Bestselling author Staci Hart is back with a brand new romantic comedy and clever spin on Jane Austen's Pride and Prejudice. Meet the Bennet brothers, get to know Longbourne, and fall in love in this steamy forbidden romance.Falling in love with a Bennet is not an option.My mother has summoned me home to take my place at Bower Bouquets, and as the heiress, I'm expected to do as I'm told. I'm expected to sit by her side as she does her best to decimate the Bennet family and their flower shop, Longbourne. I'm expected to play by her rules, or she'll ruin me too.But the day I crash into Marcus Bennet changes everything.And the kiss seals the deal.If my mother finds out, I'll lose everything-my family, my life, my security. Worse, she'll make sure the Bennets pay for my mistakes.Falling in love with a Bennet is not an option.But I might not have a choice.

The day Mum didn't get dressed and went on strike, Dad called her 'a Wild Thing' and Mum said 'Cook your own dinner' and stomped off upstairs to have a bath . . . In this hilarious, touching homage to Maurice Sendak's Where the Wild Things Are, a worn-out mum finds herself floating across time and space to the place where the Wild Mums are. Dazzled by her party tricks, they crown her Queen of the Wild Mums and try to entice her to join their conga . . . But Mum has just remembered who she loves best of all . . . Lovingly illustrated by the award-winning Sholto Walker, this little book is the perfect gift for baby showers, new mums - or any mum who's ever wanted to go on strike.

In this instant New York Times bestseller, Angela Duckworth shows anyone striving to succeed that the secret to outstanding achievement is not talent, but a special blend of passion and persistence she calls "grit." "Inspiration for non-geniuses everywhere" (People). The daughter of a scientist who frequently noted her lack of "genius," Angela Duckworth is now a celebrated researcher and professor. It was her early eye-opening stints in teaching, business consulting, and neuroscience that led to her hypothesis about what really drives success: not genius, but a unique combination of passion and long-term perseverance. In Grit, she takes us into the field to visit cadets struggling through their first days at West Point, teachers working in some of the toughest schools, and young finalists in the National Spelling Bee. She also mines fascinating insights from history and shows what can be gleaned from modern experiments in peak performance. Finally, she shares what she's learned from interviewing dozens of high achievers—from JP Morgan CEO Jamie Dimon to New Yorker cartoon editor Bob Mankoff to Seattle Seahawks Coach Pete Carroll. "Duckworth's ideas about the cultivation of tenacity have clearly changed some lives for the better" (The New York Times Book Review). Among Grit's most valuable insights: any effort you make ultimately counts twice toward your goal; grit can be learned, regardless of IQ or circumstances; when it comes to child-rearing, neither a warm embrace nor high standards will work by themselves; how to trigger lifelong interest; the magic of the Hard Thing Rule; and so much more. Winningly personal, insightful, and even life-changing, Grit is a book about what goes through your head when you fall down, and how that—not talent or luck—makes all the difference. This is "a fascinating tour of the psychological research on success" (The Wall Street Journal).

Something strange is going on at Mudpuddle Farm. Eggbert the goat is not himself at all. Instead of grumbling, he's singing and dancing, and he's even greedier than usual.

Mum's Not the Word is a photobook about women without children. The nude images challenge the negative attitudes within society towards people without children, and the text shares stories of birth control, choice, freedom, regret, and pain. Women are expected to provide reasons for not having children, and yet deciding to have them does not require justification. Mum's not the word debates the social stigmatization of women, who, by choice, circumstance or whatever reasons, go against the instinct for childbirth and maternal productivity. Fifty colour images show real nude women in the reverse fetal position. The subjects come from all walks of life - professionals, artists. A few have mental health issues or disabilities; some have fragile relationships with their birth mothers. A couple of the participants also identify as other than heterosexual.

Eve Bransons life reads like a fast-paced adventure novel. A classically trained ballet dancer, she appeared in racy West End productions, disguised herself as a boy to take glider lessons, enlisted in the Womens Royal Navy Service, and then embarked on a series of harrowing adventures as a Star Girl air hostess on the ill-fated British South American Airways. Though marrying the dashing ex-Cavalry officer, Edward Ted Branson, brought her down to earth to raise three children, Eves quest for adventure never faltered. After running several businesses, traveling the world, and doing global charity work, Eve is preparing to launch the first commercial space travelers to the edge of space in a Virgin Galactic mother ship that bears her name. In this lively, absorbing memoir part diary, part adventure story, part family history Eve Bransons formidable energy propels the reader through an extraordinary life. Along the way, she divulges some of the unorthodox but effective trade secrets behind raising one of the worlds most colourful entrepreneurs.

Whatever your age, becoming a mum for the first time b rings excitement, anxiety and numerous challenges... But how do you cope when you discover you're old enough to be the mother of everyone in your NCT group? The story of one woman, one baby, a slipped disc and rather too many wrinkles, The Secret Diary of a New Mum (Aged 43 1/4) follows the tale of a midlife mum as she tries to make the transition from experienced TV producer to utterly inexperienced parent. Whether deftly side-stepping questions about age and baby number two, or weeping as younger counterparts ping back into their size ten jeans within thirty seconds of giving birth, Cari approaches the shared experiences of an ever-increasing number of mothers with insight, humour and honesty. ***Praise for The Secret Diary of a New Mum*** 'Hilariously candid.' Daily Mail 'Brilliantly observed... funny, embarrassing and yet cruelly honest. It feels good to laugh about it, now the stitches are out.' Fay Ripley 'Warm, witty and very, very wise the perfect antidote to all those po-faced pregnancy books. 'A delightful insight into an eclectic life' The Daily Telegraph 'Very funny and astute . . . a loathly feast for royal-watchers' Hilary Mantel, New Statesman Books of the Year 2018 'A complete delight, conjuring up, with a few sharp strokes of the pen, a mad, exotic species from a world gone by' Craig Brown, Mail on Sunday 'Gloriously indiscreet . . . the best royal book ever' Harry Mount, Financial Times * * * When James Pope-Hennessy began his work on Queen Mary's official biography, it opened the door to meetings with royalty, court members and retainers around Europe. The series of candid observations, secrets and indiscretions contained in his notes were to be kept private for 50 years. Now published in full for the first time and edited by the highly admired royal biographer Hugo Vickers, this is a riveting, often hilarious portrait of the eccentric aristocracy of a bygone age. Giving much greater insight into Queen Mary than the official version, and including sharply observed encounters with, among others, the Duke and Duchess of Windsor, the Duke of Gloucester, and a young Queen Elizabeth, The Quest for Queen Mary is set to be a classic of royal publishing.

Synopsis coming soon.....

A fantastic debut novel that takes a refreshing look at family, modern life, and the joyless merits of quinoa. Monday morning can't get any worse for harassed mum-of-four Jools Campbell when, after a frantic school run, she's cornered in the supermarket by pompous celebrity chef Tommy McCoy, who starts criticising the contents of her trolley. Apparently the fact that she doesn't make her own bread or buy organic is tantamount to child abuse. In a hurry and short of patience, she berates McCoy for judging her when she hasn't the time or the money to feed her family in line with his elitist ideals. Unbeknownst to Jools, her rant has been filmed and immediately goes viral on YouTube, making her a reluctant celebrity overnight. With McCoy determined to discredit her by delving into her personal life, Jools decides it's time to fight her corner in the name of all the fraught mums out there who are fed up with being made to feel bad by food snobs like him. Armed with some fish fingers and her limited cooking repertoire, Jools must negotiate the unfamiliar world of celebrity while staying true to her instincts as a mum.

Sunday Times Number One Bestseller Happy Mum Happy Baby is now a Number One podcast. A positive and uplifting book about what it is to be a mother and all things mum and baby by Celebrity Mum of the Year and phenomenally popular vlogger, author, TV presenter and actress Giovanna Fletcher. Being a mum is an incredible journey, a remarkable experience that changes how we look, how we feel, who we are. As mothers we are strong, protective, proud. We feel a love like no other. But being a parent can be hard too. It challenges us physically, mentally, emotionally. There are the days where just managing to fit a shower in amidst the endless feeding, entertaining young children and surviving on a lack of sleep feels like an achievement. With so many people ready to offer 'advice' on the best way to parent, it can feel like you are getting it all wrong. Since Giovanna and her husband Tom Fletcher have had their sons Buzz and Buddy, they have been sharing glimpses of their family life. With an infectiously positive outlook and happy take on all things mum-related, Giovanna has developed a following of fellow parents and mums-to-be. This is not a book about how to have the perfect family experience - Gi would be the first to admit she is winging it just as much as the rest of us - instead it is an honest, upbeat and incredibly personal account of her own experience of having a family. In Happy Mum, Happy Baby Giovanna shares her own journey through parenthood and in doing so, she looks at what it is to be a mother today, encourages you to be confident in yourself as a parent and celebrates how putting a focus on being a happy and confident mum can really make for a happy baby.

The ultimate baby-shower gift for any expectant mum!This is motherhood laid bare. No filters, no frills, and often, no f**king clue. These are the hilarious, hidden tales about parenthood that InstaMums have cropped out for years: the leaking nipples, the sh*t-stained t-shirts and the truth about those bloody night feeds. These are the brilliantly funny and honest stories that every mother needs to hear - exposing the truth about parenthood.Mum's the Word gives a refreshingly raw and candid insight into life with a newborn baby; uniting mothers against the Supermum pretence and acknowledging that we're all just winging it anyway. Rebecca's dry and undeniably funny stories will test any mother's pelvic floor to the limit. So grab a Tena lady, latch on and take a seat.Mum's the Word is the latest release within a genre of increasingly-popular parenting memoirs, alongside Sarah Turner's Unmumsy Mum, Sam Avery's The Learner Parent and Giovanna Fletcher's Happy Mum, Happy Baby. These highly-respected titles provide a welcome relief from the prescriptive, and often intimidating, traditional parenting manuals. Mum's the Word complements this collection; this time providing a detailed focus on the bumpy ride from birth to age one.Rebecca states that this is her 'stark journey into motherhood, documenting the times that we nearly broke the baby, and the times that she nearly broke us'. The book provides a hilarious insight into the horrors of pre-partum perineal massage, losing every shred of dignity during birth, and the joy, fear, exhaustion and love that encompasses the transition to Mum. Alongside the hilarity, Mum's the Word provides a refreshing raw exposure to unfiltered motherhood. Unlike other memoirs of this kind, the book focuses specifically on the first year of parenting; and delves deep into the hidden world of Newmumdom. An easily-accessible alphabet structure provides the format for the scores of true short stories. The quick-paced tales are kind to the target audience; a time-restricted mother who may dip in and out during feeds, though the all-too-relatable humour will keep the pages turning well after the baby has fallen back asleep.The witty and often shocking #mumfails (of which there are many!) are interspersed with moving stories about grief and guilt. I aim to give a poignant, heartfelt account of the impact that new parenthood has on a relationship, on friendships and work priorities. The book is currently rated 5* on amazon with phenomenal early reviews.

Maternities

Over the past decade geographers have shown a growing interest in 'the body' as an important co-ordinate of subjectivity and as a way of understanding further relationships between people, place and space. To date, however geographers have published little on what is one of, if not the, most important of all bodies - bodies that conceive, give birth and nurture other bodies. It is time that feminist, social, and cultural geographers contributed more to debates about maternal bodies. This book offers a series of windows on the ways in which maternal bodies influence, and are influenced by, social and spatial processes. Topics covered include women 'coming out' as pregnant at work, changing fashion for pregnant women, being disabled and pregnant, the politics of home versus hospital birth, breastfeeding practices that sit outside the norm, women who are constructed as 'bad' mothers, and 'e-mums' (mothers who go on-line).

In this New York Times bestseller and Today show Read with Jenna Book Club Pick, one lapse in judgement lands a young mother in a government reform program where custody of her child hangs in the balance, in this "surreal" (People), "remarkable" (Vogue), and "infuriatingly timely" (The New York Times Book Review) debut novel. Frida Liu is struggling. She doesn't have a career worthy of her Chinese immigrant parents' sacrifices. She can't persuade her husband, Gust, to give up his wellness-obsessed younger mistress. Only with Harriet, their cherubic daughter, does Frida finally attain the perfection expected of her. Harriet may be all she has, but she is just enough. Until Frida has a very bad day. The state has its eye on mothers like Frida. The ones who check their phones, letting their children get injured on the playground; who let their children walk home alone. Because of one moment of poor judgement, a host of government officials will now determine if Frida is a candidate for a Big Brother-like institution that measures the success or failure of a mother's devotion. Faced with the possibility of losing Harriet, Frida must prove that a bad mother can be redeemed. That she can learn to be good. An "intense" (Oprah Daily), "captivating" (Today) page-turner that is also a transgressive novel of ideas about the perils of "perfect" upper-middle class parenting; the violence enacted upon women by both the state and, at times, one another; the systems that separate families; and the boundlessness of love, The School for Good Mothers introduces, in Frida, an everywoman for the ages. Using dark wit to explore the pains and joys of the deepest ties that bind us, Chan has written a modern literary classic.

A heartbreaking and hilarious memoir by iCarly and Sam & Cat star Jennette McCurdy about her struggles as a former child actor—including eating disorders, addiction, and a complicated relationship with her overbearing mother—and how she retook control of her life. Jennette McCurdy was six years old when she had her first acting audition. Her mother's dream was for her only daughter to become a star, and Jennette would do anything to make her mother happy. So she went along with what Mom called "calorie restriction," eating little and weighing herself five times a day. She endured extensive at-home makeovers while Mom chided, "Your eyelashes are invisible, okay? You think Dakota Fanning doesn't tint hers?" She was even showered by Mom until age sixteen while sharing her diaries, email, and all her income. In I'm Glad My Mom Died, Jennette recounts all this in unflinching detail—just as she chronicles what happens when the dream finally comes true. Cast in a new Nickelodeon series called iCarly, she is thrust into fame. Though Mom is ecstatic, emailing fan club moderators and getting on a first-name basis with the paparazzi ("Hi Gale!"), Jennette is riddled with anxiety, shame, and self-loathing, which manifest into eating disorders, addiction, and a series of unhealthy relationships. These issues only get worse when, soon after taking the lead in the iCarly spinoff Sam & Cat alongside Ariana Grande, her mother dies of cancer. Finally, after discovering therapy and quitting acting, Jennette embarks on recovery and decides for the first time in her life what she really wants. Told with refreshing candor and dark humor, I'm Glad My Mom Died is an inspiring story of resilience, independence, and the joy of shampooing your own hair.

What happens when you receive a piece of information that changes your life? Mum's the Word is not just one way to react, but also a 40,000-word memoir that takes you through how the author handled such news. Suspense builds as a story of family secrets, unknown adoption, and an amazing search to find answers, the real truth, unfolds. This journey reveals the complexities of love, relationships, and coming to terms with unexpected life events. Within these pages is a true story of uncertainty, joy, pain, and faith in overcoming obstacles in order to make miraculous connections. Mum's The Word exposes what had largely been a quest in silence. After 30 years, a secret is revealed while applying for a passport to attend, of all things, a family reunion. A birth certificate request sent to London results in a document stamped certificate of adoption.

A celebration of mums - from feathered to furry! Beautifully illustrated with delightful animals, My Mum's the Best captures the fun-loving bond between mother and child - from big, cosy bear hugs to bathing elephants. Whether big or small, feathered or furry, mums always know how to make us feel special! This special edition includes a lovely heart-shaped magnetic photo frame - perfect for your most treasured picture with Mum!
