

Mummy Mummy Whats In Your Tummy

A funny and tender picture book about waiting for a new brother or sister to arrive. There’s a house inside my mummy, Where my little brother grows. Or maybe it’s my little sister No one really knows. Waiting for a new brother or sister to arrive can be a confusing and worrying time for young children. Sharing this simple rhyming story together is the perfect way to reassure your little one and involve them in all the excitement. Told with humour and warmth by Giles Andreae, the author of much-loved family favourite Giraffes Can’t Dance. ‘A great book for sharing with your first born while your second is still in the ‘tummy house’ - The Times A note from the author: ‘When my wife became pregnant for the second time, I was talking to Flinn, our 2-year old son, about what was going to take place and how exciting it would be for him to have a brother or sister. I started to think about it as though I were a young child myself. . . .’ There’s a house inside my mummy’ was a phrase that just popped into my head, and from then on the book was a joy to write.’

FROM THE SUNDAY TIMES BESTSELLING AUTHOR OF WHAT MUMMY MAKES: COOK JUST ONCE FOR YOU AND YOUR BABY
Let Rebecca Wilson, the mum behind @whatummymakes, show you how to cook a week’s worth of simple, healthy and tasty meals to wean your baby from 6 months while feeding the rest of the family, too. Rebecca’s recipes are fresh, accessible, nutritious and made with the whole family in mind; you can cook just one meal for everyone, adults and children alike. Now, with this family meal planner, Rebecca aims to help mealtimes become even easier and take the stress out of feeding your family. There are 28 healthy recipes for breakfast, lunch and dinner, as well as snacks and puds, plus space to record your baby’s first 100 foods, the whole family’s names and favourite meals. The book also includes sections that make organising shopping lists stress free. Follow the What Mummy Makes method and you’ll find weaning can be a delicious breeze for the whole family.

Every day Mummy’s tummy gets bigger and bigger but what could be inside? A fairy with wings? A boat painted blue? The Man in the Moon? This little child just can’t wait to see what it could be ? A reassuring lift-the-flap book for all soon-to-be siblings.

This original and imaginative book has been created by five-year-old Heath. In it, Heath illustrates his understanding of his autistic mother Joanna, giving insight into the different ways in which autistic and neurotypical people understand language. In his simple and uncomplicated style, accompanied by bright and colourful illustrations, Heath explains why his mother ’s brain understands words at a different rate than his own, and how they communicate in spite of their differences. Heath ’s work is accompanied by explanatory notes exploring Joanna ’s own experience of autism and language. Key features include:
A Foreword by broadcaster, environmentalist and author Chris Packham, on acceptance, understanding, and expressing an autistic reality
A unique exploration of language processing differences told through the eyes and mind of a child
Bright, colourful pictures and simple language, perfect for inspiring conversations about neurodiversity between people of all ages. Explanatory text that can be read alongside the story.
Autism portrayed as a positive and permanent neurological difference, not deficit. The combination of story and commentary makes this book a unique tool for all people seeking to explain and understand difference, regardless of age and experience.
Although focusing on autism as an example of neural difference, it can be used to explain and celebrate neurodiversity in all its forms and will help to build relationships across the divide of neurological difference.

What’s Inside Your Tummy, Mommy?

Mummy’s Home!

When Sammy the skeleton makes a trip through the dark woods to bring some soup to his grandmother before going trick or treating, the spooky surroundings have him seeing things that aren’t there, until he notices something is really following him.

What’s that growing in Mummy’s tummy? Could it be a rabbit or a crocodile? With lyrical text, gentle humor, and a sweet representation of the mother-child relationship, this imaginative story is the perfect way to help older siblings prepare for a new baby’s arrival with joy and excitement. Colorful mixed-media illustrations make this an attractive gift book for growing families.

A little girl stays home with Mama when Mommy goes off on a work trip in this tender, inviting story that will resonate with every child who has missed a parent. For one little girl, there’s no place she’d rather be than sitting between Mama and Mommy. So when Mommy goes away on a work trip, it’s tricky to find a good place at the table. As the days go by, Mama brings her to the library, they watch movies, and all of them talk on the phone, but she still misses Mommy as deep as the ocean and as high as an astronaut up in the stars. As they pass by a beautiful garden, the girl gets an idea . . . but when Mommy finally comes home, it takes a minute to shake off the empty feeling she felt all week before leaning in for a kiss. Michael L. Printz, Award winner Nina LaCour thoughtfully renders a familiar, touching story of a child who misses a parent, illustrated by Kaylani Juanita, whose distinctive style brings charm and playfulness to this delightful family of three.

Your favorite characters are now part of the Who HQ Library! The Mummy joins other classic horror characters Dracula and Frankenstein in our What Is the Story Of? series. Unlike the other classic Universal horror movie monsters of their time, the Mummy’s origins can’t be found in the pages of a book. His story was inspired by the opening of King Tut’s tomb in 1922. The world fell in love with all things Egyptian and was enthralled with stories of ancient mummies. The film producers of the early Dracula and Frankenstein films wasted no time creating a character who’s been creeping out of his coffin and entertaining audiences since 1932. Author Sheila Keenan explains the history of the movie and its remakes, the legendary curse of King Tut’s mummy, and what lies ahead for this monstrous creature.

What If Mummy Threw a Tantrum?

With My Mummy

Just Like Mommy, Just Like Daddy

Written by Lieutenant Colonel Christopher MacGregor and based on his own experiences of going away from home, this comforting, wise book helps to explain why parents sometimes have to go away and shows ways to help children cope. Filled with love, and the warm, witty illustrations of rising star Emma Yarlett, this book is a soothing read-aloud with lots to explore in the pictures, and a rhythmic rhyme which is an instant bedtime hug.

Tells the story of the discovery of Lyuba, a perfectly preserved baby mammoth discovered along a river in Siberia 31,000 years after her birth, and offers a glimpse into her prehistoric world.

130+ recipes all suitable from 6 months old Wean your baby and feed your family at the same time by cooking just one meal in under 30 minutes that everyone will enjoy! Say goodbye to cooking multiple meals every day and the nuisances of making special little spoonfuls for your baby. plainer dishes for fussy older siblings, and something different again for the grown-ups. With this ingenious new way to introduce solid food to your baby, you’ll cook a single meal and eat it together as a family where the baby will learn how to eat from watching you. Each recipe is quick to prepare and easy to adapt for different ages and dietary requirements. So forget ‘baby food’ and make light work of weaning with What Mommy Makes!

Pregnancy naturally separates a mother’s outermost abdominal muscles to make room for her growing uterus. Called a diastasis, this separation doesn’t fully close up in 98 percent of new moms. The larger the diastasis, the weaker the muscles and the greater chance for mom to develop back problems down the road. Of perhaps greater concern for moms, new and veteran alike, the larger the diastasis, the bigger the belly that just won’t seem to go away after baby’s delivery.Lose Your Mummy Tummy introduces the Tupler Technique, a set of deceptively simple abdominal and breathing exercises that decrease the diastasis and result in a firmer, flatter, and stronger belly. Like Kegels—those all-important and privately-practiced pregnancy exercises—the Tupler Technique can be practiced almost anywhere and at anytime. Including illustrations for a 15 or a 30-minute at-home exercise routine, Lose Your Mummy Tummy ensures:
A tighter, flatter stomach
A smaller waistline
A reduction or elimination of back pain
The ability to safely lift your baby and heavy objects
More energy
Better posture
The perfect preparation for your next pregnancy

There’s A House Inside My Mummy

Mummy, What’s in Your Tummy?

What’s in Your Tummy Mummy?Rizzoli Publications

The perfect book for introducing a young child to to the concept of where babies come from and how they grow. This is a great book to share and discuss all the changes going on inside ‘mummy’s tummy’. Every month a new picture shows how big baby is and how far along a timeline (featured at the foot of each spread) baby has moved. The real attraction of the book is the ‘life-size’ nature of the drawings, giving mother and child a fantastic opportunity to really explore what is happening, how big baby is in context to everyday objects and what baby can hear or indeed eat! The flexible paperback binding allows for the book to folded gently across a growing tummy, helping to show a young child where the new baby is. The final spread uses a giant fold down flap to reveal the fully grown baby ready to be born and greet the world. A simple glossary is provided with explanations of the main terms used in the book
A great book to help in the preparation for a new addition to a family.

Peter Bunny can't find his mum! Maybe she's hiding behind a rock? Or resting in the barn? But everywhere he looks, he finds plenty of friendly faces, just not the one he most wants to see!

Fun sound-effects and whimsical music help tell the sweet story of a little girl named Jenny taking care of her baby doll Amy, just like her mommy and daddy take care of her. Young children will enjoy listening to how Jenny lovingly takes care of Amy from morning until night time. Dressing, bathing, feeding, singing, rocking, and playing are a few of the special moments that Amy and Jenny share together throughout the day. When bedtime finally arrives, Jenny kisses Amy good night and wishes her sweet dreams, just like her mommy and daddy do with her.

Fans of Sophie Kinsella’s sparkling humor will love her first ever illustrated series for young readers about the charming adventures of a mother-daughter fairy duo! Ella Brook can’t wait to grow up, because one day she will become a fairy and have her own sparkly wings and a teacher on Fairy Tube, just like her mom! Until then, Ella has to learn by watching her mom in action. But sometimes spells go wrong, and Ella’s mom can never seem to remember the right magic codes on her Computawand. A lot of the time, it’s up to Ella to come to the rescue. Does she have what it takes to be a fairy one day? Or will there be more glitches than glitter?

The Mom Test is a quick, practical guide that will save you time, money, and heartbreak. They say you shouldn’t ask your mom whether your business is a good idea, because she loves you and will lie to you. This is technically true, but it misses the point. You shouldn’t ask anyone if your business is a good idea. It’s a bad question and everyone will lie to you at least a little . . . As a matter of fact, it’s not their responsibility to tell you the truth. It’s your responsibility to find it and it’s worth doing right . Talking to customers

is one of the foundational skills of both Customer Development and Lean Startup. We all know we’re supposed to do it, but nobody seems willing to admit that it’s easy to screw up and hard to do right. This book is going to show you how customer conversations go wrong and how you can do better.

Mummy, Mummy, Where Are You?

The Mom Test

Meet a Mummy

The revelation of King Tutankhamun’s tomb brought fame and glory to its discoverers. But as unlucky occurrences hit the crew, people wondered if it brought something more sinister as well. Through brightly colored illustrations, this graphic narrative examines the tomb’s discovery and the grim events that followed. With aids including a timeline and possible theories about the mummy’s curse in this thrilling narrative.

Will the perfect senior prank turn out to be Emlyn’s last? Emlyn is a good girl. She is the perfect studious and athletic daughter and sister. She studies hard, paints watercolors, and especially loves rowing crew. She doesn’t gossip. She is every parent and teacher’s dream. But Emlyn has a secret. She has an entire library in her head filled with terrifically terrible plot espionage, and other mischief. She successfully hides her desire to be bad from the world. That is, until Jack, Mavis, Lovell, and Donovan approach her with their idea for a senior class prank: to steal the famous museum, Amaral-Re, from their local museum. Now Emlyn’s ‘mental library of Bad’ will come in handy. But when the harmless heist turns out to be filled with bag of tricks be enough to save the mummy . . . and herself? This ebook features an illustrated biography of Caroline B. Cooney including rare images and never-before-seen documents from the author’s personal collection.

Award-winning and critically acclaimed author Candace Fleming presents the edge-of-your-seat true story of the search for Tutankhamun’s tomb, the Western public’s belief that the dig was cursed, and the battle for ownership of the treasures within. During the reign of the New Kingdom of Egypt, the boy pharaoh Tutankhamun ruled and died tragically young. In o his tomb was filled with every treasure he would need after death. And then, it was lost to time, buried in the sands of the Valley of the Kings. His tomb was also said to be cursed. Centuries later, as Egypt-mania gripped Europe, two Brits -- a rich earl with a habit for gambling and a disreputable, determined archeologist -- worked for years to rediscover and open up the tomb.

Uncovered, would ancient powers take their revenge for disturbing and even looting the pharaoh’s resting place? What else could explain the mysterious illnesses, accidents, and deaths that began once it was found?
