Gwendoline Summers has a special style of writing to women about some of the unique options available to them. She knows what it is like to baby her husband. Her first book

Download File

PDF Mommy

Sissy Baby And

Me By Jim Cissell

is a guide to other women seeking to take their partner in hand and make them the baby they both need him to be.

This is not an enforced babying guide, but rather one to help women who already KNOW that their partners need the security of diapers, a pacifier and a babyish lifestyle, to achieve that goal. The second book covers the

Download File

PDF Mommy

Sissy Baby And

Me By Jim Ciccell

subject in a more extensive way about making your partner into a Sissy Baby - a baby girl And the third book brings up an interesting question: is potty training a thing of the past and is it time to reject it both for your partner and yourself? This book is not just for women with AB partners but for ALL women whether their

Download File

PDF Mommy

Sissy Baby And
Me By Jim Cisoll

partners are AB or not!
She takes it step by step
on how to slowly get
your partner into diapers
and other baby items. If
your partner is AB then
you are already partway
there, but if they are non-
AB, this book is still for
you. It is a guidebook
along a journey of letting
our men express the
infancy inside that is so
often just beneath the

Download File
PDF Mommy
Sissy Baby And
Me By Jim Cissell

surface.

Alice had long wanted something very different from other women. She wanted a baby to satisfy her maternal urges but not just any baby. After reading about Adult Babies, Alice had decided that she wanted one - an adult baby to be her complete and permanent... full-time infant. Alice was a

Download File

PDF Mommy

Sissy Baby And
Mr. By Jim Ciscell

planner and rather than rushing into it, she determined to become financially secure and ready for the task of obtaining - and training - a young man to be her complete and full baby. A few years earlier, she had contacted Daniel, a young man who still wore diapers and plastic pants but had felt the time was not right to take

Download File

PDF Mommy

Sissy Baby And

Me By Jim Cisell

him into her home as her infant boy. Now, the time WAS right and she contacted him, hoping that no other prospective mother had snapped him up in the meantime. She was ready to have her baby now, but was Daniel?

Gwendoline Summers' first book was the phenomenal success that introduced women to the

Download File

PDF Mommy

Sissy Baby And

Me By Jim Cicell

idea and practice of babying their partner - regardless if they are ABDL or not. Now, she goes further and brings in the concept of turning your partner into a baby GIRL. We all knew that was the next step, didn't we? Gwendoline walks us on a step-by-step journey as the wives and girlfriends of our partners and takes them back to

Download File

PDF Mommy

Sissy Baby And
Me By Jim Ciscell

diapers and babying all for the purpose of making our relationships more dynamic and 'not boring'. A terrific book for all women wanting something special and different in their relationships. NOTE: this is the 'diaper version' of the original 'nappy' book.

Colin Milton and Penelope Pansy combine

Download File

PDF Mommy

Sissy Baby And
Me By Jim Ciscell

to tell a compelling story of a sissy going to a training school that goes way past what is expected. Penelope desires to be a frilly, feminine girl, but the Teacher has other ideas. She is expected to be diapered and babied fulltime but is also expected to have very dirty nappies as well. And then the Ladies come to
