From the New York Times bestselling author of From a Dood to a Kill comes the next Secret Histories adventure, now in paperback! The name is Dood, Eddie Dood, also known as Shaman Bond. My family has been safeguarding humanity for generations, facing the hidden horrors of the world so you can sleep at night and remain oblivious to the existence of the monstrous nightmares among us. Speaking of predatory night terrors, there is a man who gets away with murder. A man who specializes in removing the problems from other people ' s lives by killing the people who cause those problems. He operates from the darkest shadows of the hidden world, coming and going unseen. No one knows who he is, just his nom de mort: Dr. DOA. Somehow this demented doc poisoned me. I don ' t know how he did it, when or where, but whatever is coursing through my veins seems to be immune to magic cures and treatments. But that ' s not going to stop me from finding him and whoever hired him and giving them both a taste of their own medicine....

“ There are monsters among us. There always have been and there always will be. I ' ve known that ever since I can remember, just like I ' ve always known I was one... ..Well, half of one, anyway. ” Welcome to the Big Apple. There ' s a troll under the Brooklyn Bridge, a boggle in Central Park, and a beautiful

vampire in a penthouse on the Upper East Side—and that 's only the beginning. Of course, most humans are oblivious to the preternatural nightlife around them, but Cal Leandros is only half-human. His father ' s dark lineage is the stuff of nightmares—and he and his entire otherworldly race are after Cal. Why? Cal hasn ' t exactly wanted to stick around long enough to find out. He and his half-brother Niko have managed to stay a step ahead for three years, but now Cal ' s dad has found them again. And Cal is about to learn why they want him, why they ' ve always wanted him...for he is the key to unleashing their hell on earth. The fate of the human world will be decided in the fight of Cal ' s life... A knight of ghosts and shadows! Jordan was a ghost in Castle Roogna now, spending his time with little five-year-old Ivy and watching his own past unfold on the magic tapestry. But once he had been a valorous knight, riding his ghost horse Pook on a fabulous and dangerous mission. He had been betrayed with a cruel lie by two wily magicians and the woman he loved. He had been killed at the end, and his bones had been scattered. Now he could not even remember where they had been buried. That was important, because Jordan's talent had been to recover from almost any injury, provided enough of his body could be assembled to grow together again. But all that had been four hundred years before. Nobody who was alive today knew or cared where his bones might be. It was hardly the proper ending for a gallant adventure! In a nightmarish new york city, life is there for the taking in the fourth Cal Leandros novel from New York

Worse still is the return of Cal's nightmarish family—the Auphe. The last time Cal and Niko faced them, they were almost wiped out. Now, the Auphe want revenge.
