

Murder At The Cathedral An Exham On Sea Mystery Whodunnit Exham On Sea Mysteries Book 4

A dramatization in verse of the murder of Thomas Becket at Canterbury. "The theatre as well as the church is enriched by the of grave beauty and momentous decision" (New York Times). "Within its limits the play is a masterpiece.... Mr. Eliot has written a poem than this and none which seems simpler" (Mark Van Doren, The Nation).

T.S. Eliot

Murder at the National Cathedral

A Study of the Particular Problem of Martyrdom and Eliot's Dramatic Intention

"A vigorous tale of twists and turns . . . An authentic thriller."—The Washington Post Book World **Murder didn't stop Mac Smith or Annabel Reed from falling in love, or from getting married at the glorious church on the hill in Washington, D.C., the National Cathedral. But the brutal murder of a friend drags them from their newlywed bliss into an unholy web of intrigue and danger. The body is found in the cathedral. There are scant clues and no suspects. And to further complicate matters, a parallel crime is committed at a church in England's Cotswolds, where the honeymooners have recently been visitors. Across the sea go the Smiths again, and straight into the center of an ungodly plot of secret agents, a playboy priest, a frustrated lover, a choleric cleric . . . and a murder so perfect it's a sin. Praise for Murder at the National Cathedral "One of her most enjoyable books."—Associated Press "Margaret Truman has become a first-rate mystery writer."—Los Angeles Times Book Review**

Murder in the Cathedral

A Study Guide

The verse dramatization of the medieval murder of Thomas Becket at Canterbury by the winner of the Nobel Prize for Literature. The Archbishop Thomas Becket speaks fatal words before he is martyred in T. S. Eliot's best-known drama, based on the murder of the Archbishop of Canterbury in 1170. Praised for its poetically masterful handling of issues of faith, politics, and the common good, T. S. Eliot's play bolstered his reputation as the most significant poet of his time. It has been performed on stage, film, and television since 1935 and was the basis for the opera *Assassinio nella Cattedrale* by the Italian composer Ildebrando Pizzetti.

From the bestselling author of *Meetings With Remarkable Manuscripts*, a captivating account of the last surviving relic of Thomas Becket. The assassination of Thomas Becket in Canterbury Cathedral on 29 December 1170 is one of the most famous events in European history. It inspired the largest pilgrim site in medieval Europe and many works of literature from Chaucer's *Canterbury Tales* to T. S. Eliot's *Murder in the Cathedral* and Anouilh's *Becket*. In a brilliant piece of historical detective work, Christopher de Hamel here identifies the only surviving relic from Becket's shrine: the Anglo-Saxon Psalter which he cherished throughout his time as Archbishop of Canterbury, and which he may even have been holding when he was murdered. Beautifully illustrated and published to coincide with the 850th anniversary of the death of Thomas Becket, this is an exciting rediscovery of one of the most evocative artefacts of medieval England.

A Critical Commentary

Does one get away with murder? Can it be rationalized as being acceptable to respond with deadly force to a serious harm against a family member? *Murder at the Cathedral* begins with two boyhood friends, Scot and Mike, both having thoughts of becoming priests. As they mature, their career goals evolve into their interests in law and becoming attorneys. The story follows Scot through his education and early employment history. It continues into his entry into a legal career. Blended into the story is a seminar paper from the year 2004 in the subject English Language and Literature Studies - Literature, grade: 2, University of Dusseldorf "Heinrich Heine," course: T. S. Eliot, 9 entries in the bibliography, language: English, comment: Double spaced, abstract:

1935 is the year of Eliot's writing "Murder in the Cathedral," the first religious verse drama in his career as dramatist. Writing his own critical essay on "Murder in the Cathedral," Eliot focuses on a lot of topics and difficulties, writing a first drama in verse. One of the topics Eliot refers to in his essay "Poetry and Drama" is his reflection on the Women Chorus in "Murder in the Cathedral" and their dramatic function during the play. Reflecting on this topic and giving an answer to the question, if there are other functions, which can be attributed to the Chorus, will be my job in this paper. But before dealing with the actual topic, I will use this introduction, which I consider the first unit of my paper, in order to give you an overview of the units and topics of the paper.

A Study of the Texts and Criticisms

The Function of the Chorus in T. S. Eliot's "Murder in the Cathedral"

"This blithe series puts itself on the side of the angels by merrily, and staunchly, subverting every tenet of political correctness."—The Independent For many years Westonbury Cathedral has been dominated by a clique of High Church gays, so when Norman Cooper, an austere, intolerant, happy-clappy evangelist, is appointed dean, there is shock,

outrage and fear. David Elworthy, the gentle and politically innocent new bishop, is distraught at the prospect of warfare between the factions; contentious issues include the camp lady chapel and the gay memorial under construction in the deanery garden. Desperate for help, Elworthy cries on the shoulder of his old friend, the redoubtable Baroness Troutbeck, who forces her unofficial troubleshooter, Robert Amiss, to move into the bishop's palace. Amiss, Troutbeck and the cat Plutarch address themselves in their various ways to the bishop's problems, which very soon include a clerical corpse in the cathedral. Is it suicide? Or is it murder? And who is likely to be next?

A Screenplay

T. S. Eliot wrote *Murder in the Cathedral*, a drama in verse about the days leading up to the death of Thomas Becket at Canterbury Cathedral, for the 1935 Canterbury Festival, where it was performed at the Canterbury Cath.

In 1163, a quarrel begins between the British King Henry II and the Archbishop of Canterbury, Thomas Becket. The men had been good friends, but each feels that his interests should be of primary concern to the nation and that the other should acquiesce to his demands. Becket flies to France in 1164 in order to rally support from the Catholic French for his cause and also seeks an audience with the Pope. After being officially (although not personally) reconciled with the King, Becket returns to England in 1170, only to be murdered (between December 2nd and December 29th) by four of Henry's Knights as he prays in the Canterbury Cathedral. Three years later, he is canonized and pilgrims, Henry among them, have made their way to his tomb ever since.
