Julia Lambert is in her prime, the greatest actress in England. Off stage, however, she is bored with her handsome husband, coquettish and undisciplined. She is at first flattered and amused by the attentions of a shy and eager young fan, but before long Julia is amazed to find herself falling wildly, dangerously, in love.

Bringing together a variety of previously uncollected stories, columns, reviews, introductions, and interviews, this book finds him approaching the dynamics of his chosen profession with cynical aplomb, deflating pretensions and tearing down idols armed with only a typewriter and a bottle of beer. From classic authors like Hemingway to underground legends like d.a. levy to his own stable of obscure favorites, Bukowski uses each occasion to expound on the larger issues around literary production. The book closes with a handful of interviews in which he discusses his writing practices and his influences, making this a perfect guide to the man behind the myth and the disciplined artist behind the boozing brawler.
