

## My Book Home Edition

***Don Newman's first volume of Savannah centric poetry reflects the close personal relationship between poet and subject often found in work dedicated to a particular place. Such intimate subjectivity may seem lofty at times. But this Savannah native has a way of bringing grandiose notions of his hometown down to earth. Here, the author's regional sensibilities-together with his stretch toward the universal-offer the reader a unique perspective and a tour of Savannah unattainable during a typical day of sightseeing.***

## Get Free My Book Home Edition

***While by no means a comprehensive poetic look at the city, Newman's Little Poetry Book of Savannah will surely augment the traveler's backpack, give visitors a distinctive literary keepsake, and make the perfect gift for those back home who would like an authentic little piece of Savannah. Meditative, descriptive, fun, quirky, and enjoyably honest, Newman bares parts of his soul in this down-to-earth, head-in-the-clouds "poetry for everyone." For a slightly smaller, less expensive Black & White Edition go here: <https://www.createspace.com/3909405> Encompassing four hundred delicious recipes, a***

Rajesh's new book Going Beyond my Gurus for Human Welfare achieves what the title claims. The author maintains clarity in thinking and devising solutions to many critical problems that plague our world today, from a totally unknown,

## Get Free My Book Home Edition

unheard of and fresh perspective! And they seem practical to implement! One of his best chapters starts by exploring an intriguing question—could Hitler have been like Jesus, if he knew how to be one? The book examines social problems, the crumbling institutions of our lives—marriage and family—, problems such as unemployment and abject poverty in India, the failures of our modern educational systems, raising questions about the long-standing border conflict in Kashmir and the Syrian war. It has a beautiful write up about the true place of women in our society and solutions to most environmental issues that threaten Mother Earth today. Rajesh presents his innovative solutions and ideas, his prime motive being to promote Human Welfare and Human Wellbeing. Surely a matter for our society to introspect, and a

year-old Drew Montgomery has not, does not, and will not ever want a stupid old rabbit. All they do is sit in their cages, eat carrots, and poop. Then his annoying little sister blackmails him into hiding a bunny in his closet. She knows what really happened to his "stolen" bike and she's threatening to tell. Now Drew's in a real jam. If his "No pets!" parents find the rabbit or, worse, his sister blabs the truth, he'll be grounded till grade seven for sure. And if that's not enough trouble, two girls at school drag him into a prank war that goes from bad to worse--and it's all the rabbit's fault. Plus, the weirdest girl in his class wants to be his science partner. If she tells him she wants to be his girlfriend, he just knows he's gonna die. Drew must find a way to outwit the mean girls, wiggle out of the blackmail deal, and get rid of the
