The Big Bang Theory TV Show Trivia Quiz: 500 Multiple Choice Questions & Bonus Fun Facts is authored by a sitcom expert who penned the greatest trivia quiz books on the most popular television sitcoms (e.g., Seinfeld Trivia: Everything About Nothing, Friends Trivia: Channel Your Inner Unagi, Modern Family Trivia: Early Years, and Cheers Trivia: It's a Little Known Fact...). His latest effort, The Big Bang Theory Multiple Choice Trivia, is the best source for accurate and well-written trivia questions about the top-rated sitcom in the 2010s. The Big Bang Theory Multiple Choice Trivia is the perfect book for every type of fan, whether occasional viewer or rabid enthusiast. There are 500 questions with varying degrees of difficulty within each chapter. The reader will encounter easy and moderate queries in addition to some challenging and genuine head-scratching brainasers. Each question provides five multiple choice answer options, some are humorous alternatives to amuse the reader, while others offer legitimate choices to challenge the quiz-taker. Unlike most trivia books that have measly one-word answers, The Big Bang Theory Multiple Choice Trivia provides expanded descriptions containing anecdotes, humorous dialogue, or bonus fun facts to further enhance the reading experience, making it more enjoyable and entertaining. In addition, scattered throughout the book are random text boxes featuring insider secrets about the show, its creators, the actors, and other contributors to the series. These entertaining morsels supplement the question-answer format with fascinating fun facts to give the reader the full TBBT experience. The Big Bang Theory Multiple Choice Trivia contains more information than any other trivia quiz book written on the subject, and the author's ingenious presentation has revolutionized the trivia quiz format, an unprecedented feat in publishing history. The first segment covers the most memorable moments in the show which generally pertain to multiple friends or the entire gang. It addresses broader episode plots and character storylines. The following section addresses guest stars and recurring characters. The Big Bang Theory was known for signing big-name movie and television stars as well as developing some of the most unique and fascinating recurring characters in sitcom history. Thus, two chapters are specifically devoted to these illustrious scene-stealers. The show's vast guest star list featured well-known thespians, such as Charlie Sheen, James Earl Jones, Mark Hamill, Leonard Nimoy, Stephen Hawking, Kathy Bates, Carrie Fisher, Adam West, Brent Spiner, Jerry O'Connell, George Takei, Katee Sackhoff, Summer Glau, and many more. The content also highlights the most popular recurring characters, namely Stuart Bloom, Wil Wheaton, Professor Proton, Barry Kripke, Leslie Winkle, Bert Kibbler, Debbie Wolowitz, Priya, Mary Cooper, to mention a few. The remaining seven chapters cover specific information directly associated with each main character-Amy, Bernadette, Howard, Leonard, Penny, Raj, and Sheldon-highlighting the most uproarious scenes and unforgettable episodes while testing the viewer's attention to detail. There is something for everyone. Casual watchers and avid fanatics will be equally captivated by this meticulously crafted tome. The Big Bang Theory Multiple Choice Trivia is guaranteed to provide hours of entertainment and laughter as the quiz-taker regales in reliving the finest moments of the show. Photos included, 500 questions with answers, 136 pages paperback, available digitally.
