In addition to the elementary principles of music, there are 83 lessons of exercises and rudiments, 21 reading exercises, 10 exercises employing rudiments and advanced rhythmic studies. Mr. Rich's ability and genius in the drum world make this tutorial one of the landmarks of drum literature. The DVDs include demonstrations of all the basic drum lessons and rudiments. Also includes an analysis of the timpani -- the instrument, tuning, correct method of playing, rhythm and beats. Excellent reading material. George Lawrence Stone's Stick Control is the original classic, often called the bible of drumming. In 1993, Modern Drummer magazine named it one of the top 25 drumming books of all-time. In the words of the author, this is the ideal book for improving "control, speed, flexibility, touch, rhythm, lightness, delicacy, power, endurance, preciseness of execution, and muscular coordination," with extra attention given to the development of the weak hand. This indispensable book for drummers of all types includes hundreds of basic to advanced rhythms and moves through categories of single-beat combinations, triplets, short roll combinations, flam beats, flam triplets and dotted notes, and short roll progressions.
