

My Life Queen Of The Court

One of the biggest stars in tennis, Serena Williams has captured every major title. From growing up in the tough neighborhood of Compton, California, to being trained by her father on courts littered with broken glass and drug paraphernalia, to becoming the top women's player in the world, Serena has proven to be an inspiration to her legions of fans. Her accomplishments have not been won without struggle. She has been derailed by injury, criticized for her unorthodox approach to tennis, and was devastated by the tragic shooting of her older sister. Yet somehow Serena always manages to prevail, both on and off the court. She's applied the same strength and determination that helped her to become a champion to her successful pursuits in philanthropy, fashion, television, and film. In this compelling and poignant memoir, Serena takes an empowering look at her extraordinary life and what is still to come.

Each and every one of us was born to live a miraculous life. And never before has it been easier to tap into the magic and miracles life has to offer. The Miracle That Is Your Life will take you on a journey of exploration and discovery, offering you simple ways for you to adjust, finally being able to experience the life you have only been able to dream of. Maybe you've been working hard, but your bank account does not reflect your efforts. Maybe you have gone through a break-up and wondering what may be next for you. Or possibly you've been taking care of so many other people and other responsibilities, that you are concerned about your health. Whatever your circumstances, this book is going to help you gain your clarity and position you to take your next steps. If there has been a feeling in your gut, a pull in your heart, and the very fact you are reading this description, allow Wendy Darling to show you the way. Not only is there something more for you to experience, you can finally get on the path of living a most special and miraculous life. Start turning those dreams and desires into reality....right now!

Lillian stared at the closed door through which both her father and Mrs. Bolstreath had passed, and then looked at Dan, sitting somewhat disconsolately at the disordered dinner-table. She was a delicately pretty girl of a fair fragile type, not yet twenty years of age, and resembled a shepherdess of Dresden china in her dainty perfection. With her pale golden hair, and rose-leaf complexion; arrayed in a simple white silk frock with snowy pearls round her slender neck, she looked like a wreath of faint mist. At least Dan fancifully thought so, as he stole a glance at her frail beauty, or perhaps she was more like a silver-point drawing, exquisitely fine. But whatever image love might find to express her loveliness, Dan knew in his hot passion that she was the one girl in the world for him. Lillian Halliday was a much better name for her than Lillian Moon. Dan himself was tall and slim, dark and virile, with a clear-cut, clean-shaven face suggestive of strength and activity. His bronzed complexion suggested an open-air life, while the eagle look in his dark eyes was that new vast-distance expression rapidly being acquired by those who devote themselves to aviation. No one could deny Dan's good looks or clean life or daring nature, and he was all that a girl could desire in the way of a fairy prince. But fathers do not approve of fairy princes unless they come laden with jewels and gold. To bring such to Lillian was rather like taking coals to Newcastle since her father was so wealthy; but much desires more, and Sir Charles wanted a rich son-in-law. Dan could not supply this particular adjective, and therefore--as he would have put it in the newest slang of the newest profession--was out of the fly. Not that he intended to be, in spite of Sir Charles, since love can laugh at stern fathers as easily as at bolts and bars. And all this time Lillian stared at the door, and then at Dan, and then at her plate, putting two and two together. But in spite of her feminine intuition, she could not make four, and turned to her lover--for that Dan was, and a declared lover too--for an explanation.

In Stop Sabotaging Your Life: 3 Steps To Your Full Potential, acclaimed life coach Bruno LoGreco shares his simple path to achieving healthy mental and emotional independence. How many times have you caught yourself thinking something like this?: I'm not enough—good enough...smart enough...good looking enough...successful enough... LoGreco says we sabotage our lives by focusing too much on being what others want us to be and do, and not spending enough time listening to our own hearts and minds. Some people try to find self-acceptance and contentment through counseling, but end up trapped on the therapy treadmill. Others try to go it alone, but still end up in a tiresome process of navel-gazing that never leads to personal fulfillment. LoGreco offers a three-step plan to help you reach your own potential: self-awareness (recognize what you have been doing, and why); rebuilding values (learn a different way to do things); and reach your full potential (identify opportunities and set meaningful goals). You will learn to leverage your strengths to stop chasing illusions and work toward achieving your dreams. LoGreco doesn't claim his book will cure everything that ails you. As he says, "There is no secret formula, no magic pill that will make you happy, productive, and successful. You must challenge your beliefs and take back control of your choices. Don't just think outside the box—break out of it altogether." What clients and readers are saying about life coach, mentor, and motivational speaker Bruno LoGreco: "As a divorced mother of three, I've encountered many obstacles, mostly personal ones within myself. I wondered why I kept repeating the same patterns with the men I was dating and why it always ended badly, usually with me being hurt, and questioned what 'I' was doing wrong. Bruno taught me how to love myself again, how to respect myself and above all else, BELIEVE in myself... Bruno saved me from my self-destructive patterns. Without his help, I wouldn't be the confident woman I am today. I am a better mother for that." —Cristina "The world is filled with very successful executives who for decades focus every waking minute on professional accolades and professional development [only to] realize they haven't take the time out to focus on personal development in terms of a better balance in life, being in touch with their spiritual side and inner self, and even the fun side of life. That would describe me in the past... I came across Bruno, and I knew he was the man. His personality exudes authenticity and geniality. The man simply knows his stuff, has this uncanny ability to read between the lines, and zero in instantly on underlying triggers. His structured approach steers you to address issues head on; challenges you to challenge yourself; opens your mind; helps you understand behaviors, experiences and patterns; gets you in touch with yourself; fuels a sense of purpose and passion; and escorts you to chart a new course to life. He never judges, but relentlessly encourages and empowers you. He's truly a brilliant, genuine and a humane person with an infectious enthusiasm to make you seize your inborn potential." —Adrian "If I had to sum up my experience with Bruno in one word, it would be 'awakened.' Bruno helped me see life from a different perspective, which is what I needed, but most importantly, he showed me how to do that myself without being dependent on him... Bruno got me to step outside of my comfort zone and do things I normally wouldn't have done otherwise, which is undoubtedly the key to growth." —Blaine

This study of God's Word and the story of Esther gives perspective to frazzled moms. Perfect for a woman at any life season, the study offers encouragement for seeing the hidden hand of God at work behind the scenes.

My purpose for writing this book is to leave a legacy of a man who was truly remarkable. My journal consists of the 30 odd years we spent together, all the adventures and travels.

**** Our summary is short, simple and pragmatic. It allows you to have the essential ideas of a big book in less than 30 minutes. As you read this summary, you will discover the life, childhood and incredible rise of Serena Williams. You will also discover : that for the Williams family, tennis is a family affair; that Serena has always walked in the shadow of her big sister Venus, considered as the future tennis champion; that the tenniswoman's desire to win has***

led her to aim higher and higher; how Serena coped with media pressure and the stress of competition; how the player returned to the podium after years of questioning. In the world of tennis, Serena Williams is one of the most successful women's tennis players to have won more titles and victories in her career. However, she has struggled to make that list. Between a childhood of intense training and harsh criticism from the press, Serena had to keep a cool head to achieve success. But even once she reached the top, nothing was easy, especially because of the strong media pressure she was under. How did Serena become, against all odds, the number one player in the history of tennis? *Buy now the summary of this book for the modest price of a cup of coffee!

SYNOPSIS This book is about The Life, The Pain, and The Glory of Shakur (Coy Boy) McNish, growing up in the streets of South Philadelphia and migrated to West Philadelphia for a new way of life, but things didn't work out the way his mother Judy has planned. Shakur was associated with a lot of Street Legends in Philadelphia, New Jersey and New York and was sent to prison on a Federal Indictment. He realized that there was no more love or loyalty in them streets, so he decided to give up that lifestyle and become one of Philadelphia's successful corporate businessmen. He exposed many secrets in this book about certain individuals. He also shares certain events that he attended with some of his celebrity friends such as, State Property's own Rapper "Beanie Sigel." "Everybody wants to know "Who Is He," His Life, His Pain and how he turned it into His Glory! His Story is a must read for all those who can't seem to "Think Outside The Hood"! THE GAME IS DEAD! Finding Your Passion and Lighting Your World

The Story of My Life

If you are one of the many millions who watched the Oscar-winning film Bohemian Rhapsody you may suppose that Mary Austin was the love of Freddie Mercury's life, the woman who he could never quite let go of. The truth is more complicated. Respected biographer and music journalist, Lesley-Ann Jones explores Freddie's romantic encounters - from his boarding school years in Panchgani, India to his final days spent bed-ridden at his sumptuous Kensington home. Here the author reveals why not a single one of his lovers ever really perfected the art of being his life partner. Love of My Life charts Freddie's many obsessions from Mary Austin, Barbara Valentin and final live-in lover Jim Hutton. From a string of male love interests to his chaste passion for Spanish soprano Montserrat Caballé; from fellow rock stars Dave Clark, Elton John and his own co-band members in Queen, to 'cats and curios': his fascination for felines and his relentless extravagant shopping and collecting; from favourite cities around the world - New York, Montreux and Munich, in which he purchased lavish homes - to the 'food of love' - his music, and his voracious addiction to sex. Which of these was the real love of Freddie Mercury's life? Based on personal interviews and encounters the author tells of Freddie Mercury's lesser known loves in order to paint a comprehensive picture of the legendary musician. Published on the 30th anniversary of his death, and what would have been Freddie Mercury's 75th year.

One of the biggest stars in tennis, Serena Williams has captured every major title. Her 2009 Australian Open championship earned her the number one world ranking for the third time in her illustrious career-and marked only the latest exclamation point in a life well and purposefully lived. As a young girl, Serena began training with an adult-size racquet that was almost as big as she was. Rather than dropping the racquet, Serena saw it as a challenge to overcome - and she has confronted every obstacle on her path to success with the same unflinching spirit. From growing up in the tough, hardscrabble neighborhood of Compton, California, to being trained by her father on public tennis courts littered with broken glass and drug paraphernalia, to becoming the top women's player in the world, Serena has proven to be an inspiration to her legions of fans both young and old. Her accomplishments have not been won without struggle. She has been derailed by injury, criticized for her unorthodox approach to tennis, and was devastated by the tragic shooting of her older sister. Yet somehow Serena always manages to prevail, both on and off the court. She's applied the same strength and determination that helped her to become a champion to her successful pursuits in philanthropy, fashion, television, and film. In this compelling and poignant memoir, Serena takes an empowering look at her extraordinary life and what is still to come.

Tell em to hold on, a real bitch is coming.' Kahyla James was an ordinary girl with dreams of one day making it big. And she was well on her way, especially with a street gangsta like Anthony 'Boston' Dixon training her to be a self made bitch. But when she was betrayed by the people that she loved the most it forced her to take actions into her own hands and show the city just how ruthless she could be. Ride with Kahyla as she navigates the streets showing the gangsta's that the penalty for betrayal is still death.

AN INTERACTIVE EXPERIENCE CHILDREN WILL NOT FORGET! Word Queen: Book Four features three stories. Statue letters with kn, wr, gn, ld..., aaaw sound in au al aw/wa, r controlled vowels ar, or, er, ir, ur. The Word Queen is a mysteriously, irresistible character that ingrains the endless rules of decoding the English language into the minds of children. This exciting reading program, created by a National Board Certified teacher, instills the ability to read into kindergarten thru second grade students. Since only about 10% of text can be decoded using the basic 26 letter sounds of the alphabet, this is a much needed program in education today. It is easily implemented and designed to accommodate the time constraints of teachers. The Word Queen engages children holistically through real life interactions and creates an enthusiasm and eagerness to learn! Teachers say: "The kids are so excited, they don't even realize they are learning!"

Gaby LeFevre is a suburban, Midwestern firecracker, growing up in the 80s and 90s and saving the world one homeless person, centenarian, and orphan at a time. With her crew of twin sister, Annie, smitten Mikhail, and frenemy Mel, she's a pamphlet-wielding humanitarian, tackling a broken world full of heroes and heroines, villains and magical seeds, and Northwyth stories. Beginning with a roadkill-burying nine-year-old and a gas-leak explosion, it follows Gaby as she traverses childhood and young adulthood with characteristic intensity and a penchant for disaster. Meanwhile, the large cast of compelling characters entertains and the Northwyth legends draw you into their magic.

Sarah tries to smuggle a New Testament into England in order to save the life of William Tyndale, a man imprisoned for translating the Bible into English.

Upton Sinclair, one of America's foremost and most prolific authors, addresses the cultivation of the mind and the body in this 1922 volume. Sinclair's goal was to attempt to tell the reader how to live, how to find health, happiness and success, and how to develop fully both the mind and the body. Part One: The Book of the Mind covers such subjects as faith, reason, morality, and the subconscious. Part Two: The Book of the Body develops such subjects as errors in diet, the fasting cure, food and poisons, work and play, and diseases and their cures .

For more than a decade, Peter Hince worked alongside one of the greatest bands in the history of rock, touring the world and heading up their road crew as they performed at some of the best and biggest music venues in the world. Here he recalls the highlights of those years with the band. He was with Freddie Mercury when he composed "Crazy Little Thing Called Love;" he was responsible for making sure that Freddie's stage performances went without a hitch; and he was often there to witness Freddie's famed tantrums. He was also party to the sex, drugs, and rock and roll which are invariably part of life on the road with a rock band. Many books have been written about Queen and Freddie Mercury, but this is the first real insider's story. Packed with the author's own exclusive photos, including never-before-seen shots of Freddie, his female lover Mary, and other band members, this warm and witty book will entertain and inform as a must-read for any music fan.

The Life and Times of Bessie Smith

Helen Keller's autobiographies THE STORY OF MY LIFE and THE WORLD I LIVE IN chronicle in her own words the remarkable true story we have come to know from the stage and film productions of THE MIRACLE WORKER. Here we discover Helen's thoughts and feelings hidden in the blind, deaf, and mute character in those productions—thoughts and feelings she came to express with such eloquence orally and in writings in later years. And here we are inspired not only by Helen Keller and her journey but also by the intriguing possibilities that certainly must be awaiting discovery in others. EARLY REVIEWS "The autobiography of Helen Keller is unquestionably one of the most remarkable records ever published."—British Weekly "This book is a human document of intense interest, and without a parallel, we suppose, in the history of literature."—Yorkshire Post "Miss Keller's autobiography, well written and full of practical interest in all sides of life, literary, artistic and social, records an extraordinary victory over physical disabilities."—Times "This book is a record of the miraculous. No one can read it without being profoundly touched by the patience and devotion which brought the blind, deaf-mute child into touch with human life, without being filled with wonder at the quick intelligence which made such communication with the outside world possible."—Queen

"THE RULES OF WAR HAD BEEN CHANGED. QUEEN ELEANOR WANTED TO KNOW WHY." Eleanor, the young queen of Aemogen, is confronted with the greatest threat her country has ever faced: surrender Aemogen's sovereignty to the treacherous Imirillian Empire or endure a devastating and impossible war. Now she must decide if she will forfeit her people's liberty or fight. When Wil Traveler, the disenchanting Imirillian soldier, wanders into her country, Eleanor takes the gamble of asking him to train her ill-prepared men for war, despite suspecting he may be a spy. Battling questions of war and conquest, Eleanor fights to protect her people as Wil challenges her way of life, all the while keeping the secrets of his violent past a mystery.

A future Europe has spiraled into barbarism. The Western Hemisphere stands alone, isolated and sheltered from the destruction - for now. Influenced by the events of World War I, this is the year 2137 as portrayed by Edgar Rice Burroughs' in his science fiction novel The Lost Continent, its subtitle Beyond Thirty being the longitude that Western Hemisphere inhabitants are forbidden to pass.

The granddaughter of Queen Victoria and Tsar Alexander II of Russia, Queen Marie of Romania was one of the most brilliant monarchs of the 20th century. This recently discovered last volume of her memoirs covers the period following the First World War, and the new political configuration in united Romania.

Learn the Inspiring Story of One of Tennis' Greatest Stars, Serena Williams! Read on your PC, Mac, smartphone, tablet or Kindle device. For a limited time, if you buy the print edition as a gift, you can keep the Kindle edition for yourself! In Serena Williams: The Inspiring Story of One of Tennis' Greatest Legends, you will learn the inspirational story of one of tennis' premier legends, Serena Williams. Williams is arguably the greatest women's tennis player of all-time. At the time of this writing, she holds the most Grand Slam singles titles in the Open Era with 23. Fans from across the world adore

Williams and with good reason: she serves as an exemplary role model for how to behave on and off the tennis court. She is not only elite in skill, but also in her sportsmanship. In this unauthorized biography, we'll explore Williams' journey to becoming one of the greatest, and learn what it has taken her to reach where she is today. Don't delay, pick up a copy of this Serena Williams book today! Here is a preview of what is inside this book: Early Life and Childhood Early Professional Career First Grand Slam Title at the 1999 U.S. Open Serena's Dominance that Spans Decades Serena's Top Rivals Williams' Personal Life The Legacy of Serena Williams An excerpt from the book: She is the standard-bearer of women's tennis as we know it right now, and any argument about the greatest player in the sport, either man or woman, must include her. Seemingly everything about her is a lightning rod for controversy, from her on-court outfits to her pointed post-match interviews after losses and whether her powerful serve and forehand are even good for women's tennis. Serena Williams is all of these things to all of these people. She has been the face of women's tennis for more than two decades, having enjoyed an unprecedented amount of success that has come with an equally unprecedented amount of scrutiny by both supporters and detractors alike. Few have been able to reach her level professionally, and fewer still can understand the weight she has carried as an African-American at the pinnacle of a sport so long dominated by white people. She had a unique upbringing alongside older sister and fellow star Venus Williams while under the watchful eye of her outspoken and controversial father, Richard Williams, as well as her mother, Oracene Price. Serena Williams has brought many things to the WTA Tour, far more good than bad, and she has not lacked for attention at any point in her standout career. The sport has made her a worldwide star; her race has made her an ambassador for African-Americans and her philanthropy while doing both has made her a role model who is constantly in demand. The holder of an Open Era-record 23 Grand Slam titles and 72 overall WTA Tour titles, current fiancée and expecting mother, Serena Jemeka Williams has lived quite the extraordinary life in just under 35 years. A definitive portrait of Queen Elizabeth II on the seventieth anniversary of her reign by a renowned royal biographer. Shy but with a steely self-confidence; inscrutable despite ten decades in the public eye; unflappable; devout; indulgent; outwardly reserved, inwardly passionate; unsentimental; inquisitive; young at heart. All of these describe Her Majesty Queen Elizabeth II, who has reigned through more seismic social change than any monarch in British history. From the Abdication to the Sussexes, from World War II to the loss of her life-long partner, she has witnessed family crises on a scale not seen since the days of George III. She is a 21st Century global phenomenon commanding unrivalled respect and affection. Sealed off during the greatest peacetime emergency of modern times, she has stuck to her own maxim: 'I have to be seen to be believed.' And now she is preparing for an event without parallel in Europe since the reign of Louis XIV: her Platinum Jubilee, celebrating seventy years on the Throne. Robert Hardman, the acclaimed and respected author of *Her Majesty and Queen of the World* has already examined the Queen as a modern monarch and her role as a stateswoman abroad. Now, in this entirely new study, including unpublished Royal Family papers and photographs along with personal stories from other world leaders, he wraps up the full story of one of the undisputed greats in a thousand years of monarchy. Hardman distils Elizabeth's complex life into a must-read study of dynastic survival and renewal. It is a portrait of a world leader who remains as intriguing today as the day she came to the Throne at age twenty-five. With peerless access to members of the Royal Family, staff, friends and royal records, *Queen of Our Times* brings fresh insights and scholarship to the modern royal story. There will be no more thorough, more readable, more original book on the record-breaking Elizabeth II as she reaches a landmark which, surely, can never be equaled.

Bullying. Homelessness. Abortion. Human trafficking. It doesn't take much searching to discover that there are a lot of things wrong in our world today. What could one person possibly do about all these issues? In *I Dare You*, Isabella Morganthal dares you to step out and make a difference in the world for Jesus Christ. She helps you dig deep and discover your passion, while encouraging you to do something about it. This is a dare to give everything you have to Jesus and watch Him do amazing things with your life. This is a dare to make your life count. This is a dare to change your world.

Golden keys to making practical choices from the inside out that can guide the real you to creating and manifesting all aspects of your life!

Book Three of the Love's Territory Series

What do you do after life has handed you a wake-up call? Author Brian Seth Hurst experienced a significant professional setback, but, rather than "soldier on," he recognized it as a profound opportunity to acknowledge a deeper foundation at work in his life. It is the affirmation that there is sheer power in what one believes, and, for better or worse, those beliefs are the foundation for the reality we create. The question of "Why?" began a thirty-day inquiry and adventure for Hurst into the unknown. The result is the book *W H O L E* - a collection of powerful essays that examine how beliefs serve, or do not serve, us in our lives, how those beliefs can be transformed to change our circumstances, and the power of the ultimate connection to Source. What do you do after life has handed you a wake-up call? If you decide to remain awake, then you begin looking at your life. *W H O L E* is your companion as you review the past, balance all areas of your life, and begin to create anew. *W H O L E* prompts a very personal, progressive, and conscious examination of concepts and belief systems in every area of your life, ranging from relationships, work and time, to money, the environment, morality and your purpose. It asks provocative and thoughtful questions that lead to understanding. How do you reconcile everything that has happened and is happening in your life with the one you truly want? The good and the bad, the joy and the hurt, the wins and the losses - all those parts form the experience of your life and your identity. Yet, you are much greater than the sum of all those parts. *W H O L E* allows you to make sense of the pieces of your life as part of the greater being that is You. *W H O L E* presents you with the opportunity to reconcile the past, arrive wholly connected in the present, and create your future. *W H O L E* literally answers the question, "What was I thinking?" "To know "whole" in the duality of your reality, you must know broken. To know broken is to recognize that you are, always have been, and always will be *WHOLE*."

Bella is a lucky girl - she has a good job, an unbreakable circle of friends, and a fiance better than her wildest dreams. So, why does she want to ruin the best thing that ever happened to her by letting someone from her past meddle in her life? Mike is consumed with the need to marry Bella and make her his as soon as possible. There is nothing he wouldn't do for the woman he loves, but letting her go is the one thing he'd rather avoid. Their love was fast, and their relationship was built over the miles. But does that mean that their future wasn't meant to be? When lies surface, and trust is shaken, will they choose each other? Or will someone else capture their happily ever after?

Nicknamed the Queen of the Blues, Bessie Smith rose up from poverty in the American South to become one of the most famous and respected recording artists of her generation. Smith was at the forefront of transitioning blues music from a rural novelty to a legitimate art form that critics and audiences took seriously. Behind the scenes of her success, though, Bessie navigated a story family and personal life. She had adult sisters who depended on her for a living and yet disrespected her when she wasn't around. Likewise, she settled with a husband, Jack Gee, who mistreated her in every possible way. This book looks at the incredible and influential life of Bessie Smith.

"Freddie Mercury: A Life, In His Own Words" is the nearest thing to Freddie's autobiography as it is possible to achieve. A moving, witty, often irreverent collection of quotes from the man himself, covering an extraordinary life, meticulously edited together by Queen's long time archivists, with a Foreword by Freddie's mum. An essential read not just for fans of Queen and their iconic frontman, but anyone intrigued to know more about one of music's most endearing and enduring performers.

My Life Queen of the Court Pocket Books

Imagine being alongside one of the greatest bands in the history of rock, touring the world and being there as they perform at some of the best and biggest music venues in the world. Peter Hince didn't have to imagine: for more than a decade, he lived a life that other people can only

dream of as he worked with Queen as head of their road crew. In 1973, Queen was the support act for Mott the Hoople, for whom Peter was a roadie. Back then, Queen had to content themselves with being second on the bill and the world had not yet woken up to the flamboyant talent of Freddie Mercury. Peter started working full time for Queen just as they were making A Night at the Opera, the album which catapulted them to international stardom. In this intimate and affectionate book, Peter recalls the highlights of his years with the band. He was with Freddie when he composed 'Crazy Little Thing Called Love'; he was responsible for making sure that Freddie's stage performances went without a hitch - and was often there to witness his famed tantrums! He was also party to the sex, drugs and rock 'n' roll which are invariably part of life on the road with a rock band.

Born in 1875, the daughter of Queen Victoria's second son Alfred, Duke of Edinburgh and Tsar Alexander II's daughter Grand Duchess Marie, Princess Marie married Crown Prince Ferdinand of Roumania in 1893 and became Queen on his accession to the throne in 1914. Her three volumes of memoirs, covering her life from birth to the end of the First World War in 1918, paint a lively picture of her upbringing in England, Malta and Germany, her sometimes difficult life as a young wife and mother in Roumania, and her struggle during an uncertain time when the country was poised between invasion and defeat, and ultimate victory. First issued between 1934 and 1935, a few years before her death, they appear here for the first time in one volume.

It was only supposed to be a short visit. It turned into a love affair. Melanie White is in trouble. Young, unmarried, with no resources to speak of, she's forced to flee home and hide out with her aunt on a ranch in a western mining town. She's just passing through on her way farther West, and it's a good thing, too: she can't stand the ranch owner. He's rowdy, immature...and undeniably attractive. David Tanner has his life just the way he likes it: he does what he wants, when he wants, and nobody can tell him any different--least of all, his former nanny's niece Melanie, who likes books more than people. But when a family emergency forces Melanie and David to work together, she discovers that there's more to him than meets the eye. And he finds out that life as a bachelor may not be what he likes after all. Contains mild language and sensual content within marriage.

Reigning in Real Life

The Truth Behind Freddie Mercury's Romantic Relationships

Bringing Your Story to Life

The Story of My Life and the World I Live in

Book One of Imirillia

One Distant Summer

Is your special friend always waiting at the door for you with a wagging tail and an unconditional look of happiness? Is your favorite lap warmer always ready to keep you company on dark and stormy nights? No matter if your friend is furry, finned, feathered, or leathered, no doubt your pet plays an important role in your life and your family. In fact, your pet may be your family. But after the inevitable happens and you sob your last good-bye, will you see your pet again? In Heaven? Does your pet have a soul? Will your pet go to Heaven? This fun and light-hearted look at a seriously sad subject reveals many perspectives about Spot 's stairway to Heaven, Fluffy 's final resting place, and birds of Paradise. Will your pet rabbit rest in peace, or will your fish float forever in the septic tank? In addition to their own blend of passionate and compassionate diva dialogue, the four writers quote devoted pet owners, clergy, friends, family, and even those who just aren ' t " pet people. " From the variety of perspectives and opinions, this is a heart-warming, tail-wagging conversation sure to keep you smiling from now until then... If you desire the lightning, you must also prepare for the storm. — Colonel Armon * * * Az-ca's Kings have never invaded the land of their enemy. Will a Queen be so bold? Sherra devises new ways to strike at the Supreme Leader of Ny-nes, only to discover that he is stronger and more devious than she and Kerok could ever imagine. When they inevitably clash, will there be a victor?

Carol Tyler has been a professional (and highly acclaimed) cartoonist for over 20 years, appearing in such venues as Weirdo, Wimmen's Comix, and Drawn & Quarterly magazine. But over the years her status as a working mother has drastically curtailed her ability to set aside time for her cartooning. Thus each rare new story from her pen has been greeted with hurrahs as well they should be, because she's one of the most skillful, caustic, and emphatic cartoon storytellers of her generation. This new book presents the biggest, richest and most delightful collection of Tyler's work to date featuring many new and previously unpublished works. p.p1 {margin: 0.0px 0.0px 0.0px 0.0px; font: 13.9px Arial; color: #424242}

From the Emmy-winning creator and writer of All My Children and One Life to Live, a memoir of her trailblazing rise to the top of the television industry, including behind-the-scenes stories from some of the most beloved soaps of all time. Before there was Erica Kane, Adam Chandler, or Victoria Lord, there was Agnes Nixon, a young girl who dreamed up stories for paper dolls. Those tales she imagined--ones filled with ambitions, rivalries, and romances--would soon parallel her own path to success. In a memoir filled with as much drama as the soaps she penned, Nixon shares her journey from Nashville to New York City, as she overcomes the loss of her fiancé in World War II, a father intent on crushing her writing dreams, and the jealousy of her male colleagues on her way to becoming one of the most successful names in television. While fans will delight in Nixon 's own incredible life, they will also love her behind-the-scenes insight into her most popular shows. Inside, she shares the inspiration for Erica Kane and how she cast Susan Lucci in the role; an excerpt from the never-before-seen All My Children story bible; entertaining anecdotes about her shows ' beloved casts and special guests, including Carol Burnett, Kelly Ripa, Oprah Winfrey, and Warren Buffett; and more. But My Life to Live is also a portrait of a pioneer. Driven to use her ratings power for good, Nixon fought and broke network taboos by wrestling with controversial social issues ranging from women 's health, interracial relationships, and the Vietnam War to drug addiction, LGBT rights, and AIDS. By infusing her characters with sensitivity, humor, and humanity, she enabled millions to examine an opposite point of view. And long before Shonda Rhimes launched a golden

age of female showrunners, Agnes Nixon positioned ABC to become the media giant it is today. She is a true television legend, and her candid and inspiring glimpse behind the curtain of the television industry will charm soap fans and story lovers alike.

Stop Sabotaging Your Life

SUMMARY - My Life: Queen Of The Court By Serena-Williams

One summer can change everything. Jacinda Prescott spent one life-changing summer in Sweet Breeze Bay, New Zealand, and left disaster in her wake. Since then, she's thrown herself into her music career, and her life in LA. But when the price of fame threatens to become more than she's willing to pay, the distant bay calls her back. Liam Ward walked away from everything he knew after the death of his talented brother, the guy Jacinda loved and lost. When he finally returns to the bay, looking for closure, she's the last person he expects to find—and the last woman he should fall for. Stuck as neighbors for the summer, their off-limits attraction is hotter than the South Pacific sun. But the secret that ties them together is the one thing that could destroy her career, and break their hearts all over again...if they let it.

All fiction is character-driven, according to William Bernhardt. How can you use characters to create dynamic fiction that will captivate readers? This book explains the relationship between character and plot, and how the perfect melding of the two produces a mesmerizing story.

My Overdue Book: Too many stories not to tell: spells out the varied episodes in the life of a man who spent decades working in Hollywood. He began as a little boy in Cincinnati impressed early on by the broadcasting magic of radio and then TV in the middle of twentieth century America. His drive to get into broadcasting culminates in an early success that gets interrupted by an unexpected sidebar in The US Army and a subsequent tour as an Infantryman in Vietnam in the late 1960's. His yearlong excursion in "Fun City East," with its repeated life and death experiences, had lifelong effects on this soldier-of-media. Following his wanderings through the jungles of Vietnam, Bright's interactions with many of America's top public figures throughout his decades in radio and television come to life with intriguing stories that are personal, professional, positive and negative. It's life without a filter! Readers across generations will share and co-experience numerous real life feelings and emotions with writer Bright as his winding trail of life opens in front of them. book endorsement for peter bright; i always thought that peter bright and i had many things in common; we both grew up in ohio, we both had careers in the live event and variety side of television, and the few times we had times to talk i thought we shared a mutual philosophy toward the ups and downs of life. but it wasn't until i read his "overdue" book that i realized just what a rich and storied life peter has had and how much more deeply he had experienced the highs and lows, particularly during his years in the military, than i ever could have imagined. it really amazes me just how little we know about people we think we know, and just how much more we appreciate who they are when we are fortunate enough to have that background filled in by someone as articulate and able to express both facts and feelings as peter has in this book. when i started to read it, i thought all of those common events that we shared would be an interesting parallel track to my life and as such i would have a great frame of reference, but as i read on, i realized just what an amazing story peter has to tell and just how well he tells it. ken ehrlich, executive producer, the grammy awards

Natural cycles are some of the most powerful forces in our lives and can be used to affect change in our environment. These forces, when utilized correctly, can also help us manifest our physical desires. The I Create My Life volume set is created to help us utilize natural cycles to bring our physical desires into reality.
