

My Hot Ass Neighbor Issue 9 Jab

Three full-length novels by USA TODAY BESTSELLING AUTHOR, Dannika Dark Three riveting tales of romance spun together into one story arc. Austin, Texas, is thick with Shifters, unbeknownst to the human population. The Weston pack is comprised of six brothers: an alpha, biker, rock star, bartender, bad boy, and even a card shark. Each book is a fresh new story that grabs your heart and never lets go. The Seven Series is a Shifter romance about family, second chances, and finding that person who completes you. SEVEN YEARS (Book 1) Lexi Knight hasn't seen Austin Cole since her brother's funeral seven years ago. Now a dangerous bounty hunter, Austin reveals he's also an alpha Shifter. But there's another shocking twist, putting Lexi's family in danger. Can their relationship be salvaged from the ruins of their past? Sexy, funny, and heartwarming. SIX MONTHS (Book 2) April Frost is a young woman who was set up for failure but refuses to become a product of her environment. After her father died and her drug-addict mother left her and her sister to live with their grandmother in a trailer, April focused on school to prepare for her future. But nothing could have prepared her for Reno Cole—biker, ex-military, and Shifter. Will April find her fairy tale ending? Dark, intense, and full of hope. FIVE WEEKS (Book 3) Izzy Monroe loves the freedom of living a rogue life, but after settling down in Austin, she runs into the last person on earth she expected to see again. Jericho is a local rock star who lives in the fast lane, and Izzy's former best friend. Fate reunites two former friends living with one foot in the past and the other in the present. Old habits die hard, and sometimes the toughest addictions to shake are the ones that control our hearts. Suspenseful, wild, and chemistry that's off the charts.

A STANDALONE NOVEL that does NOT need to be read in conjunction with any other book. From New York Times bestselling author, Penelope Ward, comes a friends-to-lovers story with sexy new characters. After getting dumped, the last thing I needed was to move next door to someone who reminded me of my ex-boyfriend, Elec. Damien was a hotter version of my ex. The neighbor I'd dubbed "Angry Artist" also had two massive dogs that kept me up with their barking. He wanted nothing to do with me. Or so I thought until one night I heard laughter coming through an apparent hole in my bedroom wall. Damien had been listening to all of my phone sessions with my therapist. The sexy artist next door now knew all of my deepest secrets and insecurities. We got to talking. He set me straight with tips to get over my breakup. He became a good friend, but Damien made it clear that he couldn't be anything more. Problem was, I was falling hard for him anyway. And as much as he pushed me away, I knew he felt the same...because his heartbeat didn't lie. I thought my heart had been broken by Elec, but it was alive and beating harder than ever for Damien. I just hoped he wouldn't shatter it for good. Author's note - Neighbor Dearest is a full-length standalone novel.

Love Thy Neighbor (Friend-Zoned #2)

Meet Darby Tillman. An amiable-even likeable love starved thirty-six year old screwball who has some rather bizarre views on almost everything, including what it takes to woo, bemuse and finally conquer the fairer sex. Believing he's finally found true love at last, Darby can't

quite understand why his frustrating, often lopsided relationship suddenly goes sour with Gretchen, the lovely but mysterious lady upstairs who has been concealing a chilling, unspeakable horror most of her life. Ultimately rejected by Gretchen, Darby shifts his amorous, somewhat vengeful feelings toward Amber-Gretchen's precocious niece-after learning the beautiful tennis playing coed is visiting her wealthy great aunt on Hawaii's Big Island for the summer. From the very beginning of Darby's moronically contrived "Amber Introduction Plan"-if one can accept "kidnapping" as a perfectly normal approach to meeting someone new-everything goes wrong. And things just get a lot worse as Amber and her loopy, nitwit abductor, Darby, suddenly find themselves battling for their lives-and each other-as they struggle to survive one of the worst cataclysms to ravage the Hilo coastline in years! "Disturbingly odd and well crafted. I loved every nutty, neurotic word!" R. Hoelterhoff, J&B Media - Chicago "Hilarious! Eerie! Spooky! Cage this lunatic (the author)! Just make sure he has something dull and non-sharp to keep writing with!" J. Nelson, Gannet Publications - NY

Roger stumbles through his days, trying to find something, anything, of meaning or sense, something that doesn't fill him with disgust. But all he sees around him in the world makes him sick, world events, Religion, "culture", and so he stumbles on in a drunken daze, wondering what the point of any of it is, finding no answers. As he wanders the city streets at night, it is odd, but it is as if the buildings change and all city surroundings, people, cars, noise all just disappear as he continues to walk on deeper within the night. Then, one night while out he happens upon a bench and is greeted by a person upon it who announces "Cheerio good chap, Roger you do know that we are going to kill you tonight don't you?" By the end, will any be able to contest, it truly is a wonderful world is it not. But...who exactly are "They"?

As she faced the flames, she realized two things with absolute certainty. She could bear the heat, but she could not bear losing him. She's shy, he's stoic...not the hardest personality traits to overcome, but Sophie Carson and Roman "Chief" Proudfit have their work cut out for them. Sophie has a crush on the silent-but-studly firefighter next door. She's been pining away silently while secretly helping the hardworking man by mowing his lawn—which he thinks is being done by her nonexistent husband and/or boyfriend. He's definitely not big on neighborly

chitchat, but with her stutter, that suits Sophie just fine. But now a misunderstanding at a bar has put him even further out of her reach. Roman's difficult upbringing on an Indian reservation is a sore spot, so when he thinks Sophie is taking advantage of poor people for medical trials at her workplace, he lets her know exactly what he thinks. But when he discovers he is misunderstood, he's man enough to admit it...and also that he should have opened his eyes to his beautiful, sensitive neighbor sooner. As the couple gets closer, each helping the other overcome lifelong pains, for the first time in years, Roman has something to live for other than his job. And, as he discovers when Sophie puts herself in danger, something even bigger to lose... **

The first night in my new apartment, I wanted to kill him. The laughter in the halls, the banging against the walls, the sound of that girl screaming in ecstasy. It was so loud that I had to call our building manager about him twice. My new neighbor was a rude, arrogant asshole. I can't blame the girl though. His dazzling blue eyes, that body, those tattoos. I had never met a guy quite like him. But then he keyed my car, and I needed to get the police involved. That was the beginning of our heated feud. Little did I know, things were about to get a lot more heated. The cocky bastard was holding onto a lot of big secrets, one of them being that he was an ex-Navy Seal. And when the Navy Seal came to the rescue, I ended up rescuing him from himself in the process.

He's about to find out... She's not just one of the guys. Annabelle Jordan and her two sisters were orphans in frilly dresses when they went to live with their sports-lawyer uncle in his world of locker rooms, bookies and gambling. Now the girls are publicists in their uncle's firm, The Hot Zone. Despite her upbringing, Annabelle is all woman. She's naturally drawn to real men—like her latest client, businessman and former football legend Brandon Vaughn. The chemistry is potent, undeniable, irresistible. Annabelle soon realizes that Brandon is much more than just another jock. And that she'd better hold on tight if she doesn't want to lose her heart.

When a young wife and mother disappears from her suburban home, it's not long before the cops have their first suspect: the missing woman's husband, whose behavior is distinctly suspicious.

Emma From the moment I met Grayson Cole, I knew he was someone I wanted to let in my panties and maybe, even in my heart. One night, one sexy-as-sin kiss, and several drinks later, our incredible evening turns into a disaster and I'm apologizing for the vomit spatter on his

fancy, black shoes. I never thought I'd see him again after that, no matter how many nights I spent wishing I would. Until a month later, he waltzes into my office as-MY NEW, HOT BOSS. I'm so screwed. Grayson From the moment Emma Williams crashed into me I had only one thought - just this night. That's all I wanted. That's all I needed. But fate had a different plan; I didn't expect to ever see that brunette beauty again, no matter how many nights I spent wishing I would. Until a month later, I'm introducing myself as her new Boss. Now the smart, gorgeous vixen is challenging me at every opportunity and my desire to have her has me working for her affections like I've never done before. What is this woman doing to me? Not only am I her Boss, but I don't do feelings. There's only one way I see this ending. I'm so screwed.
