

My Madder Fatter Diary English Edition

The struggle of three brothers to stay together after their parent's death and their quest for identity among the conflicting values of the society.

If God wanted April Grace to be kind to her neighbors, He should have made them nicer! Growing up in the country is never easy, but it's so funny—especially if you happen to have a sister obsessed with being glamorous, a grandma just discovering make-up, hippie friends who are so weird, and brand new neighbors from the city who test everyone's patience. From disastrous dye jobs to forced apologies and elderly date tag parties that make you laugh 'til you cry as you read the Confessions of April Grace! Here are just a couple of April's thoughts: On her sister, Myra Sue: "How can she be that dumb and still be able to eat with a fork is beyond me." On senior citizen lovebirds: "What if they started smooching right at the altar? God and everybody?" In spite of all the loony characters in her life, April Grace is able to learn from her parents as they share the love of the craziest of characters!

Recounts a teenager's experiences of her unplanned pregnancy.

Dark and Hurrying Days is the text of a diary kept by Robert Menzies, then Prime Minister of Australia, of his experiences during a war in England in 1941. It was a grim time when British cities were enduring heavy bombing and German invasion seemed imminent. Menzies' diary captures the shifting feelings and fears which these experiences engendered in him, and is of prime importance in capturing the brooding spirit of the time.

The Perks of Being a Wallflower

"A warm hug of a book ... a true gem" BuzzFeed This witty, honest and enlightening guide to the whirrings of your brain is the perfect read for any young person who's ever felt overwhelmed, at a loss or in a downward spiral. From the author of My Mad Fat Diary, Rae Earl, it's full of friendly advice, coping strategies and laugh-out-loud moments to get you through the difficult days. Most of all, this is a book from someone who gets it - someone who won't try and fob you off with confusing jargon or irritating slogans, but instead will help you through it with a smile and a cup of tea on hand. Rae says: As a teenager, I was very adept at hiding my OCD, my anxiety, my depression and my eating disorders. That's why I've written this book - because I hate to think of any teen going through what I did, and feeling like they can't talk about it, or need to hide it. So let's break down some taboos and start a conversation. I want to help you come out the other side feeling happier and healthier, with a deeper understanding of what's going on in your head and how to navigate through life without feeling overwhelmed or isolated. Where my lack of medical background becomes an issue, Dr Radha swoops in to the

rescue. As a GP, mental-health expert and co-host of BBC Radio 1's The Surgery, I've worked with her to make sure all the information and advice is spot-on. She's clever, she's kind and she GETS it. I wish my teenage brain had had access to Dr Radha. This is a book for fans of Gemma Cairney and Open, Ruby Wax and Frazzled, Matt Haig and Reasons to Stay Alive, Bryony Gordon and Mad Girl. And most importantly, it's a book to make you feel like you're not alone. You're really, really not.

Hiding from the Nazis in the "Secret Annexe" of an old office building in Amsterdam, a thirteen-year-old girl named Anne Frank became a writer. The now famous diary of her private life and thoughts reveals only part of Anne's story, however. This book completes the portrait of this remarkable and talented young author. Tales from the Secret Annex is a complete collection of Anne Frank's lesser-known writings: short stories, fables, personal reminiscences, and an unfinished novel. Here, too, are portions of the diary originally withheld from publication by her father. By turns fantastical, rebellious, touching, funny, and heartbreaking, these writings reveal the astonishing range of Anne Frank's wisdom and imagination--as well as her indomitable love of life. Anne Frank's Tales from the Secret Annex is a testaments to this determined young woman's extraordinary genius and to the persistent strength of the creative spirit.

This two-book series was written specifically for English language learners and covers all the basic grammar topics for beginners. Contains clear and concise explanations of the rules and illustrates them with numerous examples. The "Did You Know?" and "Grammar Help" notes add further to the understanding of basic grammar. These books will give English language learners a clear understanding of core grammar skills and help lay a strong foundation for good English. Each book includes 150-pages plus a grammar examples and instruction. Topics include: nouns, pronouns, adjectives, verbs and tenses, subject/verb agreement, adverbs, prepositions, conjunctions, interjections, sentences, punctuation. Recommended for grades 3 to 6.

For fans of Girl Online and Angus, Thongs and Full-Frontal Snogging, Rae Earl's My Life Gone Viral (the sequel to My Life Uploaded) is a quirky, irresistible story that tackles the unpredictability, joy, and insecurity of life online. Millie Porter finally has everything she wanted. But it doesn't make her feel the way she thought it would... The pressure of having to create a great vlog forces Millie to take risks that her usual sensible self would never take. And soon, everything starts changing before her eyes—she's not getting along with her boyfriend, her former enemy suddenly wants to be her best friend, and she's unwillingly involved in her mom's dating life. Plus, the boy she thought was her totally, completely, non-romantic buddy is now feeling like anything but. Can Millie balance it all? She is about to find out and share it all online. An Imprint Book Praise for My Life Uploaded: "Quite excellent." —Kirkus Reviews

Wuthering Heights is the name of Mr. Heathcliff's dwelling. Wuthering being a significant provincial adjective, descriptive of the atmospheric tumult to which its station is exposed in stormy weather. Pure, bracing ventilation they must have up there at all times, indeed: one may guess the power of the north wind blowing over the edge, by the excessive slant of a few stunted firs at the end of the house; and by a range of gaunt thorns all stretching their limbs one way, as if craving alms of the sun. Happily, the architect had foresight to build it strong: the narrow windows are deeply set in the wall, and the corners defended with large jutting stones. Before passing the threshold, I paused to admire a quantity of grotesque carving lavished over the front, and especially about the principal door; above which, among a wilderness of crumbling griffins and shameless little boys, I detected the date 1500, and the name Hareton Earnshaw. I would have made a few comments, and requested a short history of the place from the surly owner; but his attitude at the door appeared to demand my speedy entrance, or complete departure, and I had no desire to aggravate his impatience previous to inspecting the penetralium. One stop brought us into the family sitting-room, without any introductory lobby or passage: they call it here the house pre-eminently. It includes kitchen and parlour, generally; but I believe at Wuthering Heights the kitchen is forced to retreat altogether into another quarter: at least I distinguished a chatter of tongues, and a clatter of culinary utensils, deep within; and I observed no signs of roasting, boiling, or baking, about the huge fireplace; nor any glitter of copper saucepans and tin cullenders on the walls. One end, indeed, reflected splendidly both light and heat from ranks of immense pewter dishes, interspersed with silver jugs and tankards, towering row after row, on a vast oak dresser, to the very roof. The latter had never been under-drawn: its entire anatomy lay bare to an inquiring eye, except where a frame of wood laden with oatcakes and clusters of legs of beef, mutton, and ham, concealed it. Above the chimney were sundry villainous old guns, and a couple of horse-pistols: and, by way of ornament, three gaudily-painted canisters disposed along its ledge. The floor was of smooth, white stone; the chairs, high-backed, primitive structures, painted green: one or two heavy black ones lurking in the shade. In an arch under the dresser reposed a huge, liver-coloured bitch pointer, surrounded by a swarm of squealing puppies; and other dogs haunted other recesses.

It began -- and ended -- in 1958 when seven children searched in the drains beneath Derry for an evil creature, but in 1985, Mike, once one of those children, makes six phone calls and disinters an unremembered promise that sets off the ultimate terror.

Ernie Pyle was a Pulitzer Prize-winning American journalist. This is his first hand account of life on the European front-line during World War II. Written with touching sympathy and humanism, Brave Men offers a poignant description of the everyday experiences of American foot soldiers; their courage, humanism and unshakeable camaraderie. A must-read war memoir.

Thirteen year-old Hattie Moore doesn't actually know who her dad is - but that's the least of her problems. Her unbelievably annoying older brother is threatening to reveal to the world everything embarrassing that has ever happened to her. She has a mum who just doesn't get her or why she might want to find out about her real dad and a gran who who may be texting rude jokes to just about everyone in the world ever. Including dentists. Hattie's diary of this tumultuous year is an absolutely hilarious account of the ups and downs of teenage life.

Jordan Howard moves to the Japanese countryside to become a high school English teacher, not an amateur detective. But when Jordan's students are murdered one after another, she resolves to find the culprit, fueled by lingering guilt over her own brother's death.

A tour de force from acclaimed author Alan Gratz (Prisoner B-3087), this timely -- and timeless -- novel tells the powerful story of three different children seeking refuge. A New York Times bestseller! JOSEF is a Jewish boy living in 1930s Nazi Germany. With the threat of concentration camps looming, he and his family board a ship bound for the other side of the world . . . ISABEL is a Cuban girl in 1994. With riots and unrest plaguing her country, she and her family set out on a raft, hoping to find safety in America . . . MAHMOUD is a Syrian boy in 2015. With his homeland torn apart by violence and destruction, he and his family begin a long trek toward Europe . . . All three kids go on harrowing journeys in search of refuge. All will face unimaginable dangers -- from drownings to bombings to betrayals. But there is always the hope of tomorrow. And although Josef, Isabel, and Mahmoud are separated by continents and decades, shocking connections will tie their stories together in the end. This action-packed novel tackles topics both timely and timeless: courage, survival, and the quest for home.

Synopsis coming soon.....

Journalist Walls grew up with parents whose ideals and stubborn nonconformity were their curse and their salvation. Rex and Rose Mary and their four children lived like nomads, moving among Southwest desert towns, camping in the mountains. Rex was a charismatic, brilliant man who, when sober, captured his children's imagination, teaching them how to embrace life fearlessly. Rose Mary painted and wrote and couldn't stand the responsibility of providing for her family. When the money ran out, the Walls retreated to the dismal West Virginia mining town Rex had tried to escape. As the dysfunction escalated, the children had to fend for themselves, supporting one another as they found the resources and will to leave home. Yet Walls describes her parents with deep affection in this tale of unconditional love in a family that, despite its profound flaws, gave her the fiery determination to carve out a successful life. -- From publisher description.

Menzies' 1941 Diary

The Outsiders

Graciela "Ace" Jones is mad-mad at her best friend Lilly who cancels their annual trip to Panama City for mysterious reasons; at her boss Catherine for "riding her ass like a fat lady on a Rascal scooter;" at her friend Chloe's abusive husband; and especially at Mason McKenzie, the love of her life, who has shown up with a marriage proposal one year too late. Ace is never mad, though, at her near-constant companion, an adorable chiweenie dog named Buster Loo. Ace's anger begins to dissipate as she takes matters into her own hands to take down Chloe's philandering husband—and to get to the bottom of a multitude of other scandals plaguing Bugtussle, Mississippi. Then, she starts to realize that maybe Mason deserves a second chance after all. With a sharp and distinctive voice, Stephanie McAfee delivers a hilarious and fast-paced tale about Ace Jones and her two best friends—thick as thieves and tough as nails—navigating Southern small-town politics and prejudices, finding love, and standing up for each other all the way.

For correctness of observation and readiness of wit Varthema stands in the foremost rank of the old Oriental travellers. In Arabia and in the Indian archipelago east of Java he is (for Europe and Christendom) a real discoverer. Even where passing over ground traversed by earlier European explorers, his keen intelligence frequently adds valuable original notes on peoples, manners, customs, laws, religions, products, trade, methods of war. --Richard Francis Burton.

This text provides a comprehensive survey of one of the richest and oldest literatures in the world. Presented as a narrative, and usable as a work of reference, this text offers an account of literature from the beginnings of English until the year 2000.

THE DEFINITIVE EDITION • Discovered in the attic in which she spent the last years of her life, Anne Frank's remarkable diary has since become a world classic—a powerful reminder of the horrors of war and an eloquent testament to the human spirit. Updated for the 75th Anniversary of the Diary's first publication with a new introduction by Nobel Prize-winner Nadia Murad "The single most compelling personal account of the Holocaust ... remains astonishing and excruciating."—The New York Times Book Review In 1942, with Nazis occupying Holland, a thirteen-year-old Jewish girl and her family fled their home in Amsterdam and went into hiding. For the next two years, until their whereabouts were betrayed to the Gestapo, they and another family lived cloistered in the "Secret Annex" of an old office building. Cut off from the outside world, they faced hunger, boredom, the constant cruelties of living in confined quarters, and the ever-present threat of discovery and death. In her diary Anne Frank recorded vivid impressions of her experiences during this period. By turns thoughtful, moving, and amusing, her account offers a fascinating commentary on human courage and frailty and a compelling self-portrait of a sensitive and spirited young woman whose promise was tragically cut short.

Here Barbara Freitag examines all the literature on the subject since their discovery 160 years ago, highlighting the inconsistencies of the various interpretations in regard to origin, function and name. By considering the Sheela-na-gigs in the

medieval social context, she suggests that they were folk deities with particular responsibility for assistance in childbirth. The fascinating survey sheds new light on a controversial phenomenon, and also contains a complete catalogue of all known Sheela-na-gigs, including hitherto unrecorded or unpublished figures.

It's 1989 and Rae Earl is a fat, boy-mad 17-year-old girl, living in Stamford, Lincolnshire with her mum and their deaf white council house with a mint green bathroom and a refrigerator Rae can't keep away from. She's also just been released from a psychiatric ward. My Mad Fat Diary is the hilarious, harrowing and touching real-life diary Rae kept during that fateful year as the basis of the hit British television series of the same name now coming to HULU. Surrounded by people like her constantly die her mum, her beautiful frenemy Bethany, her mates from the private school up the road (called "Haddock", "Battered Sausage" and "Fig") and the handsome, unattainable boys Rae pines after (who sometimes end up with Bethany...), My Mad Fat Diary is the story of an overweight young woman just hoping to be loved at a time when slim pop singers ruled the charts. Rae's chronic of her world will strike a chord with anyone who's ever been a confused, lonely teenager clashing with her parents, sometimes overeating, hating her body, always taking herself VERY seriously, never knowing how positively brilliant she is and keeping a diary to record it all. My Mad Fat Diary – 365 days with one of the wisest and funniest girls in England.

Yoga teachers and students will cherish this unique book on the art of performing hands-on yoga posture adjustments! The book contains over 200 photos, precise instructions, and insightful suggestions.

In an unnamed Third World country, in the not-so-distant future, three "dumpsite boys" make a living picking through the mountains of garbage on the outskirts of a large city. One unlucky-lucky day, Raphael finds something very special and very mysterious. So mysterious that he decides to keep it, even when the city police offer a handsome reward for its return. That decision brings with it terrifying consequences, and soon the dumpsite boys must use all of their cunning and courage to stay ahead of their pursuers. It's up to Raphael, Gardo, and Rat—boys who have no education, no parents, no homes, and no money—to solve the mystery and right a terrible wrong. Andy Mulligan has written a powerful story about unthinkable poverty and the kind of hope and determination that can transcend it. With twists and turns, unrelenting action, and deep, raw emotion, this is a heart-pounding, breath-holding novel.

Wuthering Heights

My Madder Fatter Diary

RAE'S BACK! But now it's 1990. The Berlin wall is down and the Happy Mondays are up, really up, but the new decade's brought new mortifications for Rae Earl and she's MADDER and FATTER than ever. About to enter the most important year of her life - her

actual bloody A Level year - everyone expects her to concentrate on schoolwork but how can she when Haddock's backside is still a national treasure and revision at home is just NOT HAPPENING! It's hell outside the house too, if hell was in Stamford, Lincolnshire, and punishment for sins was a fiery eternity of awkwardness. In My Madder Fatter Diary, Rae reveals her real-life teenage diary once again, transporting us to a Britain instantly recognisable to those who remember Bryan Adams at the top of the charts and anybody who's been eighteen and agonisingly embarrassed by EVERYTHING. It's wet-your-knickers hilarious. It's blub-your-eyes-out sad. It's the touching, romantic, MAD, FAT story of what happened next.

From the Master of Horror comes the first gripping book in the twelve book New York Times bestselling Saga of Darren Shan. Start the tale from the beginning in the book that inspired the feature film The Vampire's Assistant and petrified devoted fans worldwide. A young boy named Darren Shan and his best friend, Steve, get tickets to the Cirque Du Freak, a wonderfully gothic freak show featuring weird, frightening half human/half animals who interact terrifyingly with the audience. In the midst of the excitement, true terror raises its head when Steve recognizes that one of the performers-- Mr. Crepsley-- is a vampire! Stever remains after the show finishes to confront the vampire-- but his motives are surprising! In the shadows of a crumbling theater, a horrified Darren eavesdrops on his friend and the vampire, and is witness to a monstrous, disturbing plea. As if by destiny, Darren is pulled to Mr. Crepsley and what follows is his horrifying descent into the dark and bloody world of vampires. This is the beginning of Darren's story.
