Residents with Dementia boxes cover the special needs of older persons with Alzheimer's disease and other dementias. Promoting Safety and Comfort boxes emphasize the need to provide safe care while making a patient more comfortable. Delegation Guidelines boxes describe what information the nursing assistant needs from the nurse and the care plan to perform safe care; as well as what information to report and record. Quality-of-Life boxes reinforce the importance of patients' rights and enhancing their quality of life when giving care. Teamwork and Time Management boxes illustrate ways to work efficiently within the health care team. Time to Reflect scenarios present realistic patient situations faced by nursing assistants to build critical thinking skills. Focus on Rehabilitation boxes clarify considerations and insights about rehabilitation and restorative care. Focus on Communication boxes provide guidelines for how to clearly communicate with patients and avoid comments that might make them uncomfortable. NATSEP certification exam icons identify the skills tested on the National Nurse Aide Assessment Program and state certification exams. Review questions at the end of each chapter help evaluate learning. Key abbreviations at the beginning of each chapter highlight commonly used abbreviations. NEW! Culture and Religion chapter covers the wide range of patients in need of long-term care and the role that a patient's religion and culture play in their care. NEW! Getting a Job chapter provides guidance on career management starting with how to obtain work after finishing schooling. NEW! Procedures cover how to apply an incontinence brief and how to care for hearing aid and cochlear implant devices. NEW! Updated content reflects the latest research and care standards in the areas of confusion and dementia, pressure injuries, hypertension, American Heart Association CPR, cancer, immune system dysfunction, and skin disorders.
