Perfect Little Book To Complete  
son Andrew vanished without trace.

There was no note, no goodbye and no body has ever been found, and now her

days are spent in a fog of heartache and alcohol, crying to husband Thomas about

their lost boy. But Patricia is more than just a grieving mother, and as Andrew's

disappearance starts to unravel the perfect family she's built with Thomas, it

seems that the actions of her past may be back to haunt her. Because someone is

watching from the shadows - someone who knows exactly what Patricia is

hiding. Someone who will stop at nothing to take revenge - and might just hold the

key to Andrew's disappearance... An absolutely gripping psychological thriller

with a shocking twist in the tale. Readers of My Lovely Wife, KL Slater and B.A.

Paris will not be able to put this one down.

A mother's love for her child is such a

From the author-illustrator team that created Grandma Loves You! comes a touching story just for Mommy and baby. Told in charming verse with the signature bunny characters, this book celebrates the deep love a mother has for her child, this pair's adventures and tender moments will warm the heart. Losing a child is a mother's worst nightmare, but when you lose two children – your innocent sons – at the hands of the man they should have trusted the most, it's almost unimaginable. For Denise Williams this was her reality –

Mothers Day Gift

her very real nightmare. In her harrowing yet inspiring memoir, she tells her personal story of falling under the spell of her control-freak husband, suffering a decade of domestic violence, finding the strength to leave and then his despicable act of revenge.

Denise endured agonising grief and heavy guilt, but she has slowly rebuilt her life without her beautiful boys – learning to live, love and trust again. This is her heartbreaking memoir.

A sweet, rhyming picture book about the special relationship between mother and child.

With a gentle, rhyming story and lovely illustrations, this is a

Version

**You're So Mummy is an honest take on 21st-century motherhood that sticks two finger-puppets up at parenting manuals. This isn't a book mothers can turn to for advice. It's not going to tell you how to make your kid sleep, or how to get them into a good school, or anything useful at all in fact. Instead it's a hilarious look at what's happening inside the minds of once-normal women who now find themselves in charge of small people. Lifelong best friends Sarah Thompson and Alex Manson-Smith agree that motherhood is the best thing that's happened to either of them, but wanted to read a book that acknowledged what a royal pain in the arse it can be. So that's what they've written. From not having sex to losing it over food, You're So Mummy covers the real issues confronting today's mothers.**

**last, the legendary author shares the deepest personal story of her life: her relationship with her mother. For the first time, Angelou reveals the triumphs and struggles of being the daughter of Vivian Baxter, an indomitable spirit whose petite size belied her larger-than-life presence—a presence absent during much of Angelou’s early life. When her marriage began to crumble, Vivian famously sent three-year-old Maya and her older brother away from their California home to live with their grandmother in Stamps, Arkansas. The subsequent feelings of abandonment stayed with Angelou for years, but their reunion, a decade later, began a story that has never before been told. In Mom & Me & Mom, Angelou dramatizes her years reconciling with the mother she preferred to simply call “Lady,” revealing the profound moments that**

**shifted the balance of love and respect between them. Delving into one of her life's most rich, rewarding, and fraught relationships, Mom & Me & Mom explores the healing and love that evolved between the two women over the course of their lives, the love that fostered Maya Angelou's rise from immeasurable depths to reach impossible heights. Praise for Mom & Me & Mom "Mom & Me & Mom is delivered with Angelou's trademark good humor and fierce optimism. If any resentments linger between these lines, if lives are partially revealed without all the bitter details exposed, well, that is part of Angelou's forgiving design. As an account of reconciliation, this little book is just revealing enough, and pretty irresistible."—The Washington Post "Moving . . . a remarkable portrait of two courageous souls."—People**

little book which can be given by boys or girls to their mummy on mothers' day. Or at any time!

It is arguably the most common theme in ABDL fiction - becoming a baby again, perhaps forever and perhaps completely so. For many Adult Babies, the idea of being able to give into our wishes and desires completely and without restriction is a wonderful concept and one that grabs our attention. For the vast

Download Free Mummy I Love  
You Because A Personal And  
Perfect Little Book To Complete  
To Tell Your Mummy Just How  
Much You Love Her Perfect  
Mothers Day Gift

majority of adult babies, the expression of our inner infant is complicated by endless compromises and limits on what we can actually do. Our partners limit us. Our finances limit us. Social acceptance - and the lack thereof - limits us. Friends, employment, family and other issues limit us. But fiction can overcome all of these. In fiction, we can bend the rules of probability, break the bounds of social norms and erase

Download Free Mummy I Love  
You Because A Personal And  
Perfect Little Book To Complete  
the limits that  
otherwise keep us from  
expressing our inner  
infancy the way we wish.

In these three books,  
you will read of adults  
that become complete  
babies once more. If  
they are not originally  
completely willing to  
become babies again,  
they quickly discover  
the joys, the peace and  
comfort of nappies, baby  
clothes, bottle feeds  
and baby toys. Infancy  
is entrancing to almost  
everyone, but for those  
special people - adult

apart. Eleanor's friend Ruth Palmer doesn't know it yet, but she's got a problem too. Her marriage feels stale and her husband's working long hours at the office ... or is he? But Ruth's got bigger problems. A drunken kiss with her good friend Helen sets Ruth's life on a downward spiral of sexual frustration, denial and guilt. She turns to drink in a desperate attempt to fight her feelings, but a shocking declaration suddenly changes the course of three families' lives forever.
