by examining both the ideas on miracle in Second Temple literature (including Josephus, Philo, the Dead Sea Scrolls, Apocrypha and Pseudepigrapha) and the evidence for contemporary Jewish miracle workers. The penultimate chapter explores insights from cultural anthropology to round out the picture obtained from the literary evidence, and the study concludes that Jesus is distinctive as a miracle-worker in his Jewish context while nevertheless fitting into it.

It is not meant that he should read it over comfortably, and then have done with it. No, he is to treat the promise as a reality, as a man treats a check." The Miracle Book by Morris Cerullo will reveal how God wants you to live in a rhythm of miracles. Dr. Cerullo will take you behind the scenes to share with you the stories of miracles he has experienced and will guide you to receiving your miracles. Chapter titles include "You Were Made for Miracles! Your Life Can Be Filled with Miracles! Take Your Eyes Off Your Circumstances! See Your Problems as Miracle Opportunities! What the Bible Tells Us about Jesus' Miracles

The Jewish Context of Jesus' Miracles

Jesus demonstrated the presence and power of God by performing miracles. He turned water into wine, healed the sick, calmed the storm, opened blind eyes, and raised the

dead. While these beloved stories draw our attention to divine power, they also have something else in common: human desperation. Every time we see Jesus performing a miracle, we also get a glimpse into the gift of desperation, a gift that opens us to the dramatic power of God through our desperate need for him. In this six-week Bible study, Jessica LaGrone leads us in a captivating exploration of the miracles of Jesus, helping us to see that our weakness is an invitation for God to work powerfully in our lives and reminding us that we need God on our best days just as much as we do on our worst. Themes and miracle stories include: the gift of desperation (turning water into wine and other signs of God's response of fullness in our times of emptiness) the miracle of abundance (feeding the 5,000 and other abundance stories) miracles on the water (calming the storm, walking on water, the abundant catch) Jesus our healer (5 stories of healing) death and resurrection (Lazarus, Jairus' daughter) the miracle we all receive (the Incarnation) The Leader Guide contains six session plan outlines, complete with discussion points and questions, activities, prayers, and more—plus leader helps for facilitating a group. Other components for the Bible study, available separately, include a Participant Workbook, DVD with six 20-25 minute sessions, and boxed Leader Kit. This fast-paced tour through the Gospel of Mark from bestselling authors Kay Arthur and Pete De Lacy matches Mark's own action-packed, no-nonsense style. The briefest of the four Gospels, Mark includes fewer long discourses than the others and focuses on Jesus' demonstrations of His power and authority. In this inductive study, readers will see that Jesus' miracles show the world His dominion over every aspect of human experience that has been touched by the effects of sin, including sickness and infirmity, spiritual darkness, dead religion, threats from nature, and even death itself. As readers practice finding and marking key works, listing what Mark has to say about important topics, cross-referencing other passages of Scriptures, and determining chapter themes, they will discover for themselves this New Testament book's unique emphasis. What is the message behind the miracles of Jesus? Max Lucado will take you and your study group on an investigation of the Gospel of John to answer this question and to show us that our miracle-working God is always nearer than we think. When Jesus healed the sick, walked on water, resurrected Lazarus, turned water into wine: what do these miraculous signs mean for us? What do they tell us about our God? John chose the stories and events from Jesus' life that he believed would make his readers understand this essential message about who Jesus is: that God is with us. Each part of

this 6-session video study guide (DVD/video streaming sold separately) makes this message clear in a different aspect of our lives. The Supernatural Work of God in the Modern World

The miracles of Jesus fulfil multiple functions, not least as part of Christ's ministry. They are a demonstration of God's power and Jesus' love for people of all castes and gender. Here, William Barclay unveils all the intention and significance of these amazing acts. Ideal for Bible study individually or in groups. With an insightful and inspiring introduction from poet, Kenneth Steven.

PRAYING FOR MIRACLES is a non-fiction book about Bible study, faith, prayer and miracles. The author, Newton Walkin, surveys the miracles of the Bible and shows how relevant these are in assisting Christians today when praying for miracles. The book has three parts: (1) deals with the person and work of the Holy Spirit and the veracity of the Bible; (2) examines the principles of intercessory prayer; and (3) looks at prayers and miracles in action. The Appendix II helps those studying the Bible from cover to cover more than once. The book is useful for the general Christian reader, lay preachers, Sunday school teachers, prayer groups, intercessors and first year Bible Studies students at university, seminary and Bible College. The book has 550 pages and 27 chapters. Walkin comes from a Christian home. He is a member of West Croydon Baptist Church (WCBC), Croydon, England founded by James Spurgeon in 1869. The views in this book are entirely those of the author and do not represent any church, organisation or ministry. From July 1999 to December 2006, Walkin achieved, by God's generous grace, his vision to read the Bible from cover to cover 21 times, shown in Appendix II. Walkin believes in the awesome power of intercessory prayer of faith. Walkin said, "If our faith is strong enough we can successfully pray for miracles." On November 21, 2004, Walkin wrote a prayer for London to win the 2012 Olympic Bid, held July 6, 2005. He wrote another prayer: Olympic Prayer for Peaceful Games In 2012. And in January 2009 wrote a Prayer/Psalm for President Barack Obama's protection. Now an evangelist Christian writer, Walkin and his wife Eileen were baptized in March 2001 at WCBC. Walkin also regularly attends Trinity Baptist Church, Croydon, England.

Jesus demonstrated the presence and power of God by performing miracles. He turned water into wine, healed the sick, calmed the storm, opened blind eyes, and raised the dead. While these beloved stories draw our attention to divine power, Christ's miracles signify something deeper—they're windows into God's grand story of human desperation and redemption. Every time we see Jesus performing a miracle, we also get a glimpse into the gift of desperation, a gift that opens us to the dramatic power of God through our desperate need for him. By explaining the meaning and significance of these miracles, Jessica LaGrone shows us their relevance for our lives today. She unpacks how understanding the meaning of Christ's miracles will help us better grasp the salvation God has brought into the world, see that our weakness is an invitation for God to work powerfully in our lives, and remind us that we need God on our best days just as much as we do on our worst.

Discovering the Power of Desperation

A Survey of Jesus and the Gospels

Invite God to work powerfully in your life.

Many extraordinary things happen in the Bible. People walk on water. People touch handkerchiefs and are healed. People disappear into the sky. Did these events really happen? What was their purpose? And do miracles happen today? How do we respond if someone says they've seen a miracle happen? Should we hold healing services? What can I say to a child about praying for healing? How should we react when prayers for healing aren't answered? In this warm and accessible book, Tim Chester looks at the Bible's view of the existence and purpose of miracles and gives a careful and balanced view on whether healings and other miraculous things happen today. It will help Christians to explore these questions and others regarding miracles, signs and wonders, and know how to pray. Includes additional questions on: • Why did Jesus tell people not to tell others about his miracles? • How should I respond when I hear a claim that a miracle has happened? • Should we hold healing services? • What can I say to a child about praying for healing?

The modern spiritual teaching and path, A Course in Miracles, contains hundreds of reference to the Bible, and both the New Testament and the Course claim to present Jesus' teachings. There is an obvious and important relationship between the Course and the Bible, and how the two relate is a natural question. Seeing the Bible Differently answers the question. Drawing on the Course's attitude toward the Bible, this book recognizes both the many similarities between the two and also the significant differences. Watson presents a picture, emphasizing the continuity of God's message in the two books, while seeing the Course as a later, clearer presentation of truth, superceding the Bible in some ways while standing clearly in its lineage. The idea of progressive revelation that Watson presents will help the reader evaluate the teachings of the Bible, enrich their understanding of the Course with knowledge of the Bible, and integrate the truths they find in the Bible into their understanding of the Course.

Early on in my study, it became evident that Mark was not simply recounting the healing incidents that Jesus had performed. Mark looked at the healing miracles of Jesus through the lens of God's perspective. What was significant to Mark and what captured my spiritual imagination was his interpretation of the healing miracles. He made it clear to the readers that Jesus clearly understood the redemptive implications of his mission as the Jewish healer-redeemer. Jesus fully embraced his Messianic mission to bring salvation to the Hebrew people. He would become the perfect sacrificial lamb of God to bring about the restoration of fallen humanity. In and through him, God's good creation would be restored. Through Jesus' sacrificial death, God would create a new covenant of grace, which could be acceptable to both Jews and Gentiles. The healing miracles demonstrated the defeat of sin, sickness, death, and the evil influence of Satan's demonic forces. Jesus did this by not only removing our sins but also taking the consequences of our sins upon himself, nailing them to the cross. All of Jesus' healing miracles were interpreted similarly. I found Mark's gospel both inspiring and informative, allowing me to see the heart, love, compassion, and mind of God for His creation.

Most modern prejudice against biblical miracle reports depends on David Hume's argument that uniform human experience precluded miracles. Yet

current research shows that human experience is far from uniform. In fact, hundreds of millions of people today claim to have experienced miracles. New Testament scholar Craig Keener argues that it is time to rethink Hume's argument in light of the contemporary evidence available to us. This wide-ranging and meticulously researched two-volume study presents the most thorough current defense of the credibility of the miracle reports in the Gospels and Acts. Drawing on claims from a range of global cultures and taking a multidisciplinary approach to the topic, Keener suggests that many miracle accounts throughout history and from contemporary times are best explained as genuine divine acts, lending credence to the biblical miracle reports.

If you desire to see miracles in your life, this is the Bible Study for you. 24 pages with reflection questions, prayer applications and scripture memorization, this study will encourage you to grow your faith and challenge your conceptions about miracles, wonders and the Lord's intervention in our lives.

MIRACLE IN MY MOUTH PRAYER STUDY MANUAL

Four Portraits, One Jesus, 2nd Edition

To Christians worldwide, the man Jesus of Nazareth is the centerpiece of history, the object of faith, hope, and worship. Even those who do not follow him admit the vast influence of his life. For anyone interested in knowing more about Jesus, study of the four biblical Gospels is essential. The second edition of Four Portraits, One Jesus has been updated throughout to meet the needs to today's students. It is a thorough yet accessible introduction to the four biblical Gospels and their subject, the life and person of Jesus. Like different artists rendering the same subject using different styles and points of view, the Gospels paint four highly distinctive portraits of the same remarkable Jesus. With clarity and insight, Mark Strauss illuminates these four books addressing the following important areas: First he addresses the nature, origin, methods for study, and historical, religious, and cultural backgrounds of the Gospels. He then moves on to closer study of each narrative and its contribution to our understanding of Jesus, investigating things such as plot, characters, and theme. Finally, he pulls it all together with a detailed examination of what the Gospels teach about Jesus' ministry, message, death, and resurrection, with excursions into the quest for the historical Jesus and the historical reliability of the Gospels. This textbook together with its workbook, video lectures, and laminated sheet gives students everything they need for a thorough and enriching study of Jesus and the Gospels.

Do miracles still happen today? This book demonstrates that miraculous works of God, which have been part of the experience of the church around

the world since Christianity began, continue into the present. Leading New Testament scholar Craig Keener addresses common questions about miracles and provides compelling reasons to believe in them today, including many accounts that offer evidence of verifiable miracles. This book gives an accessible and concise overview of one of Keener's most significant research topics. His earlier two-volume work on miracles stands as the definitive word on the topic, but its size and scope are daunting to many readers. This new book summarizes Keener's basic argument but contains substantial new material, including new accounts of the miraculous. It is suitable as a textbook but also accessible to church leaders and laypeople.

This book tells the story of the wedding in Cana (John 2:1-11). The Arch® Book series tells popular Bible stories through fun-to-read rhymes and bright illustrations. This well-loved series captures the attention of children. This continuation of the Deeper Connections series takes us behind the scenes of main events in Jesus' life to understand what made him extraordinary and to learn how to draw on his transforming power. It is only when we drink deeply from the life of Christ that we can be rescued from our failures and spiritual death.

Throughout this book she calls us to the interpretive work, reminding us that the big question is not "did this happen?" but "what does it mean?" and ultimately "so what?" How can these old miracle stories speak good news to our lives in this time and place and invite our own healing and transformation along the way? – Rev. Dr. Richard Simpson, Canon to the Ordinary (Assistant to the Bishop), Episcopal Diocese of Western Massachusetts Amy-Jill Levine is herself a sign and wonder, a sign that reading the New Testament through Jewish eyes is not just essential but revelatory, and a wonder, as she always writes with verve, wisdom, humor and rich insight. Her latest is hardly an exception, an accessible, fascinating book we welcome eagerly. – James Howell, Senior Pastor, Myers Park United Methodist Church, Charlotte, North Carolina With brilliant insight and trademark wit, Dr. Amy-Jill Levine reveals wondrous details of the most prominent miracles in the gospels. We become more than readers of these stories; we discover how to be recipients and participants in the ongoing, miraculous work of God. – Magrey R. deVega, Senior Pastor of Hyde Park United Methodist Church in Tampa, Florida, and author of *The Bible Year: A Journey through Scripture in 365 Days* What a rich and accessible resource for anyone who wants to grow their understanding of the Gospels and the claims they make about Jesus! AJ Levine teaches us how to learn from the miracle stories, marvel at them, worry about them, and respond to them in our own lives. – Matthew L. Skinner, Professor of New Testament, Luther Seminary Making space for the believer and skeptic alike, Levine

masterfully connects the miracles of the God of Israel with the miracles of Jesus. From friends who clear the way, to a father who pleads for his daughter, to sisters who stand resolute, Levine invites the reader to cherish the helpers and the healed as much as we cherish the healer. Levine's willingness to authentically share portions of her own story reminds the reader of the ways the miraculous breaks into our own lives. –Rev. Dawn Taylor-Storm, Director of Connectional Ministry, Eastern Pennsylvania Conference, The United Methodist Church

Amy-Jill Levine engages the miracles of Jesus with scholarly acumen and signature wit. Christians who have been confused by these stories will find new clarity in her comprehensive context, including corrective understandings of Judaism. Those who have been intimidated by these texts will be encouraged by her candor. Those who have been inspired by Jesus' miracles will find even deeper dimensions of meaning in the practical, pastoral, theological, and literary levels she opens and the provocative issues raised, from food insecurity to gender assumptions. Levine presses the essential "so what?" question and challenges us to be changed by these stories – and to be amazed. – The Rev. Deborah A. Block, D.Min.
